Sir,

Sub:- Request age exemption for entry into Government
Service in the Educational Department - A fully
qualified Political sufferer in Local Board Service.

I beg to submit that as per the Proceedings of the
Director of Public Instruction, Madras in his R.C.No.1491-C3/49
dated 28th June 1949 my age which is 9 years over the pres-
cribed age limit of 30 years is standing in my way of being
appointed permanently as a Hindi Lecturer in Government --
Colleges. I bring to your kind notice the following special
circumstances and request you to kindly grant me exemption
from age rules.

I am a political sufferer. I took active part in the free-
dom struggle movements and went to jail in 1932. After
coming out of the jail I was engaged in Harijan uplift,
Hindi Prachar and such other constructive work of the Indian
National Congress.

I am working as a Hindi Pandit in the Municipal High
School, Bellary for the last 11 years. I joined this in-
stitution in my 27th year thereby I virtually joined this
quasi Government Institution within the Government age
limit, which is 30 years. Moreover the Government is
pleased to say that with regard to such Local Board
employees the age rules will be relaxed and they will be
taken ^{into} Government Service.

There was no demand for Hindi Lecturers till recently
for exemption. I am ready to offer my services and

My love for Hindi took me to North India, the
land of the language, where I have lived for 10

among the Hindi speaking public as an ardent student of Hindi so as to learn the correct use of words, pronunciation and accent of the language.

I am a Non-brahmin-Lingayat belonging to the backward Community in the backward District of Bellary. We are poorly represented in Government service.

A list of my qualifications and copies of testimonials are appended for your kind perusal.

I humbly pray that in view of the above facts and my academic qualifications I may be exempted from the age limit for entry into the Government Educational Department as a special case.

Thanking you,

Bellary,
20-7-1949.

Yours faithfully,

K. Gowdappa

I have known Sri. K. Gowdappa since 20 years. The high educational qualifications tempered with an intelligence and study of men and matters throughout India, as also his patience and love of teaching have made him a most efficient teacher, beloved by all his pupils. Intensely national in outlook he has had to pay a penalty during those stormy days of 1932, when one of the bitterest of the freedom struggles was launched by Mahatma Gandhi. After coming out of the Jail he was engaged in the constructive work of the Indian National Congress. He is eminently suited for the teaching profession and has all those qualities which make one a perfect lecturer. Throughout this period I have known him for his integrity of character and he comes of a noble and reputed family in the Western Portion of Bellary District.

(2) Although Nine years above the prescribed age for Government Service, the applicant scarcely looks his age, and for distinctly young because of the high ideal ambition that inspire his life. His abiding interest in Hindi, and his Capacity for sparkling Speeches will easily mark him out even in places bigger than Bellary and institutions will be all the better for his untiring devotion to duty, and his exemplary Conduct.

It may be very difficult for the institution to replace him but what is due cannot be denied him.
