(P) Although sanction was accorded by the Government in G.O. Ms. No. 662 Ldn. dated 27 April 1945 for the opening of a free boys' hostel at Vellore for the children of soldiers who served in the recent war, it has so far not been carried through on the plea that sufficient pupils were not forthcoming and instead the existing handful of eligible candidates were admitted in a private hostel. The Provincial Board anticipate more pupils joining the hostel next year in view of the concession being extended to dependant brothers including step-brothers and half-brothers of soldiers domiciled in any district of the Province.

(P) As it is, sanction for the continuance of the hostel holds good only till the end of this year vide para 4 of the G.O.

In view of the all India drive for educating the masses on a large scale and also in view of the fact that North Arcot District stands second in supplying 45,009 recruits during the recent war in the whole Presidency, it is requested that the hostel and the allied arrangements sanctioned in the above mentioned G.O. may please be allowed to stand for all times.

In resubmitting the letter No.46/38, dated 7-1-1947 from the Secretary, Madras Provincial Sailors' Soldiers' and Airmen's Board, Madras, referred to me for remarks with Government Endorsement No.1187 C.1-1/47, Edn., dated 6-3-47, I have the honour to submit herewith copies of remarks of the District Educational Officer, North Arcot, and the Collector, North Arcot, in the matter. I may point out in this connection, that the cost of opening of Free Boys' Hostel at Vellore for the children and dependants of soldiers was proposed by me as one of the schemes in connection with the Administration of the Post War Services Reconstruction Fund. Wide my letter to Govt.Rc.No.1207 W3/47, dated 15-5-1947. I am mentioning this fact to Government for such orders as they may deem fit in the matter.

I have the honour to be,
 Sir,

SUB:- Free Boys' Hostel at Vellore - for the children and dependents of soldiers.

REF:- Proceedings Rc.No.2905 W/46, dated 17th March 1947.

In resubmitting herewith the letter No.46/38/MPB dated 7th January 1947 of the Secretary, Madras Provincial Sailors' Soldiers' and Airmen's Board, Madras, I submit the following remarks.

2. A free Boys' hostel for the children of soldiers was sanctioned to be opened at Vellore for two years in G.O.No. 662/Edn., dated 27-4-45. Subsequently, dependent brothers including step brothers and half brothers were declared as eligible for admission to the hostel in G.O.No.60/Edn., dated 8-1-1946.

3. The actual opening of the hostel in 1945 had however to be deferred until a sufficient number of eligible pupils were forthcoming and this was approved in Govt.Memo.No. 35180 C/45.3, Edn., dated 10-8-1945.

p.t.o.

Again in 1946, the question was taken up but the difficulty of securing suitable accommodation stood in the way though there were as many as 318 eligible candidates for admission out of a total number of 393 as against only 6 candidates that applied in the year 1945. The absence of a suitable building deterred the opening of the Hostel - Vide Govt. Memo. No. 43045/CI/1, dated 28-10-1946.

4. The Secretary, Madras Provincial Sailors' Soldiers' & Airmen's Board, now requests that the hostel and the allied arrangements sanctioned in G.O. No. 662/Edn., dated 27-4-45 may be allowed to stand for all times. This will be feasible only if a suitable building is secured. It is impossible to obtain suitable buildings, Government or rented in Vellore Municipal limits for the accommodation of the Hostel with provision for 200 Boarders (according to G.O. No. 662/Edn., dated 27-4-45) or more if necessary unless the Collector is instructed to move in the matter immediately.

The Hostel could be opened and it is expected that there will be adequate number of applications, if the question of accommodation is solved.

In their Order No. Ms. 662 Edn dated 27-4-45 the Govt.
sanctioned the opening of a Free Boys' Hostel at Vellore for the
children of the soldiers of the War of 1939-45. The concessions
were extended to the dependants of soldiers in G.O. No. 60 Edn

a period of 2 years and the sanction expired with the close of the
financial year 1946-47.

As a suitable building was not available at Vellore for
accommodating the hostel, the Government ordered in their Memo.
No. 35180-C/45-3 Edn dated 10-8-45 that the proposal for the
opening of the hostel might be deferred and that the students who
were eligible to be admitted to the Free Hostel under the two
Government orders cited above and who applied for admission into
the hostel might be given facilities to join the boarding houses
of any of the existing schools and that their expenses would be met
by Government. The above procedure was followed during the years
1945-46 and 1946-47.

At present

20
At present there are 10 eligible candidates admitted into the hostels at Vellore for whom provision has to be made for boarding and lodging. A sum of Rs.1352/- or Rs.1400/- in round figures will be required to meet the boarding charges during the current financial year 1947-48. Budget Estimate for 1948-49 may be fixed at Rs.1500/-

I request that Government may be pleased to meet the boarding charges on behalf of the children and dependants of soldiers who are accommodated in the existing hostels at Vellore for a further period of two years (1947-48 and 1948-49). There is necessary provision in the current year's Budget Estimate for the purpose.

In continuation of my letter Roc. No. 2905 W.1/46 dated 25.6.'48 I submit that the Collector, North Arcot, has reported that no suitable building for starting the hostel is available in Vellore Town.

I do not think that a building can be secured in the ~~in the~~ near future. I suggest that the present arrangement of paying the boarding charges to the children and dependants of soldiers who are accommodated in the existing hostels in Vellore may continue for two more years - 1949-50 and 50-51. Since the committee for the Administration of the Post war Services Reconstruction fund has refused to meet the expenditure in this regard, for this limited scheme I suggest that Government may be pleased to bear the charges. If the Government propose to continue the present arrangements I shall call for and submit details of estimates for the next two years.

With reference to the Govt. Memo cited above I have the honour to inform you that a building at Sankarampalayam was suggested to the District Educational Officer, North Arcot by Sri T.S. Shanmugam, Dt. Industries Officer, Vellore for locating the Free Boys' Hostel. It is reported by the District Educational Officer that the building is found to be spacious, but is unfit at present for occupation unless extensive repairs and improvements are carried out. He estimates that the cost of the repairs will come to Rs. 4,000/- and that the land lord refuses to bear the cost unless the entire amount is advanced by Government and recovered from the rent in instalments subsequently. As the conditions imposed by the Land lord are not in conformity with the rules the question of taking the building was dropped by the District Educational Officer. No other suitable

CHILDREN and dependents of soldiers - Hostel for boys at Vellore.

From the Secretary, Madras Provincial S.S.&A Board, Madras, No.46/38/MPH dated 7th January 1947.
From the D.P.I. Roc.No.2905.W1.46 dated 6th June 1947.

In G.O.No.662 Edn. dated 27-4-1945, the Government sanctioned the opening of a hostel at Vellore for 200 children (boys) of soldiers who had served in the war, the hostel being under the control of the D.P.I. The cost of the hostel was estimated at Rs.36,540 (recurring) and Rs.7,000/- (non-recurring). The sanction for the hostel was for two years i.e. 1945-46 and 1946-47. The opening of the hostel ~~was estimated~~ had to be deferred as sufficient number of eligible boys were not forthcoming. In G.O.No.60 Edn. dated 8-1-1946, The Government directed that dependents brothers of soldiers including step brothers and half brothers might also be admitted into the hostel. It was expected that the extension of concession to brothers of soldiers ~~was~~ would bring in sufficient number of students into the hostel from the year 1946-47.

2. In June 1946 the D.P.I. reported that more than 150 applicants had been received for admission to the hostel and he was informed in July of the same year that there was no objection to the hostel being opened with effect from the school year 1946-47. Subsequently the Director reported that only 20 children and dependents of soldiers had actually to be provided for and that 15 of them had already been admitted into the existing hostels at Vellore and that remaining 5 would be admitted shortly. He was thereupon informed that the opening of the hostel in 1946-47 ~~may~~ ^{might} be deferred.

3. The Secretary of the Madras Provincial S.S.&A. Board, now points out that ~~as~~ the sanction for the hostel holds good only till the end of 1946-47 and ~~the orders~~ ^{he requests} ~~that~~ ^{that} for permanent sanction for the hostel may be accorded. He also says that more pupils will be joining the hostel this year, 1947-48, in view of the concession granted in G.O.60Edn. dated 8-1-46.

4 The D.P.I. to whom the letter was referred for remarks has forwarded a letter of the D.E.O. on the subject. He has also stated that he has proposed the scheme as one of the schemes in connection with the administration of Post-War Services Reconstruction Fund. The D.E.O., North Arcot, reports that the permanent sanction for the hostel can be considered only if ^a suitable building for running it becomes available and that if the question of accommodation is solved adequate number of applicants for admission to the hostel ^{But he has not stated how many boys have been actually provided for this year.} will be forthcoming. The Collector of North Arcot has reported that no suitable Government or private building is available in or near Vellore for opening the hostel.

5 In the absence of a suitable building becoming available it is not possible to open the hostel at Vellore. ^{Sanction for the continuance of the hostel may however be given if any building becomes available.} ^{he requested for another where a suitable building is available.} ^{two years so that it may be opened or as and when a suitable building is available.} 6 With reference to "A" ^{above} it may be pointed out that the Director's letter on the subject has not been received in this department. 2 The Collector of Vellore has stated that no suitable Govt. or private building is available in Vellore or any where near about for opening the Free Boys' Hostel. Presumably the hostel is to be opened at the beginning and not during the middle of an academic year. As the current academic year has already begun and there is no suitable building available now it seems that the hostel cannot be opened this year. It does not seem that any useful purpose will be served by extending the sanction for the hostel for two years unless it is known that a suitable building is available. E.P.H. may, therefore, be requested to ask the D.P.I. to look out for a suitable public or private building for the hostel and apply for renewal of the sanction for opening the hostel as and when a suitable building becomes available.

(Previous Fin. notes on p.5 above)

The file relates to the opening of a free Boys' Hostel for accommodating children, brother step-brothers etc. of soldiers, in Vellore. Although the scheme was sanctioned in 1945-6, till now the hostel could not be opened for want of a suitable building to locate the hostel. Sanction was therefore accorded to admit the children boys who are eligible in the existing boarding houses of any of the schools in the locality. The Govt. sanctioned an expenditure of Rs. 1400/- towards boarding charges in respect of the boys so admitted in 1947-8 and 1948-9. As there is no possibility of securing a suitable building in the near future, the D.P.I. has now requested the Govt. to continue the existing arrangement for two more years, 1949-50 and 1950-51. The F.H. Dept. propose to approve the proposal. In the circumstances stated, Finance may agree. (The D.P.I. has promised to submit estimates of cost of the proposal if agreed to).

The original intention was to meet the charges from out of the Post-war Service Reconstruction Fund. The Committee of Administration of this Fund has expressed its inability to bear the charges on account of the present limited scheme. F.H. may be requested to ask the D.P.I. to be on the look out for securing a suitable building to run the hostel after some time. As it will then be possible to meet the expenditure from the above Fund & if the scheme of admitting the boys in a separate hostel materialises.
