Sir,

Sub:--Colleges--Children of Government of India Officers--Admission on merit irrespective of their domicile.

Ref:--Government Memo No. 98891 2/47-A Edn. dated 2.2.48

14330

I have the honour to state that no discriminiation is at present made against the children of the Government of India Officers in the matter of admission to Arts colleges. In the case of Engineering Colleges, however, admissions are made on production of Nativity certificates which cannot be dispensed with. It is not clear what more facilities should be offered to the children of officers of the Government of India serving in this Province in the matter of admissions to Government Colleges.

Ⓑ 7374 cf

Sir,

With reference to your letter No. 3604 Education dated the 22nd November, 1949, on the above subject, I am directed to request that your Government may reconsider their present policy in regard to admission of the children of the Government of India employees serving in your Province and make provision for similar concessions, as are available in Arts, Law and Training Colleges. It may be pointed out that such arrangements are always on reciprocal basis and if your Government to-day impose any restriction on the children of Government of India employees, who are not domiciled in Madras, there is a liklihood of similar restrictions being imposed by other Provinces on the children of Government of India employees from Madras and the result will be that the difficulty will continue to remain unsolved.

Subject :- Admission of the children of Government of India officers on merit irrespective of their domicile into Government Colleges.

Sir,

With reference to your letter No. 3604 Education dated the 22nd November, 1949, on the above subject, I am directed to request that your Government may reconsider their present policy in regard to admission of the children of the Government of India employees serving in your Province and make provision for similar concessions, as are available in [illegible] in any [illegible] colleges. It may be pointed out that such arrangements are already in [illegible] between [illegible] Government to-day [illegible] the children of Government of India employees, who are not domiciled in Madras, there is a likelihood of similar action being [illegible] by other provinces [illegible] the children of Government of India employees [illegible] will be that the difficulty would continue to remain unsolved.

Yours faithfully,

for Secretary.

GOVERNMENT OF MADRAS
Education and Public Health Department

Letter Ref.No.83276-D1/49-1 P.H.

From
Sri T.M.S. Mani, I.C.S.,
Addl. Secretary to Government,
Education & Public Health Department.

To
The Secretary to the Government of India,
Ministry of Health,
New Delhi.

Dated, Fort St. George, the 1st December 1949.

Sir,

MEDICAL COLLEGES, MADRAS - Seats reserved for candidates sponsored by the Government of India-Reduction.

I am directed to address you on the question of reduction of the number of seats reserved at the instance of the Government of India in the Government Medical Colleges in this Province for candidates from other States and Administrations. At present, seats are reserved for such candidates for the M.B.B.S. course in this Province, as follows:

	Number of seats.
(1) Candidates from the centrally administered areas including Coorg - Vide Ministry of Health letter No.F.20-73/49.M1 dated 11th May 1949.	4
(2) Students of Indian Origin from abroad-vide Ministry of Education letter No.F.126/1/48.OD.I dated 3rd March 1948 and Ministry of External Affaiss and Commonwealth Relations letter No.F.41-3/48.OSI dated 11th March, 1949.	5
(3) Refugee students - vide Ministry of Relief and Rehabilitation letter No.RH.523(3) dated 19-5-48 and Ministry of Health letter No.F.20-96/49 M1 dt. 14th June 1949.	8
(4) Students of Indian Origin from Burma - vide Ministry of Health letter No.F.32-51/47.M1 dated 31-12-1947.	2 (for the academic year 1949-50 only)

Besides the above reservations, a certain number of seats are also reserved for candidates from Travanclore and Cochin.

2. This Government, after a review of the grave shortage of doctors in this Province, find that under the existing system of reservations, out of 302 seats available for the M.B.B.S. course each year, only 277 become available for Provincial candidates and that the actual output of

P.T.O.

82

medical graduates who settle down in this Province is less than 250 per annum which is not even adequate to meet wastage in the ranks of the medical profession by deaths, retirements, migration etc. with the result that it is becoming impossible for this Government to expand medical relief in the Province. Owing to financial stringency the Government have had to defer the Mathurai and Guntur Medical Colleges schemes which were taken up in 1946, and there is no prospect of increasing the output of medical graduates in the near future, much as this is essential. The Colonial students, those from the Centrally Administered Areas, the refugees and even a proportion of the Burma candidates for whom seats are now reserved are not likely to settle down and practise in this Province and if these seats are de-reserved, even the little addition to our medical strength will have some effect on the problem of expansion of medical relief in the Province. The Government of Madras would have had no objection to the continuation of the reservation, but for the very serious shortage of medical personnel referred to, which makes it imperative for them, with a great deal of ~~regret~~ regret to secure that seats are allotted only to those who are likely to settle down and practice in this province. This Government therefore propose that the number of seats reserved for students of Indian origin from abroad may be reduced from 5 to 3 and that no reservation be made for refugee students and students from Burma. I am to request that the Government of India may be so good as to agree to the reduction proposed.

Yours faithfully,

T.M.S. MANI,
Additional Secretary to Government.

In their Resolution No.7030 dated 23-8-1947, the Govt. of Bombay directed that the children of Govt. of India Officers (Civil or Military) should be admitted on merit to Govt. colleges in their Province, irrespective of their domicile, provided the father was serving in that Province at the time of the submission of the application for admission. Enquiries are now made of this Govt. whether they too will extend a similar concession to the children of the Govt. of India officers serving in this Province in the matter of admission to Govt. Colleges here. The remarks of the D.P.I., S.G., D.A. and D.A.H. have been called for in the matter. Their replies will be found on pages 9 and 55 c.f., page 11 c.f., page 25 c.f. and pages 47-48 c.f. respectively.

x vide p1, 3, 15-16 & 19 c.f

vide p7c.f

vide p9 & 55 c.f

2. In the matter of admissions to the Govt. Arts, Law and Training Colleges in this Province, the D.P.I. states that no discrimination is made against the children of Govt. of India officers. There are no restrictions whatsoever on the admission of non-Provincial students into these colleges; and, as such, the question of admitting the children of Govt. of India officers into these colleges, irrespective of their domicile, does not arise.

3. There are, however, difficulties in the way of admission of the children of Govt. of India Officers into the Govt. Engg. Colleges in this Province. Under the rules for admission into these colleges, every applicant is required to produce a nativity certificate. The test of nativity is residence by the candidate or his parents in the district for a period of ten years immediately preceding the date of application, excluding the periods

Dir. No. 53 Edn. 26-4-46

P.T.O.

4

spent by the candidate for studies or periods spent by his parents in Govt. service, on business or in the exercise of any profession outside the district. It ~~may~~ will not be possible for the children of all Govt. of India officers in this Province to satisfy this test. Therefore, the Govt. of India request that the children of their officers in this Province may be admitted on merit, irrespective of the question of domicile. This request cannot, it seems, be complied with in the circumstances set out below:-

vide (E)
ibid
vide p15-16 c.f.

Originally there were no orders prohibiting the admission of non-Provincial students into the Engg. College~~s~~. (There was only one college then -the one at Guindy. Since then 3 more Govt. Engg. Colleges have been opened). In 1924, however, it was felt that there should be a rule that candidates belonging to this Province should be preferred in the matter of admissions to the Engg. College and the D.P.I. was accordingly asked to instruct the Principal of the College to see that preference ~~is~~ was given to candidates of this Province in the matter of admissions to the Engg. College. This eventually had the effect of shutting out a good number of candidates from Indian States, other Provinces, etc. from the College. Requests for reservation of seats for students coming from native States, other Provinces, etc., followed; and as far as possible, they were complied with. This Govt. have all along acted on the principle that these colleges, started and maintained by them, are primarily intended for students belonging to this Province; and, only as a measure of neighbourly good feeling, they have reserved certain number of seats for students coming from outside the Province. The demand for seats in the Engg. Colleges from students from this Province itself is very great and every year thousands of applicants are being refused admission for want of seats. If, therefore, children of Govt. of India Officers are to be admitted, irrespective of their domicile, a considerable number of seats will be lost to students of this Province; and

this possibility cannot be countenanced . Further, this Govt. have not granted any such concession in respect of children of their own officers; and it seems undesirable that they should concede it only in respect of children of Govt. of India Officers in this Province. It may also be added here that children of Govt. of India officers will not altogether be excluded from being admitted into these colleges, as it will be possible for at least some of them to satisfy the nativity test. In these circumstances, it would seem that the request of the Govt. of India need not be complied with, so far as Engg. Colleges are concerned.

vide Item (3)
on (B)/22

28.4.49
A.G.M.
28.4.49

4. Medical Colleges:- The general position stated in para 3 above applies to Medical Colleges also.

Excluding ~~the~~ Madura and Guntur Medical Colleges, the schemes of which have been ordered to be deferred by Govt., the total number of seats available for the M.B.B.S. course in the Madras, Stanley and Andhra Medical Colleges is 280 out of which as many as 18 seats are even now foregone by Provincial candidates under the existing system of reservations for other States and Admns. The number of applications from Provincial candidates is on a steady increase (last year 1208 applications were received) whereas the number of seats available has not proportionately been increased with the result that a large number of Provincial candidates are turned out annually for want of seats. As stated at 'A' above, if children of Govt. of India officers are to be admitted irrespective of their domicile a considerable number of seats available for Provincial candidates may be lost. When this Govt. are finding it difficult due to financial stringency to meet the demands of the candidates of this Province, a concession of the type now proposed will entail in a reduction even in the existing number of seats available for candidates of this Province. Under the existing rules admissions to Medical Colleges are made on

Madras - 125
Stanley - 100
Andhra - 55
280

G.o. 2223 P.H.
26-6-47
(W)

P.T.O.

linguistic and district-war basis and hence children of Govt. of India officers irrespective of their domicile cannot compete along with candidates of this Province unless a reservation is made for them.

The existing rules do not preclude children of Govt. of India officers who belong to this Province from admission to Medical and Engg. Colleges. Excluding the periods spent by the parents in Govt. service and by them over their studies elsewhere they can compete equally along with the other candidates of this Province for admission to Medical and Engineering Colleges. Children of Govt. of India officers who do not belong to this Province cannot do so; they can seek admission to institutions in their respective Provinces and states.

It may be mentioned that four seats are now reserved in Medical Colleges for candidates from the Centrally Administered areas and it is presumed that the Govt. of India nominate these candidates. It is open to the Govt. of India to nominate children of their officers belonging to the Centrally Administered areas to these four seats.

In the circumstances explained above there does not appear to be any justification to reserve any seats in the Medical Colleges for children of Govt. of India officers irrespective of domicile, beyond the existing reservations, especially when no reservation is made to children of officers of this Govt.

Devt. may see the file for remarks with reference to admissions to Agricultural and Veterinary Colleges.

Dev Dept

(Previous notes of this Dept. on 6-8 above)

Further notes of E.P.H. from p 8 above may be perused. The number of admissions into each of the Agrl. Colleges at Coimbatore and Bapatla have since been reduced from 96 to 80 during the course of this year. So far 9 seats have been reserved in the Agrl. Colleges for the extra Provincial students during the current year as shown below

papers not put up.

Cochin — 2 seats
Coorg — 2 seats
Orissa — 5 seats.

According to the rules at present in force, in the event of it being necessary to admit students from outside the Province, the proportion of seats allotted to each linguistic area will be reduced by two in

G.O.Ms 3531 Dev
2.7.49
(not put up)

A

two in Telugu and one in Malayam assuming that the number of students from outside the Province will be five. It may be noted that ~~if the number of seats reserved students from this Province will loose the number of seats in~~ if more seats are reserved in the Agrl. Colleges for extra provincial students, the applicants from this Province will be put to severe loss. In the circumstances it is for orders whether this Dept will adhere to its views expressed at 'X' on pp7-~~8~~ above. After orders are passed the case may be returned to EPH with ~~a~~ request to circulate the case to H.M. (Agri) ‖

The no of G of I officers belonging to other Provinces & posted to this Province will be small & the no of cases of their children applying for admission to the Agl Colleges will be insignificant. All that we can agree ~~that~~ is that their domicile will not be a bar to admission but they must satisfy other requirements like marks. That is to say, the Nativity Certificate alone will be dispensed with & they ~~will~~ can be taken to belong to the dt in which their parents are serving for the purpose of the district quota of seats. If this view is accepted, no reservation of seats will be necessary. Necessary orders may be issued ~~[illegible]~~ as above

(I imagine that the no of Civil officers belonging to other Provinces in this Province will be very small but the no of those belonging to the Defence Services may be quite a few & they deserve consideration)

H.M. (E & L)

P.T.O.

98891/49A

H.M.(E.& L.) may like to see the file again as, in respect of the Medical, Engineering and Veterinary Colleges, there is already a reservation for extra provincial students who are liable to pay higher fees. It is also well known that these Colleges are not even adequate to meet the needs of the Province, particularly in respect of Medicine and Engineering. Children of Govt. of India officers belonging to other Provinces are not likely to be available for employment in this province after their training. I would therefore respectfully suggest that a distinction may be made in respect of the Professional Colleges on the ground that there is reservation already, of which the children of Govt. of India Officers can take advantage.

27/X

H.M.(E.& L.)

I do not think such a distinction is necessary. There are many G. of I officers in this province who are Madrasis also. The extra cost of reservation for extra provincial students are paid by those Govt & those Govts select the students. Any how this is a matter primarily for HMs (P.H) (PW) & Agri

I suggest we inform the Govt. of India that much as we would like to accept ~~to~~ its proposal, which is sound in principle, we are unfortunately constrained to limit admissions to technical colleges to persons domiciled in this Province, in view of the grave shortage of ~~medical men~~ technical personnel in this Province and our inability in present financial conditions to start new institutions or augment ~~to augment~~ the facilities in existing ones. In this connection, the Govt of India's attention may be invited for instance to the position in regard to the Medical Colleges, as discussed in our letter at (R) [a copy of which may be sent to the Ministry of Education].

When we have expanded ~~facult~~ facilities for higher technical education, we would gladly throw open admission to all citizens of the Union.

Chief Secy should see before Or to Hon (Edn) & (P.H) and H.P.

Secy

I agree with the above. If the proposal is to be considered as limited to reciprocal arrangements, we have to consider its actual effects regarding the provincial subjects. In this connection, reciprocity has to be related:-

(1) to the size and reputation of our institutions;

and (2) to the number of foreign students in the Province comparatively with Madras students in other Provinces.

It will perhaps be found that on the first ground, we stand to lose while on the second ground, considering the large number of Madrasi employees in other Provinces, we may stand to gain. It is also possible for us to assume that foreign students if placed at a level with ours on grounds of merit, are likely to lose both in this Province and abroad. If these considerations are accepted, we can modify our previous stand and agree that children of the officers of the Govt. of India employed in this Province can be admitted so long as they belong to provinces with whom we have reciprocal arrangements.

SECRETARIAT, EDN. AND P.H. DEPT. 19 DEC 1949 GOVERNMENT OF MADRAS

C.S.

I think it difficult to come to any conclusions regarding reciprocal arrangements.

A reply may go as suggested by Addl. Secy Edn
