Sir,

Sub: Establishment - Education - Secondary - Board Secondary
Schools - Teaching Staff - Adoption of Government
scales of pay - Sanction - Requested -
Ref: G.O.Ms. No.1057 Education dated 8-4-1949 -

I enclose herewith a copy of the Special Officer's Proceedings
No.206 dated 4-9-1949 sanctioning the adoption of the Government scale
of pay for the teaching staff in the Board secondary schools for favour
of approval.

By giving effect to the Government scale of pay to the
teaching staff in the Board Secondary Schools, it will cost the Board
an extra expenditure of not less than Rs.17100/- per annum. The
financial position of the Board is as follows:--

	Rs.
Opening balance on 1-4-49	3,71,086
Less amount outstanding advance	90,117
Budgetted Receipts	2,80,969
	11,26,720
Budgetted Expenditure	14,07,689
	11,54,230
Expected closing balance on 31-3-50 and Opening Balance on 1-4-50.	2,53,459

Besides, the Board has to incur an expenditure of about
6,00,000 for incomplete works and works sanctioned but not started
under "Communication". Further the Board has opened 6 secondary schools
in this year. The Girls' High School at Madurantakam was also
taken under the management of the Board with effect from 15-7-49 as
per G.O.Ms.No.2247 Education dated 12-7-49.

In view of the heavy expenditure and considering the closing
balance it will be difficult to meet the extra cost by giving effect
to the Government scales of pay to the teaching staff in the Board
Secondary Schools. If it is not given effect to, the existing members
of the staff will be discontented and most of the posts now vacant for
want of qualified hands will not be filled up as there is difference
in the scales of pay between the Government and the District Board.

It is therefore requested that the Government may be pleased
to take into account the extra cost involved while assessing teaching
grants.

Schools Secondary District Board - Chingleput- Adoption
of Govt scales of pay for teachers in secondary schools

From the S.O, Dt Bd Chingleput, No 9098/49 A-5 dated 9-9-49

From the D.P.I, R.C.No 1055 G1/49 dated 6-10-49

The Dt Bd Chingleput has resolved to adopt the
Govt scales of pay for teachers in secondary schools
with reference to the orders in G.O. No 1057 dated 8-4-49.

The S.O. while forwarding the resolution of the Dt Bd
states that the Dt Bd will have to incur an additional
expenditure of not less than Rs 17,100 per annum on
account of the adoption of the Govt scales and that in
view of the heavy recurring and non-recurring expenditure
which the Dt Bd has to incur requests that the expenditure
may be taken into account in assessing the teaching grant.

2. The Govt have already decided in G.O. No 1057
Edn dated 8-4-49 that the expenditure should not be taken
into account for purposes of assessment of teaching grant
and that permission to adopt the Govt scales of pay
should be given only in those cases where the local
bodies concerned are willing to meet the entire extra
cost from their funds and the financial position of the
local body would permit the incurring of the additional
expenditure. The D.P.I. has proposed in connection
with Part II schemes for 1950-51 that the expenditure
should be taken into account for purposes of teaching
grant, but in the present financial stringency it is
doubtful whether the proposal will materialise.

3. The L.A. Department may be consulted u.o. whether
the financial position of the Dt Bd will permit the
incurring of the additional expenditure- As it is reported
that several posts are lying vacant, it would seem advisable
to permit the Dt Bd to adopt the Govt scales of pay to
the teachers in the secondary schools. If as stated the

The Ely Edu Fund

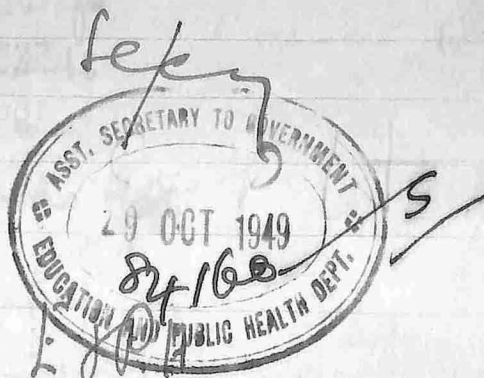

of the Dt Bd is working at a deficit of Rs 4 lakhs

The E.E. Acc't is working at a deficit of Rs 4 lakhs. The surplus under the E.E. Acc't will not be of much help to wipe off the deficit under E.E. Acc't

Any surplus in the General Fund should be applied to meet a portion of the deficit in the Ely Edu Fd. The proposal in this case may be deferred till the Dt Bd is able to balance its genl and Ely Edu budgets without Govt grants for payment of dearness allowance.

with reference to the minutes of M (En) above, attention is solicited to G.O. no 1057 En of 8-4-49 in which the Govt have already informed local bodies that they would be allowed to adopt the Govt scales of pay only if they could meet the entire extra expenditure involved from their own funds and the extra expenditure would not be taken into account in assessing the teaching grant. This has been made clear in the note on the basis of which the resolution on p 2 of was passed. It seems therefore unnecessary to ask the Dt Bd as suggested by M (En) in his minutes above
