Sir,

I have the honour to state that the following endowment funds were instituted in the College of Engineering Guindy, and the Government Arts College, Mangalore and that they are now in the custody of the Reserve Bank of India, Madras.

Name of Fund.	Amount.
1. Roger Prize Endowment Fund	Rs.850/-.
2. Yates Prize Endowment Fund	Rs.350/-.

The Roger Prize Endowment Fund was accepted in Government Order No.206, Finance dated 29th March 1889 and the Government Order in which the other endowment was accepted is not available even with the Curator Madras Record Offi

The sums of Rs.850/- and Rs.350/- referred to above were invested in 3½% Government Securities ~~mer~~ originally. These 3½% securities were converted into 3% conversion loan of 1946 of Rs.800/- and Rs.300/- leaving a cash belance of Rs.50/- in each of the funds. The Manager, Reserve Bank of India wanted that the cash balances should be ~~de~~ drawn from the bank. As such balances cannot be kept with the administrators of the funds, it is suggested that these securities should be vested with the Treasurer of Charitable Endowments so that the cash balances may be held by him.

In view of the above, I request that Government may kindly issue orders for the transfer of the above securities and the cash balance of Rs.50/- in each of the two funds referred to above from the ~~custory~~ custody of the Manger, Reserve Bank of India, Madras, to the Treasurer of Charitable Endowments so as to enable the later to operate on the funds, as in the case of other endowment funds which are under this control.

The Yate's Prize appears to have been founded in the St. Aloysius College, Mangalore, in 1927 or 1928. It is mentioned for the first time in the University Calendar for 1927-28. No paper could, however, be traced among the records relating to this prize in spite of a very careful search. With this information the file may be returned to the Education and Public Health Department.

Returned.

It is reported by the Director of Public Instruction in his above letter, that the funds previously invested in the 3½ per cent. Government of India Securities have been re-invested in the 3 per cent. conversion loan of 1946 on the discharge of the former loan by the Government of India and that a cash balance of Rs.50/- in each fund has been left uninvested. He has requested the Government to have the funds vested in the Treasurer of Charitable Endowments as a cash balance has now/been left in the two endowments. As, under the instructions under Rule 8 of the Madras Treasury Rules, the administrators may keep such amounts in deposit in the Post Office Savings Bank, it is not necessary to have the funds vested in the Treasurer of Charitable Endowments for this reason alone. The vesting of endowment funds under the Charitable Endowments Act can, however, be done at the discretion of Government and before doing so, it may be considered whether the number of funds so vested should be increased with petty endowments of this kind.

Part I of the draft notification: It is seen from the letter of the D.P.I. at pages 1 and 2 c.f. that the security and cash balance are now in the custody of the Manager, Reserve Bank of India. It is not therefore clear how the securities and money (can be) said to be in the hands of the Accountant-General, Madras, as stated in portion marked A of the draft.

Part II of thenotification: Clauses 1 to 3 of the scheme may be re-numbered as clauses 3 to 5 respectively and the following placed as clauses 1 and 2,namely:

"1. The Fund shall be called the Yates Memorial Prize Fund.

Principal Govt Arts College, Mangalore

2. It shall be administered by the * . . . . "

Clause 2 (renumbered (4)): It is presumed that the prize is to be awarded to a student in the Junior Intermediate class. If this is correct, the clause may be recast as follows:-

"4. The prize shall be awarded to that poor and deserving student of the Junior Intermediate class of the Government College, Mangalore, who appeared for the S.S.L.C. With reference to Government Memorandum No.95360A/40-5 Education dated 28-8-1950, I am to state as follows:-

In G.O Ms.451 Firka dated 7-5-49 Government have directed that the Treasurer of Charitable Endowments, Madras shall be divested of all endowments which fetch an annual income of Rs.10/- and less. It was not, therefore, possible for this office to take any action on the orders issued by Government subsequently in G.O No.3611 Edn dated 23-11-49, vesting the funds of the above endowment in the Treasurer. The securities for Rs.300/- mentioned in the vesting order have not also been received in this office from the Reserve Bank till now.

M
32 cf.

p 26 ante

As required in Government memorandum dated 28-8-1950 referred to above, the G.P notes for Rs.300/- are received in this office and sent to the Principal of the Government College, Mangalore duly endorsed in his favour, it will not, however, be possible for the Principal

- 2 -

to draw interest on the Note, as he is not one of the officers authorised to hold securities as per appendix III of the Government securities Manual. The G.P notes will have to be endorsed in favour of the Reserve Bank only, in view of the recent orders issued by Government in Rural Welfare Department in Memorandum No.37334RW(V)/50-2 dated the 24th August 1950.

In the circumstances, I request that orders in G.O No.3611 Edn dated 23-11-49 may kindly be cancelled and instructions issued to Reserve Bank to continue to keep the funds of the above endowment with them.

Roc. 1271 E3/46 dated 24-10-50.

Sub: Endowments - Government College, Mangalore - Yates Memorial Prize Fund.
Ref: Government Endt. No. 95360.A/49-6 G. dated 22.9.50

It does not appear necessary to cancel the orders in G.O. No. 3611 Edn. dated 23.11.49. I suggest that it would be sufficient if Government issue orders to the effect that the securities relating to the Fund are retained by the Reserve Bank with reference to the general orders in Government Memorandum No. 37334 V.2/50 dated 24.8.50 communicated in the Education Department Memorandum No. 15682.F/50-5 Edn. dated 29.9.50.

2. The securities relating to this fund noted under schedule to the Notification amount to Rs.300/- invested in the 3% 1946 loan. There is also a cash amount of Rs.50/-. In addition to this interest payment orders to the value of Rs.50/- and Rs. 4/8/- are pending reliasation. If the cash including the value of 2 interest payment orders is invested in similar securities, the securities in this fund would earn an annual income of Rs.12/- in which case the Accountant General will have no objection to keep with him the securities.

I therefore request that Government may be pleased to pass suitable orders in the matter.

The Accountant General, Madras states that the amount of the two payment orders for Rs.50/- and Rs.4-8-0/- have been realised and credited to Government account under the Head "Civil deposits" - Trust interest fund - Charitable endowments - State". Then in his letter No. T.C.E./42/49/52/907 dated 12-9-51 he has informed [illegible] that as the amount of Rs. 54-8-0 being the value of those payment orders is less than Rs. 100/- no investment in Government securities is possible and requested that in the circumstances, orders of Government might be obtained for the divestment from the T.C.E. of the security of 3% conversion loan of 1946 for Rs. 300/- held in the custody of the Accountant General on account of the endowment as the interest realisable thereon would be less than Rs. 10/- per annum.

Except the sum of Rs.54-8-0 covered by the two payment orders referred to in the letter of the Director of Public Instruction, Madras, communicated with the Government Endorsement cited, no other cash balance has been credited to the account relating to the Endowment. Apparently, the payment order for Rs.50/- relates to the cash balance due to be credited to the Endowment. Since the Accountant-General has stated that the annual income of the fund in the shape of interest realizable on the secur of the 3% conversion Loan ~~from Rs~~ for Rs.300/- will be less th Rs.10/- and that not even one additional security can be bou with the available cash balance of Rs.54-8-0, I have requeste the Government to divest the fund from the Treasurer of Charitable Endowments, as suggested by the Accountant-Genera himself. Now in his letter T.C.E.No.120 dated 19-5-52 the Examiner of Local Fund Accounts states that the cash balance is Rs.59/-, the excess sum of Rs.4-8-0 presumably representin the latest half year's interest on the security of Rs.300/-. In the Memorandum cited above, the securities relating to the above Endowment have been ordered to be forwarded to the Reserve Bank of India, Madras duly endorsed in their favour with instructions to pay the interest to the Administrators from time to time. In G.O.Ms.No.772, Finance., dated the 9th July 1951, Principals of Government schools and colleges were included in the list of officers authorized to hold securities in the name of their offices. As the Principal, Government Arts College, Mangalore, who is the administrator can hold the securities relating to the endowment it is for consideration whether the securities may not be returned to him instead of the Reserve Bank of India.

2. A spare copy of G.O.No.772 Finance dated 9-7-1951 is put up at flag (R) as required by Edn. The Principal, Government Arts College, Mangalore, is one of the officers empowered to hold Government securities in the name of his office. The facility of holding a Government security by a Government Officer in the name of his office (by designation) is that there need be no fresh endorsement on the security with each change of incumbency of the officer. The safe custody of the security by the Reserve Bank is a different matter. If the Principal, Government Arts College, Mangalore is to retain the security with him, as suggested by the Treasurer, Charitable Endowments, then he should make his own arrangements for the collection of interest thereon. If the Reserve Bank holds the security in safe custody on his behalf, the bank will arrange to collect the interest on the security as and when it accrues and remit it to him.

M on p. 1 above

It was in this view the orders (in para 2 of Memorandum No.95360/G/49-17 Education dated 28-11-1952) were issued that the security might be sent to the Reserve Bank duly endorsed in their favour with instructions to collect the interest and pay it to the administrators from time to time. Education may inform the Treasurer, Charitable Endowments of the above position and ask him to endorse the security in favour of the Principal Government Arts College, Mangalore, who will again re-endorse it to the Reserve Bank of India with instructions for collecting the interest and remitting it to him.

If the Principal, Govt. But if the Reserve Bank holds the security in safe custody on his behalf, the bank will arrange to collect the interest on the Security as and when it accrues and remit it to him. The Treasurer, Charitable Endowments is therefore requested
