Sir,

Sub: Education - Financial assistance to non-muslim
Refugee students and trainees from Pakistan
- Loan Scheme - Further loan to Sri Om Lutt
Gulati on his personal security.

80201

I have the honour to request you to let me know whether
a further loan i.e. a second loan can be sanctioned to one
Sri Om Dutt Gulati, a refugee student from Pakistan, now
reading in the 4th year M.B.B.S. class of the Stanley
Medical College, Royapuram, under the circumstances explained
below:--

2/p rich

Sri Om Dutt Gulati applied for a loan during last
year 1948-49 but his application was not signed by his parent
or guardian. A loan of Rs.1406/- was however sanctioned
to him and the Principal, Stanley Medical College was requested
to draw and disburse the amount of loan to him as soon as
possible "after the satisfactory execution of the bonds on
the stamped paper prescribed by the Government Solicitor".
vide para 4 of my Proceedings Roc.No.268-W1/48 dated 30-12-48
copy already submitted to Government. Accordingly the
Principal obtained the enclosed bonds which have been
signed both by the student and his guardian Sri Ganesh Doss
Chaudhry, Rationing Officer, Subji, Mandi, Delhi. The
refugee student now applied for a further loan for the year
1949-50. As per the latest instructions contained in Govern-
ment of India, Ministry of Relief and Rehabilitation,
New Delhi letter No.RL.2.(1.J)/48 dated 28-12-1948 communi-
cated with Government Endorsement No.67453 G2/48-7 Wn.,
dated 16-3-1949 the applications for loans should be made
only by the parent or guardian of the students. His applica-
tion was not made by his guardian and he was therefore requ-
ed to get his application properly signed.

The candidate did not however obtain the signature of a surety but requests that he may be given a loan on his own surety - vide Copy of his reply dated NIL furnished herewith together with his original letters dated 23-8-49 and 14-9-49 submitted for perusal and return. In his letters he does not however explain why he cannot ask the same surety to help him this ~~this~~ year also. Under the existing rules he cannot be given a loan on his own surety. The Principal, Stanley Medical College recommends the request of the student and I have therefore to submit his case for the orders of Government.

The D.P.I.,
MADRAS.

Sir,

Craving your pardon I wish to place before you the following few lines for your sympathetic consideration and favourable orders.

I introduce myself to you, Sir, as the eldest son of a well known, but late Doctor in West Punjab. The pangs of communal tyranny had not spared our family and on 6th September, 1947 my parents and all their eight children were stabbed severely. My parents succumbed to the stab wounds whereas unfortunately we all survived them. The situation becomes much gloomy when I think that I happen to be the eldest of the lot studying here for medicine and having left the other brothers/sisters back at Delhi to the care of Nature.

Due to the unconscious state we were in for three days after the disastrous stabbing and the mounting threat for life even, we could not bring with us even the clothes to change and so there is nothing to speak about the valuable things of ours. Regarding the immovable property it is obvious to every one that it will not be compensated in the imaginable future.

In the above circumstances may I appeal to your generosity, Sir, that I may be allowed a substantial loan to continue my studies without any breakdown.

I may be allowed to bring to your notice here that the Govt. of Madras has cut such loans given to the Refugee Students by Rs.350/- per year (i.e.) from Rs.14,00/- to 10,50/-. This cut has come to me as a shock and I am facing a disastrous breakdown very soon.

That I am entitled for sufficient grant, can be summed up as under:-

- (1) I am a Refugee.
- (2) I, being the eldest son of a big family as pointed out in para 2 above, am not in a position to look up for help from any other source above me.
- (3) The East Punjab Govt. is giving the loan of Rs.14,50/- per year in their such scheme to help the displaced students.
- (4) Having served to the Punjab Govt. faithfully, my father died in the hands of the unruly mob and left us, the children, to fight our way out in this wide world. Even the General Provident Fund of my father is not yet settled and our applications to different people including the Premier of India are yet pending consideration.
- (5) I cannot be going on borrowing both from the Govt. and from the public to execute my studies. Already I am over burdened with my commitments for my younger brothers' and sisters' educational and other essential expenses.

I would be much obliged and ever grateful to you and the Govt. if my case is considered as a special one and the

contd-----

original grant of Rs.14,00/- per year atleast is allowed to me. With tears in my eyes and the sorrowness down from my belly, thinking of the days of my life and that of my unfortunate brothers and sisters while our parents lived, I once again appeal to your kindness and sympathy. In the name of the country I shall pledge to you that I am bound for all the good that Govt. has done and condescended to do.

Thanking you and expecting for early and favourable orders.

Yours faithfully,

Sir,

Most humbly and respectfully I
beg to say that I sent you an
application requesting you to increase
the loan in my case taking me
as a case of hardship. I fully explained
my position in that application. But
somehow that application was misunder-
stood and taken as a part of
the general request to enhance the
maintenance allowances etc. Therefore
it was rejected along with the
other applications.
According to the information received
from you the Government can
examine individual cases of hardship.
I am therefore sending my application
again under the above category.
I may be allowed to add that
I have borrowed about 450/-
from my friends during this year,
and it has become a humiliating

107
 job for me to go on borrowing money
 any further. I have been suffering a
 lot due to many factors and one more
 factor has been added. I don't know
 when this indecision and indifference
 on the part of the Government will be
 over and when my case will be
 settled. I have sent about two dozens
 of applications some to Delhi Govt,
 some to E. P. Govt and some to
 Madras Govt but all have fallen
 on deaf ears.

I request you therefore, Sir, to settle
 my case as early as possible.

I am attaching the original application
 herewith.

Thanking you in anticipation.

yours obediently,

From the D.P.I. No. 1240 w/49 d. 11.10.49. 14

In his letter on p 1-2 of, the D.P.I. has
reported to Govt. that Sri Gm Dutt Gulati, a
4th year refugee student of the Stanley
Medical College, has applied for a loan
for 1949-50, on his own surety. The Principal
of Stanley Medl. College has recommended
this case.

It is stated that a loan of Rs 1406/-
has been sanctioned to him during 48-49, on
his application, after obtaining bonds duly
signed by his guardian Sri S.D. Chaudry, Rationing
Officer, Subsimandi, Delhi. In the present application
it is stated that the old guardian has refused
to stand as surety and sign his application
for reasons not known. According to the instructions
of Govt of India such applications for loans
should be made only either by the parent
or guardian on behalf of the refugee
student in question. Under the existing rules
the student is not eligible for a loan
on his own surety. The D.P.I. also does not
recommend this case.

The D.P.I.'s view that a loan,
under the present rules, cannot be given
to this student on his own surety, may
be approved/accepted -

For orders.

The matter may be referred to the
Govt. of India for orders.
