O R D E R:

In G.O. No. 2589 Education, dated 16th August 1949, it was ordered that credit need not be given to individual offices for the cost of waste paper supplied by them to the Andhra Paper Mills and that it was enough if the credit was passed on at the end of the financial year for the entire supply of waste paper to the Mills.

2. It is now reported by the Special Officer, Andhra Paper Mills, that contrary to the instructions issued in paragraph (5) of the appendix to G.O. No. 424 Finance, dated 28th April 1949, several offices are claiming incidental charges for such items, as (i) tearing up the records (ii) packing them in gunny bags, etc. He has also reported instances showing wide disparities in the amount of incidental charges claimed.

3. The Government direct that tearing up of records need not be done by the offices as the papers are effectively destroyed in the process at the Mills and that a uniform rate of three annas per bag of waste paper may be fixed towards packing charges and that these incidental charges plus the actual cost of gunnies necessary may be met by the respective offices from their office contingencies. The Government also direct that the sale price fixed at Rs. 160/- per ton for the supply of waste paper to the Andhra Paper Mills, Rajahmundry be considered in future to include all these incidental charges.
