There are at present 26 substantive vacancies in the categories of Professors and Lecturers in the Men's Branch of the Collegiate Section of the Madras Educational Service. I submit the following proposals for the transfers of lien and confirmation of certain Officers in the Chemistry, Mathematics and Sanskrit units.

2. Chemistry Unit: There are two substantive vacancies in the Chemistry Unit of the Madras Educational Service.

(Substantively vacant with effect from 1-3-1948, the date on which the I.E.S. post was relegated to the M.E.S. consequent on the cessation of the lien of Dr.B.B.Dey)

Note:- The period of re-employment granted to Dr.B.B. Dey expired on 31-10-45 and he proceeded on leave. The vacancy for purposes of recruitment was taken as having occurred on 1-11-45 and accordingly it was reserved for direct recruitment of a War Service Candidate.

In their Endorsement No.27296 A.14 Edn., dated 4-11-1947 the Government have accepted my recommendation for the de-reservation of ^{one of} the above two vacancies. I recommend that the first vacancy may be reserved for the confirmation of the direct recruit with war service. The second vacan

He was declared to have satisfactorily completed his probation in category 5 of Class III of the Madras Educational Service on the afternoon of 1st July 1945.--Vide G.O. Ms. No. 1457 Edn., dated 18th September 1945. I recommend that the lien of Sri M.V. G.O.(MS.) No. _____ Edn., dated _____

The post of Prof. of Sansk. in the Presy.College, Madras, fell vacant from 17-11-45 and it was reserved to be filled by direct recruitment, by a war-service candidate. Pending the appt. of a war service candidate, Dr. A.Sankaran, ^{Inspector} ~~Supdt.~~ of ^{Oriental} ~~Sansk.~~ Schools, has been offg. in the post, having been apptd. to it under rule 2(c) of the Spl. Rules for the M.E.S. Subsequently, in Novr.1947, the Govt. decided to dereserve the vacancy and fill it substantively by the confirmation of Dr.Sankaran - so that the post of ^{Inspector} ~~Supdt.~~ of ^{Oriental} ~~Sansk.~~ Schools might be available to the transferee-officer who had been offg. therein since July 1942 and had also completed his probation and who would otherwise have no chance of confirmation, viz., Sri T.S.Balasubramania Ayyar.

The vacancy in the Prof.'s post is the first vacancy in the Sansk. unit and it can be filled either by direct recruitment or by recruitment by transfer, without rule 2(e) of the Special Rules for the M.E.S. being relaxed. But, Dr.Sankaran's confirmation therein cannot be by recruitment by transfer since, as stated above, he was merely 'transferred' to the post; rule 2(e) of the Spl. Rules and other relevant rules have therefore to be relaxed in his favour.

With a view to the confirmation of Sri Balasubramania Ayyar as ^{Inspector} ~~Supdt.~~ of ^{Oriental} ~~Sansk.~~ Schools, rule 2(d) of the Spl. Rules and other relevant rules have to be relaxed.

H.E. the Governor of Madras accordingly directs, under section 241(5) of the G. of I. Act, 1935, that the provns. of rule 5(a) and 25(d) of the General Rules for the ^{Madras} ~~Prov.~~ and Sub. Services and of rule 2(e) of the Spl. Rules for the M.E.S. be relaxed in favour of Dr.

The S.S.I. may be informed that the Govt. consider that the proposals made in the refces. cited shd. be deferred now and shd. be taken up again only after the Committee constituted in connection with the re-organization of the Presy. College makes its recommendations about the qualms. to be laid down for the Profs. in that College. He may be requested to renew the proposals in due course after examining whether officers to be substantively appd. fulfil the stds. to be laid down by the Committee.

From the D.P.I., No.52/48, d/- 26-6-48 and 24-9-48.
 From the A.G., No.G.IV,Edn.338, dated 16-8-48.

M.E.S. - Collegiate Section - Confirmation
 of certain officers.

1. Under rule 2(e) of the Spl.Rules for the M.E.S.,
 subst. vacancies arising in each subject-unit of the Collegiate
 Secn. ^{of the Service} shd. be filled or reserved to be filled ^{alternately} ~~alternately~~ by
 direct recruitment and by ^{recruitment by} transfer (i.e., promotion) from the
 Subordinate Service.

2. When the M.C.S. (War Service Personnel) Recruit-
 ment Rules were in force, most of the posts which should be fill-
 ed by direct recruitment were reserved for candidates who had
 rendered war service. ^{3.} Subsequently, the Govt. (Pub.Dept.)
 ordered that, roughly, only 66 2/3 % of the ^{war-reserved} vacancies ~~reserved~~
 need be filled by war candidates and that the remaining 33 1/3 %
 shd. be made available for civilians. If this order was given
 effect to, as it was, in the M.E.S., the benefit of the ^{33 1/3 %} de-
 reserved vacancies would go to 'outsiders', i.e., non-deptl. men
 who need not necessarily have rendered war service. And, deptl.
 men ~~who were~~ (permanent members of the Sub.Service) ~~and~~ who had
 been offg. in the MES for a long time could not be apptd. in
 the vacancies. The reason is that the vacancies shd., accg. to
 the order of rotation, ~~go~~ ^{go, not to} transferees, but to direct
 recruits. But, at pp.117-119 read with pp.26-27 of "Q", the
 Govt. decided that the ~~de~~reservation of certain vacancies ^{in the Service} shd.
 be ^{made} to enable the permanent appt. of transferees and that, to
 that end, rule 2(e) mentioned above shd. be relaxed.

4. W.r.t. that decision, the D.P.I. has now sent up
 proposals for the confirmation of 'promotees' in the ~~de~~reserved
 vacancies in the Chemistry, Sanskrit and Maths. units.

26

5. Chemistry
Maths. Unit:

2 vacancies stood reserved for war service candidates -⁽¹⁾ Addl. Prof. and Prof., Presy. College. One was de-reserved. The D.P.I. considers (1) that the de-reserved vacancy may be that in the ~~Addl~~ Prof.'s post, and (2) that the ~~Prof.'s~~ post may be made available for the seniormost transferee, Sri L. Narasimham. ^{He also suggests} but that the lien of Sri M.V. Sitaraman, permanent Lecturer, Palghat College, may be transferred to the Prof.'s post in which he is has been offg. ^{cf. 2} Sri Narasimham's confirmation in the The relaxation ^{of the rule} shd. be in favour of Sri Narasimham who is the officer to be confirmed; but in the same order transfers of lien ^{suggested by the Dir.} can also be effected. A draft order ^(Draft I) accepting the Dir.'s recommendation by relaxing the provns. of ^{Special} ~~General~~ Rule 2(e) and other relevant General Rules is subd.

6. Sanskrit Unit: Only one vacancy exists in this unit - Prof., Presy. College, Madras. This is the first vacancy and therefore the rotation can be begun either with direct recruitment ^{with} or transfer. ^{that war candidates shd. be given as much benefit as possible to the vacancy} But for the reason that, if ~~it~~ was reserved for direct recruitment, a war service candidate could be apptd. to it, it was so reserved. Pending the appt. of a war candidate, Dr. A. Sankaran, permanent Supdt. of Sansk. Schools in the Adminis- trative Secn., has been offg. therein. The ^{subsequent} decision to ^{de-} reserve vacancies ^{for the benefit of transferees, mentioned on p. 1 rule,} ~~refd. to above~~ covers this post also. The object of the de-reservation in this case was to transfer the lien of Dr. A. Sankaran from the post of Supdt. to this post and to make available the Supdt.'s post to the transferee-officer, Sri T.S. Balasubramania Ayyar, who had been offg. ^{as Supdt.} since 1942. The DPI has now sent his proposals accordingly.

For the transfer ^{of} Dr. Sankaran and ^{for} the confirmation of Sri Balasubramania Ayyar, relaxations of rules are necy. // Accg. to Spl. Rule 2(e), only a person who ^{has been} recruited direct or recruited by transfer can be ^{offg. substantively to} confirmed in the ~~Ex~~ Prof.'s post. There is no provn. under which the post can be filled

substantively by any other method. Dr. Sankaran was not recruited by transfer from the Subordinate Service to the Prof.'s post — but was merely 'transferred' from the Administrative Secn. under Special Rule 2(c). ^{BK. 113} Therefore, ~~xxx~~ Spl. Rule 2(e) has to be relaxed in his favour.

Ordinarily, the method of filling the vacancy in the post of Supdt. of Sansk. Schools has to be decided w.r.t. Spl. Rule 2(d) ^{since the post} ~~as it is being held~~ borne on the Administrative Secn. of the MES. That rule is to the effect that, out of every four subst. vacancies arising in the Admn. Section, two shd. go to direct recruits and two to transferees. If that rule is applied and if the Supdt.'s vacancy arising on Dr. Sankaran's confirmation as Professor turns ^{out} to be a direct-recruit vacancy, Sri Balasubramania Ayyar cannot be apptd. to it. If it turns

out to be a transferee vacancy, its allotment to Sri Balasubramania Ayyar would affect the no. of vacancies available to other transferees in the Administrative Secn.; ~~and that~~ ^{particular} result would not be fair, ^{one} considering the manner in which the vacancy which is ^(Prof.'s post) in the Collegiate Secn. is proposed to be shifted to the Administrative Secn. The best way is to take the vacancy out of the scope of Spl. Rule 2(d) by relaxing ~~that~~ rule and other relevant rules in the Genl. Rules. A draft order on these lines is subd. (Draft. II).

7. Mathematics Unit:

2 vacancies in this unit stood reserved for war service candidates. One was subsequently de-reserved. The DPI recommends that the Lecturer's post in the Guindy Engg. College may be taken as the de-reserved vacancy and that Sri G. Ramachandra Ayyar who is the seniormost approved probationer among the transferees may be confirmed. The recommendation may be accepted. This post is not one of the posts mentioned in

4 28
Spl. Rule 2(e) ^{this} but is included in the Prof. Secn. (of the MBS) - *Class V*
to which the rule does not apply. It can therefore be ~~filled~~
either by direct recruitment or by transfer. No relaxation of
rules is involved.

The Dir. may however, be asked to consider the qn. of bring-
ing the post within the scope of Spl. Rule 2(e) for purposes of
future calculations and report. // A draft order is subd. (*orig. III*)

The Dir. has also proposed the confirmation of 2 other
officers, Sri P. Krishnamacharya and Sri S. Mahadeva Ayyar, in
subsequent vacancies that have normally to be filled by recruit-
ment by transfer. ^{cc 2-3} But there is the follg. difficulty in accepting
the proposal. At the time of reserving the vacancy in the
Guindy College as for ^{the} direct recruitment of a war service candi-
date, the D.P.I. mentioned ^{it as} ~~as only~~ the vacancy that would arise
consequent on the retirement of a particular officer - Sri P.P.
Sankaran Nambiar - and did not mention it as one occurring in
the Guindy College Professional Section. It was therefore
included in the entire Maths. group of the Collegiate Section and
the methods of appt. to subsequent vacancies were decided on the
basis that that post was to be filled by direct recruitment. Now,
when the post has to be left out of the group, the methods for
subsequent vacancies get altered. The two officers refd. to above

cannot be confirmed in the vacancies suggested by the Dir. but
^{can be confirmed} in different ones. It is proposed, in paras 4 and 5 of the draft (*III*),
to ascertain some details from the D.P.I. and the A.G. in respect
of this point.

8. Pub. (Ser.) may see. The file will be circd. to H.M. (Edn.)
and H.Pr. on return from Pub. Copies of the relaxation orders
will be sent to the MPSC.

2. The vacancies in the Chemistry and the Mathe-
matics units originally reserved for war service candi-
dates arose on the following dates:-

Chemistry unit.	Addl Professor of Chemistry, Presidency College.	= 21-4-43
	Professor of Chemistry Presidency College	= 1-3-48
Mathematics unit.	Lecturer in Mathematics,	= 18-5-43.
	" Eng. College,	= 15-2-46

There is no objection to the earlier vacancies in
each unit being de-reserved and allotted to civilians.
But E & PH propose to allot only the latter vacancies
to civilians. It is presumed that this has been done
deliberately.

3. A on p. 3 of C.F. The vacancy is stated to
have arisen on 28.12.1944. E & PH may
be requested to state whether it was or
included in the pool of reserved vacancies.

Para 2 of Pub. (Ser.)'s note above: When the
D.P.I. has specifically recommended the de-reservation
of only the later vacancies (N and P at pp. 1-3 C.F.),
he shd. have considered the desirability of de-reserving
the first vacancies also and there shd. be some reason
for his recommendation. Refce. of the point back to
him seems unnecessary as it would involve delay in the
disposal of the case.

2. Para 3 above: Dr. Saveer who had his lien
on the post of Lecturer in Maths. Govt. College, Kumba-
konam, was confirmed on 23-6-47, with retrospective

effect from 28-12-44. Thus, the vacancy, and the cause of action for filling the vacancy, actually arose only on 23-6-47 (i.e., after 31-3-47) and hence/was not reserved for a war service candidate. ^{the vacancy} Vide the notes at NF. 3 of No. 2433-ED, d/21.10.48.

3. May be sent to Pub. (Ser.).

This is for appointing somebody as Professor of Chemistry in the Presidency College. We have a scheme for reorganising the Presidency College on the research basis and we also appointed a Committee which will prescribe the qualifications of professors to be appointed to the Presidency College. In view of these proposals, I do not think we should make these appointments now as we will ^{have to consider this again} be engaged later when the Sir C.V. Raman Committee makes recommendations in this direction. I should like to keep all new appointments in the Presidency College in abeyance pending the receipt of the recommendations of the Committee which is expected

to be received in about a month.

H.V.

The present incumbents of the posts of Professors in the Presy. College, permanent and officiating, were recruited to the Service aggr. to the existing rules of qualifns. If the Expert Committee mentioned by H.M. (Edn.) recommends the revision of the qualifns. for the posts, the statutory service rules will have to be amended suitably. But, the new qualifns. cannot be applied to the present incumbents, to cover whose cases a special provn. will have to be made in rules. Either exemption from or time for further qualifying themselves will have to be granted to such of them as may not satisfy the new qualifns. Alternately, whenever vacancies occur in the non-Hons. colleges, they will have to be transferred to those vacancies.

2. Draft III below:-

In this, the confirmation, i.e., appointment on a substantive basis for purposes of counting service for pension, of Sri G. Ramachandra Ayyar, Lecturer in Math., is proposed to be ordered. The vacancy in which he is to be confirmed is in the Engg. College, Guindy. Hence, there can be no obj. to this confirmation.

In para 4 of the draft, the DPI's remarks about confirming 2 other officers are called for. One of those officers, Sri S. Mahadeva Ayyar, may have to be confirmed in a Prof.'s post in the Presy. College. But that ^{officer's} confirmation, if ordered after the Dir.'s remarks are recd., will not stand in the way of future recruitment to the post; for, he is due to retire with the end of the current college year.

This draft (III) may therefore be issued.

3. Draft I below:-

In this order, it is proposed to confirm a transferee in the vacancy in the post of Prof. of Chemistry,

Presy. College. So far, Professors' posts in the Presy. College and Lecturers' posts in other colleges have been regarded as constituting one group -- methods of recruitment, qualifs., etc., for both the sets of posts being the same; and transfers of officers, and of their liens, between them being common. Sri N.L. Narasimham has completed his probation as long ago as 1-7-45 and has been waiting since then for confirmation in the Chemistry Unit as a whole. Under General Rule ^{25(a)} ~~25~~, an approved probationer shd. be apptd. a full member at the earliest possible opportunity in any substantive vacancy which may exist or arise in the group of posts. To withhold Sri Narasimham's confirmation now, because new qualifs. are proposed to be prescribed for the Pof's. posts, would not be just - see para 1 above - and would not be in accord with the rule mentioned.

It may be added here that confirmations are just 'paper arrangements'; to illustrate, one who is confirmed in a Prof.'s post need not necessarily be working in that post and may act in a Lecturer's post ^{in a non-Hon. College} without prejudice to his lien remaining on the former. This kind of arrangement may be adopted, if necessary, for recruiting and confirming as Professors persons satisfying the new qualifs.. That is, about the Chemistry Prof.'s post, Sri Narasimham, while having his lien on the ~~Professorship~~, may be retained in an officiating capacity in a Lecturer's vacancy in any of the other colleges (actually, he is now in Rajahmundry); ^{when for the next time,} ~~when next~~ a Lecturer's post falls permanently vacant, his lien may be transferred to that post; ^{from the Professorship} the Prof.'s post will ^{thus} be vacant throughout - first temporarily and later substantively.

A Chief Prof.'s post in Chemistry in the Presy. College has been sanctd. in place of the Prof.'s post. (It has not been filled yet.) But that need not affect the present confirmation. The procedure mentioned at X above may be adopted in respect of Sri N.L. Narasimham.

The draft may therefore be issued. The main consideration in the matter is that changes which are yet to come shd. not stand in the way of vacancies, which already exist, being filled of by approved probationers.

4. Draft II:-

The proposal in this draft, however, may be deferred. For, there is only 1 post in the Sanskrit Unit of the M.E.S. - (viz., that -- Prof., Presy. College, Madras -- which is vacant and to which the transfer of Dr. A. Sankaran's lien from the post of Supdt. of Sansk. Schools, is suggested in the draft). Further, the qn. of converting the post into a Chief Prof.'s post is under separate consideration.

On account of dropping of the proposal, Dr. Sankaran will not be affected in the matter of his pension; he will continue to hold substantively the post of Sundt. of Sansk. Schools. Sri T.S. Balasubramania Ayyar need not be confirmed as Supdt. now. The DPI may be asked to put up the case again, in due course, if Dr. Sankaran's continuance as Prof./Ch. Prof. is settled in the affirmative.

5. The file may be re-circled with the recommendation that, in view of the foregoing, drafts I and III in the file may be issued along with the draft in L.F.

[Minutes at pp. 6-7 ante and notes following.]

I think my remarks in page 6 n.f. hold good. When we are taking up the question of the reorganisation of the Presidency College on research lines and appointed a Committee with Sir C.V. Raman as Chairman, nothing will be served in making these appointments without knowing as to what qualifications they will prescribe for these posts. Nothing is lost by postponing these permanent appointments for a few more months and that, I think, will be in the best interests of the institution.

G.P.R.

SA

The posts of Professors of Sanskrit and

Chemistry in the Presy. College (Drafts II and I), and also all the Principalships proposed to be filled substantively in L.F., may be kept vacant - as ordered by H.M.

But, as regards draft III, however, the confirmation of Sri G. Ramachandra Ayyar proposed therein is to be in a vacancy not in the Presy. College but in the Engg. College, Guindy. H.M.'s remarks will not apply to him. It is therefore presumed that H.M. has no objn. to this officer's confirmation.

Apart from the reason above, Sri Ramachandra Ayyar is due to retire in the course of this year and unless he is confirmed before his retirement, his pension will be very much less. This latter argument applies also to Sri S. Mahadeva Ayyar, about whose confirmation as Professor in the Presy. College the D.P.I.'s remarks are proposed to be invited in the same draft. For, that Lecturer is due to attain superannuation very shortly, and on 28-2-49, and he has been re-employed from that date until 4-4-49, the close of the Teachers' College, Saidapet for the summer vacation. His confirmation will not interfere with any arrangement for recruiting Profs. in the Presy. College on new lines. The file may be recired. to H.M. whether draft III alone may be issued.

U.O. No. CL. 48/48,

Dated 18th June, 1948.

Subject:- Madras Educational Service - Confirmations and
Transfers of lien - Collegiate Section - Men's
Branch.

45941

The following posts of Principals and Senior
Lecturers of Government Colleges are substantively vacant
at present.

Particulars of vacant post.

Date from
which vacant.

1. Principal & Senior Lecturer:
Government College, Kumbakonam: 28--12--1944.
(Consequent on the confirmation of
Dr. S.R.U. Savor as Director of
Public Instruction.)
2. Principal & Senior Lecturer:
Government Training College,
Rajahmundry: 16--2--1946.
(Consequent on the confirmation of
Sri T. Suryanarayana as Deputy Di-
rector of Public Instruction (Per-
sonnel), Madras.)
3. Principal & Senior Lecturer:
Government Arts College, Rajahmundry. 15--10--1947.
(Consequent on the cessation of the
lien of Sri C.D. Subrahmanya Chetti
on the Madras Educational Service)
4. Principal & Senior Lecturer:
Government Victoria College, Palghat. 31-12--1947.
(Consequent on the relegation of the
I.E.S. post to the Madras Educational
Service with effect from 31-12-1947
on Dr. Chakko's retirement and cessa-
tion of his lien on the post--Vide
G.O. No. 741 Edn., dated 1--4--1948).

The following Lecturers are officiating in the
category of Principals and Senior Lecturers and they may be
confirmed in the latter category in the following order with
effect from the date of issue of Government Orders.

1. Sri P. Narayana Gowd.
2. Sri K. Satyanarayana.
3. Sri K. Sankaran Unni Nair
4. Muhammad Ishaq Hashimi
Sahib Bahadur.

3. I recommend that Sri P. Narayana Gowd, Permanent Lecturer in Chemistry, Government Arts College, Rajahmundry and Officiating Principal & Senior Lecturer, Government Arts College, Anantapur, may be confirmed as Principal & Senior Lecturer, Government College, Kumbakonam, with effect from the date of Government Orders without prejudice to his present officiating appointment.

The lien of Sri P. Ramananda Rao, permanent Lecturer in Chemistry, Government College, Kumbakonam, may be shifted to the post of Lecturer in Chemistry, Government Arts College, Rajahmundry, without prejudice to his present officiating appointment as Officiating Additional Professor of Chemistry, Presidency College, Madras.

4. I recommend that Sri K. Satyanarayana, permanent Professor of Applied Mathematics and Officiating Principal and Senior Lecturer, Government Training College, Rajahmundry, may be confirmed in his present officiating post with effect from the date of Government orders. In this connection I may point out that Sri Dr. M. Karamchand Wade, Officiating Principal & Senior Lecturer, Government College, Kumbakonam, is senior to Sri K. Satyanarayana in the category of Principals & Senior Lecturers. But in view of the fact that he has been granted leave preparatory to retirement and in view of the various allegations against him I do not recommend his confirmation as Principal & Senior Lecturer.

If the Government are pleased to confirm Sri K. Satyanarayana as Principal & Senior Lecturer, Government Training College, Rajahmundry, the post of Professor of Applied Mathematics, Presidency College, Madras, may be left vacant and proposals for filling it substantively will be submitted separately.

5. Sri K. Sankaran Unni Nair, permanent Principal and Lecturer, Government College, Mangalore and Officiating Principal and Senior Lecturer, Government Victoria College, Palghat, may be confirmed in his present officiating post with effect from the date of Government orders. In this connection I may state that Sri D. Namasivayam, permanent Lecturer in Physical Science is senior to Sri K. Sankaran Unni Nair in the Madras Educational Service. Sri D. Namasivayam was originally promoted to the category of Principals & Senior Lecturers in G.O. No. Ms. 1799 Edn., dated 18th September 1946 but he has not so far officiated in the post of Principal & Senior Lecturer. I do not, therefore, recommend the confirmation of Sri D. Namasivayam in the existing vacancy in the post of Principal & Senior Lecturer.

If the Government are pleased to confirm Sri K. Sankaran Unni Nair as Principal and Senior Lecturer, the resultant vacancy in the post of Principal & Lecturer, Government College, Mangalore may be kept substantively vacant for the present.

6. The next Officer officiating in the category of Principals & Senior Lecturers is Muhammad Ishaq Hashimi Sahib Bahadur, now officiating as Principal of the Government College, Mangalore. I recommend that Muhammad Ishaq Hashimi Sahib Bahadur may be confirmed as Principal and Senior Lecturer, Government Arts College, Rajahmundry, with effect from the date of issue of Government orders, without prejudice to his present officiating appointment at Mangalore. It may here be pointed out that Sri A. Ramanatha Pillai who is junior to Muhammad Ishaq Hashimi Sahib Bahadur in the Madras Educational Service, has been officiating as Principal & Senior Lecturer, Government Arts College, Coimbatore, from a date earlier than either Sri K. Sankaran Unni Nair or Muhammad Ishaq Hashimi Sahib.

40
4.
But in view of the fact that the appointment of Sri A. Ramanatha Pillai as Principal and Senior Lecturer was ordered in G.O. No. Ms. 1651, Edn., dated 26-8-1946 under special circumstances, he cannot be considered for confirmation in the higher category earlier than his seniors in the service officiating as Principals and Senior Lecturers.

If the Government are pleased to accept the above recommendation for the confirmation of Muhammad Ishaq Hashimi Sahib Bahadur ^{an Principal & Sr. Lecturer in English, Mangalore} the resultant substantive vacancy in the post of Lecturer in English, Government Muslim College, Madras, may be left unfilled, pending the decision of Government ~~for~~ on the question of reduction of posts in the English Unit of the Madras Educational Service.

To: The Dy. D.P.I.

Ref:-Dir.'s No. C148/48, dated 18-6-48, re: Confirmations and transfers of liens of certain collegiate officers.

Information on the follg. points may please be sent:-

(1) The subject-units to which the substantive vacancies mentioned in the letter cited belong: it is presumed that three of them belong to the Maths. unit and the fourth to the History unit.

(2) Whether the officers proposed in the letter for confirmation in the ^{posts} ~~vacancies~~ ^{are in} belong to the respective subject units and, if not, what justification there is to confirm them ^{in those posts, thus "shifting"} ~~thus transferring~~ the vacancies to other units and eventually giving them benefit to persons qualified in other subjects;

CONFIDENTIAL.

The Director of Public Instruction, Madras.

The Secretary to Government,
Education and Public Health Department.

R.O. No.48/48 dated 20th Sept. 1948.

Sir,

Sub: Madras Edl. Service - Confirmations and transfers of liens of certain collegiate officers.
Ref: Confidential T.M. (by post) dated 27-7-1948 from the Asst. Secretary to Government addressed to the Dy. Director of Public Instruction.

The required information on the various points raised in the T.M. (by post) cited above, is submitted below:-

(1) The presumption contained in the first sub-paragraph of the T.M. (by post) is correct. Three of the vacancies of Principals and Senior Lecturers (viz., consequent on the retirements of Messrs. S.R.U. Savor, T. Suryanarayana and Dr. K.C. Chakko) belong to the Mathematics Unit, while the vacancy in the post of Principal and Senior Lecturer, Government Arts College, Rajahmundry (consequent on Sri C.D.S. Chetti's retirement) belongs to the History Unit.

(2) The officers proposed for confirmation in the posts of Principals are not all of them in the respective subject-units. The premise on which the query is based seems to be incorrect. It is assumed by Government that the person to be confirmed as Principal & Senior Lecturer of a college should belong to the same subject-unit as that to which the previous permanent Principal belonged. If this is accepted, then the permanent Principals of Kumbakonam and Palghat colleges and of the Training College, Rajahmundry should belong to Mathematics unit and the permanent Principal of the Government College, Rajahmundry should belong to History Unit only. The observation made in the T.M. cited above viz., that the confirmation as Principal of a person other than Mathematics unit at Kumbakonam, Palghat or Training College, Rajahmundry, will shift the benefit of the vacancy to other units is not correct. For instance, the post of Principal and Senior Lecturer in the Government College, Kumbakonam is substantively vacant from 28-12-1944. The subject-unit of the vacancy is Mathematics since Dr. Savor held the post of Principal and Senior Lecturer in Mathematics. If Sri P. Narayana Gowd, Lecturer in Chemistry, Government Arts College, Rajahmundry is confirmed as Principal and Senior Lecturer of the Kumbakonam College, he will actually be permanent in the post of Lecturer in Chemistry in the Government College, Kumbakonam. The lien of the permanent incumbent of the post of Lecturer in Chemistry in the Government College, Kumbakonam (viz., that of Sri P. Ramananda Rao) has to be transferred elsewhere. The post of Lecturer in Mathematics will still be vacant even after the confirmation of Mr. Gowd as Principal and Senior Lecturer in the Government College, Kumbakonam. It may, therefore, be seen that nothing will be lost to anybody.

(3)(i) & (ii): It is true that no material benefit accrues to the Lecturer officiating as Principal and Senior Lecturer if he is confirmed as Principal and Senior Lecturer. I think that this position should not mean that there is no need to confirm anybody as Principal and Senior Lecturer. It may be submitted that Principals and Senior Lecturers form a higher category than Lecturers or Professors and the confirmation of persons officiating as Principals and Senior Lecturers in that category will at least give such persons the satisfaction of being permanent Principals although no material benefit is derived by such confirmation. The posts of Principals are included in the selection category and all promotions to the posts of Principals are made on grounds of merit and ability.

P.T.O.

42-6
(3) (i) Whether any; and, if so, (ii) what; ~~special material~~ ^{transferred} benefit would accrue to Lecturers if their liens are shifted to posts of Principals and Senior Lecturers. If no benefit would accrue to them, ~~where is the necessity to disturb their liens?~~ ^{why the present arrangements should be changed?}

(4) As Sri P.N. Gowd has since ^{from service} retired, is it necessary to order the transfer of his lien now? para 3, p. ref

(4) Since no specific disciplinary action against Dr. M. Karamchand made on any of the "various" allegations has been taken, would it be correct to withhold his 'confirmation' as Principal and Senior Lecturer? para 4

(5) Sri D. Namasivayam now officiates as Principal, Govt. College, Kumbakonam. In virtue of that fact and of his seniority over M/s. K.S.U. Nair and Md. Ishaq Hashimi, is it not desirable to prefer him for 'confirmation'? para 5, p. ref

27/7/48

19.
28.7.48

44-8

Such being the case, I consider that it is not fair to deny confirmation to officiating persons in the posts of Principals. Moreover, the question of granting a separate scale of pay for Principals cannot be considered as having been given up altogether. If and when the Principals are placed on a separate scale of pay, the question of confirmation will assume greater importance.

(4) As Sri P. Narayana Gowd has since retired from service, the question of formal transferring his lien to a Principal's post need not be considered now. But, in modification of my proposal contained in paragraph 3 of my U.O.No.Cl.No.48/48 dated 18-6-1948, I recommend that Sri D. Namasivayam, permanent Lecturer in Physical Science, Teachers' College, Saidapet, and officiating Principal and Senior Lecturer (in Chemistry) may be confirmed in the latter post with effect from the date of Government orders. As a result, the lien of Sri P. Ramananda Rao, permanent Lecturer in Chemistry, Government College, Kumbakonam and Officiating Additional Professor of Chemistry, Presidency College, Madras, may be transferred to the post of Lecturer in Physical Science, Teachers' College, Saidapet, vice Sri D. Namasivayam, without prejudice to his (Sri P. Ramananda Rao's) present officiating appointment.

(5) Since Dr. M. Karamchand Wade was promoted as Principal and Senior Lecturer following the principles of 'selection' and as no specific disciplinary action has been taken against him, I recommend that in modification of the proposal contained in paragraph 6 of my U.O. note Cl.48/48 dated 18-6-48, Dr. M. Karamchand Wade, Principal, Govt. Brennen College, Tellicherry, may be confirmed as Principal and Senior Lecturer (in English) Government Arts College, Rajahmundry, with effect from the date of Government orders, without prejudice to his remaining on leave. My previous proposal for the confirmation of Md. Ishaq Hashimi Sahib Bahadur in the above post of Principal and Senior Lecturer is withdrawn.

Yours faithfully,

for Director of Public Instruction.

Sir,

I have been confirmed in M.E.S. as Professor of Pure
Mathematics, Presidency College, Madras, with effect from 21st
September 1948 and I have retired from 28th February 1949. I
get only about 5 months of permanent service in the M.E.S. In
order that my pension may not be affected I request that my acting
period in M.E.S. may be shown against posts reserved for a direct
recruit. At least the acting period from February 1946 may be
shown against such a vacancy.

Thanking you,

Yours faithfully,

From the D.P.I., No. 450-C1/49, d/- 12-4-49.

M.E.S. - Sri S. Mahadeva Ayyar - Counting for pension of certain period of service.

Former Lecturer Sri S. Mahadeva Ayyar's service in the M.E.S. counts for his pension during the following periods w.r.t. the rules and orders specifically in force:--

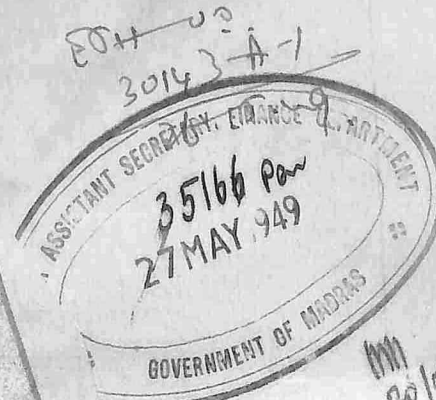

- (1) From 28-12-47 to 2-4-48 (Benefit of war-reserved vacancy that remained unfilled).
- (2) From 21-9-48 to 28-2-49 (Permanent service; the latter is the date of his rett.).

2. The D.P.I.'s proposal in his letter at C.F.2-3,

in short, is that the Govt. may specially direct that for ~~the~~ purposes of pension the benefit of a non-war reserved vacancy, to be filled by ordinary direct recruitment, but not yet so filled, be given to him for the periods mentioned below -- so that the Lecturer can have full 3 years' continuous service before his retirement:--

- (1) From 16-2-46 to 27-12-47.
- (2) From 3-4-48 to 20-9-48.

3. As, normally, Sri Mahadeva Ayyar would ~~get~~ ^{have} pensionable service ~~for only for~~ 8 months' odd whereas he entered the M.E.S. as long as May 1943; as no other person would be affected by the proposal; and as, further, ^{but for the proposal,} the vacancy will remain unutilized by any one; this dept. may recommend the sanction of the Dir.'s ~~request~~ ^{proposal} as a special case and invite the remarks of Finance before circn. to H.M.
