impossible to grant such a request. It is suggested that
these employees may be permitted to attend classes during

Office of the
Superintendent, Government Press,

From

R. Siddique, Esq.,
Superintendent,
Government Press,
Madras.

To

The Secretary to Government,
Education & Public Health Department,
Fort St. George, Madras.

Sir,

Ref: Government Memo.No.65589 C2/49, Education,
dated 8-10-1949.

Sub: Press employees who are students at the Central
Polytechnic, Madras - Grant of permission to
attend classes during office hours - Further
particulars - Furnished.

As already stated in my letter No.SBC/82 Pdl./49 dated
19th September 1949, there are 10 compositors, 4 copyholders and one
binder attending classes at the Central Polytechnic and among the
10 compositors, one is working in the High Court Department another
in the Public, 5 in Job and 3 in Gazette Department. All the depart-
ments are not working overtime daily in the evenings so that these
employees who are students at the Central Polytechnic may make up
the time of office hours they spend in attending classes.

If such of those departments in which these employees
are working are to be opened in the evenings, so as to enable them
to make up the hours, the foremen of the concerned departments will
have to be booked overtime and as such, though it is beneficial to
Government to ask these employees to make up the hours they avail
there is at the same time liability to Government in booking overtime
to the foremen.

Further the technical study of these employees is not
only beneficial to the individuals concerned, but also really an
asset to the administration of the Press. It was only with this view,
on the representation by the Director of Industries when the school
of Technology (the present Central Polytechnic) was started, the
employees of the Press were in the past years permitted to attend
classes and the grant of permission to them to leave work in the
evenings 15 minutes earlier than the prescribed time to enable them
to attend classes in time (when classes were being conducted in the
evenings) was already approved in G.O.No.Me.1049, Education, dated
7-6-1940.

In view of the above facts, it is requested that
Government may be pleased to approve of the grant of permission to
such of those employees to attend classes during office hours i.e.,
between 7-30 and 9-45 a.m., the period being treated as on duty.

Sub: Govt. Press - Students at the Central Polytechnic - Grant of permission to attend classes during office hours.

Ref: From the S.G.P. No. SBC 82 Pdl /40 dated 22.8.49.

The S.G.P. requests that the Press employees who are students at the Central Polytechnic may be permitted to attend classes between 7.30 A.M. and 9.30 A.M. the period being treated as on duty for the reason that the study of printing is in the interest of Press work. It is not known how many employees are students at the Central Polytechnic. As Press work is bound to suffer if this concession is to be granted to a large number of employees, the S.G.P. may first be requested to state ~~how many~~ ^{the no} of the employees are students at the Central Polytechnic.

A draft memo to the S.G.P. is subd. for approval.

Please see the letter from the S.G.P. on p. 5 of. It is stated that there are at present 10 Composition 4 copy holders and 1 Binder studying in the Central Polytechnic Madras. It does not seem that the work in the Press would suffer if permission is granted to them. (The total strength of Composition copy holders and Binders in the Press are 333, 112 and 162 respectively)

Why can they not make up the time, if it clashes with the usual hours of work. If it does not clash I see little justification for the concession, which is to the advantage of the workers concerned
