Sub:- Colleges - Presidency - Colleges - Madras - Opening of new courses in 1950-51.
Ref:- Government Memorandum No.42797-1/49, dated 15-7-49 and Government Memorandum No.40435-3/49-A-Edn., dated 1-8-1949

With reference to the above communications from Government, I have the honour to state that although it is desirable to open Honours courses in Kannada, Malayalam, Urdu and Arabic in the Presidency College, Madras to cater to the needs of the Province, it is found not feasible to open any of these courses in the College till it is provided with additional buildings. I am submitting proposals separately for the opening of Honours course in Urdu with Hindi as subsidiary in the Government Arts College, Madras in lieu of the Honours course in Islamic History. Regarding the suggestion for the starting of an Honours course combining Hindi and Islamic Culture as in the case of the Calcutta University I may state that the Madras University has first to introduce the course before affiliation of the college in that course can be sought and this will take considerable time.

2. There will be no admissions to the Honours course in Islamic History and Culture from the next academic year. Now that the course has been transferred to the Presidency College it is necessary to seek affiliation for the College till the present batch of students complete their course of study. I request sanction of Government for the payment of necessary affiliation fees to the University.

3. In connection with Part II of the Budget Estimate for 1950-51, I propose the opening of the following courses in the Presidency College, as they do not involve any additional cost to Government except the payment of affiliation fee to the University.

1. B.A.(Hons.) Course in Psychology.
2. B.A.(Hons.) Course in Geography
3. B.A.(Pass) Course in Geography

Government have already sanctioned provision for B.A.(Hons.) course in Psychology in G.O.No.1887-Edn., dated 8-6-49 and G.O.No.2193-Edn., dated 7-7-49 (in the latter G.O. additional equipment for Psychology Department was sanctioned) but the course was not started in the current year as desired by the University who emphasised the need for starting first the B.A.(Pass) course with the necessary equipment as a preparation for the starting of the Honours course. The Honours course can be started next year. As regards Geography there is now provision for B.Sc.(Pass) and B.Sc.(Hons.) courses. At present both B.A.(Honours) and B.Sc. (Honours) courses in Geography are conducted on the Inter college and University Co-operation basis. The proposed B.A.(Hons.) course in Geography will not affect the sanctioned strength nor require any additional cost. It is very desirable in that it will enable the admission of non-science students desirous of pursuing the course. Similarly the starting of B.A.(Pass) course in Geography will not involve any additional cost, but its combination with History as subsidiary will be very useful to those who are desirous of pursuing teaching profession as they will be duly qualified to handle Social Studies. The strength for B.A.(Pass) course may be fixed at 20 and this will yield additional fee to Government, i.e., Rs.2,745/- in 1950-51, and Rs.5,490/- year thereafter on the assumption that 50% of the students be entitled to half-fee concessions under Rule 92 Educational Rules. The University shall be paid fees in respect of the three new courses.

may be fixed at 20 and this will yield additional fee income
to Government, Rs. 2,500/- in 1950-51, and Rs. 4,000/- in
year thereafter on the assumption that 20% of the students
be entitled to receive concessional fee under Rule 22 of the
Educational Rules. The University shall be paid affiliation
fees in respect of the above courses.
