EDUCATION - Secondary - Pandits and munshis under local bodies - Fixation of pay in Grade I Scale - Calculation of 15 years' Service - Orders passed.

O r d e r:

Order:

In G.O.No.526 Education, dated the 15-3-1948, the Government ordered that holders of Oriental Title who do not possess pandits' or secondary grade training qualification but who had put in 15 years' service in high schools and training schools on 1st January 1948 should be allowed the scale of pay admissible to pandits and munshis of new Grade I viz., Rs.75-5-145. The question has now been raised whether in cases where pandits who were originally holding permanent appointments in high schools and handling the high school forms, but who were subsequently transferred to incomplete secondary schools including middle schools prior to 2nd May 1939, (the date of G.O.No.960 Education fixing different scales of pay for pandits in high schools and incomplete or middle schools), for any reason except at their own request, the service put in by them in those schools prior to that date may be taken into account for purposes of counting service in high schools for the grant of Grade I scale, namely Rs.75-5-145. The Government have considered the question and direct that the service in middle or incomplete secondary schools put in by such pandits prior to 2-5-1939 be reckoned as service in high schools for purposes of grant of Grade I scale of Rs.75-5-145 as they were not responsible for the transfer from high schools to middle schools.

Sir,

Rec.No.22284-48-E9., dated 26-10-1948.

Sub:-Education - Secondary - fixation of pay Telugu Pandits
 L.T.scales - applicability - orders - requested -
 Ref:-C.O.No.526-Edn., dated 15-3-1948.

Government in C.O.No.526-Edn., dated 15-3-1948 stated that holders of Oriental titles who do not possess pandits or Secondary grade training qualifications but who have put in fifteen year's service in High schools and training school by 1-1-1948 should be allowed the scale of pay admissible to Pandits and munshis of new grade I (i.e.) L.T.scale. Accordingly Pandits who have put in 15 years service in High schools exclusive of middle school service by 1-1-1948 were given L.T.scale but pandits who have put in 15 Yrs. service both in middle and High schools were not given that scale of pay. Now one Sri V. Venkateswara Sastri, Telugu Pandit, Board High school, Tadanki who has put in a service of 14 years 1 month in high schools and 2 years 3 months in middle schools (total service of 16 years 4 months) put in a petition (copy enclosed) requesting to grant him the L.T.scale of pay taking into account his total service of 16 years 4 months as he was transferred to middle school is enclosed) and as he was also allowed the senior scale of pay even though he worked in a middle school.

In the circumstances stated by the Telugu Pandit I request whether L.T. scale of pay be allowed to this Pandit as his request is reasonable and deserves consideration as he was deprived of L.T.scale of pay for no fault of his own and while his juniors who happened to work in High schools were granted L.T. scale. The service register of the teacher is herewith enclosed for favour of perusal and return when done with.

REF: Government Endt. No.91174 B1/48-1 Education dated 11-12-48.

RESUBMITTED.

2. The Petitioner would be entitled to the scale of Rs.75-5-145 provided the service put in by him in middle schools between 31-3-37 and 7-7-39 is also taken into account to make up his service of 15 years in high schools as required by G.O. No.526 Education dated 15-3-48. Till the issue of G.O.No.960 Education dated 2-5-39 which laid down for the first time separate scales of pay for Pandits working in incomplete secondary schools including middle Schools and for those working in high schools, it was immaterial for the Pandits whether they were employed in middle schools or in High Schools and perhaps the petitioner did not choose to protest against his transfer to a middle school ordered by the District Board in its Memo.No.Rc.587 DB/37 dated 21-3-37. It may also be observed from the orders of the District Board that this transfer was made neither at his request nor in public interest but only to comply with a request of another pandit working in a Middle School to transfer him to a High School. G.O.No.960 Education dated 2-5-39 stated that it would not affect the existing incumbents and that they should be absorbed in vacant posts of pandits in complete high schools wherever possible and in accordance with this G.O. the petitioner was taken back to a High School in July 1939.

3. In the circumstances stated above and in view of what has been stated by the Special Officer, District Board in his letter under reference the petitioner may be allowed to count his service rendered in middle schools upto 2-5-39 the date of G.O.No.960 Education for purposes of reckoning 15 years of service in High Schools for fixation of pay in Grade I in revised scales.

4. The Service Book of the individual is resubmitted herewith.

5. As there may be a few more cases of the above type in other local bodies, I suggest that Government may be pleased to issue general orders to the effect that in cases where Pandits who were originally holding permanent appointments in High Schools and Handling the high school forms were transferred to incomplete secondary schools including middle schools prior to 2-5-1939 for any reason except at their own request, the service rendered by them in incomplete secondary schools including middle schools prior to that date may also be taken into account for reckoning the 15 years service in High Schools referred to in G.O.No.526 Education dated 15-3-48.

Copy of petition of Sri Vempati Venkateswara Sastry, Pandit, d/15-9-48.

I, Vempati Venkateswara Sastry, Senior Telugu Pandit, Bd. High School, Tadanki, beg to bring the following few lines into your kind consideration.

I have put in a total service of 16 years 4 months 5 days from 2-9-31 to 1-1-48 (the date of fixing the grade and initial salary). I served in the middle school for 2 years 3 months and five days. Thus my service in the High schools comes to 14 years 1 month. Hitherto there was no distinction between High school Pandits and Middle school Pandits and transfers from High schools to middle schools were made on administrative grounds. Even the Senior most Pandits were transferred from High schools to Middle schools as a matter of course on administrative grounds. Further my transfer to the middle school was not made at my request. Hence I represent that my total service of 16 years 4 months 5 days should be taken into consideration to fix my salary in the L.T.cadre for pandits as per G.O.No.526/15-3-48.

Herein I would like to represent that I served in a recognised High school viz. K.P.V.V. High school, Bezwada from 3-8-26 to 27-6-27 (vide certificate enclosed). This period when added to my service in the High schools under the District Board Manager makes me eligible for L.T.cadre of Telugu Pandits.

I therefore request you to consider my claims for L.T.cadre and fix my salary in the L.T.cadre. My present salary is Rs 76/- a month in the grade 60-4-120/76.

Copy of Memorandum of the President, Dt. Bd. Bezwada, dated 21-3-1937, .
Res.No.587-BDB. of 37 dated 21-3-37.

The following transfers are ordered:-

1. Mr. M.Venkatraju, Pandit, Bd. Middle School, Thotlavallur, to be Pandit, Board High School, Tadanki, vice No.2.
2. Mr. V. Venkateswara Sastri, Pandit, Bd. High School, Tadanki, to be Pandit, Board Middle school, Thotalavallur, vice No.1.

No Transit T.A. will be allowed to No.1 as the transfer is at request.
