Abstract.

Education - Secondary - Pandits and munshis under local bodies
Fixation of pay in Grade I Scale - Calculation of 15 years'
Service - Orders passed.

Read: G.O.No.526 Education, dated 15th March 1948.
From the Director of Public Instruction, Rc.No.2727-
G.1/48, dated 5-11-1949.

ORDER:

In G.O.No.526 Education, dated the 15-3-1948, the Government ordered that holders of Oriental Title who do not possess pandits' or secondary grade training qualification but who had put in 15 years' service in high schools and training schools on 1st January 1948 should be allowed the scale of pay admissible to pandits and munshis of new Grade I viz., Rs.75-5-145. The question has now been raised whether in cases where pandits who were originally holding permanent appointments in high schools and handling the high schools forms, but who were subsequently transferred to incomplete secondary schools including middle schools prior to 2nd May 1939, (the date of G.O.No.860 Education fixing different scales of pay for pandits in high schools and incomplete or middle schools), for any reason except at their own request, the service put in by them in those schools prior to that date may be taken into account for purposes of counting service in high schools for the grant of Grade I scale, namely Rs.75-5-145. The Government have considered the question and direct that the service in middle or incomplete secondary schools put in by such pandits prior to 2-5-1939 be reckoned as service in high schools for purposes of grant of Grade I scale of Rs.75-5-145 as they were not responsible for the transfer from high schools to middle schools.
