Sub:- ELEMENTARY AND SECONDARY SCHOOLS FOR NON-MUSLIM REFUGEE CHILDREN FROM PAKISTAN IN AVADI CAMP.

Sir,

I am directed to invite a reference to the correspondence resting with your letter No.23845-B1/48-8 dated 20th July 1948 and No.17006-B2/48-3-Edn., dated the 26th July 1948 and to say that expenditure on the education of refugee children in the refugee camps under the Provincial Government may be incurred and necessary sanction issued after due scrutiny by your Finance Department accounts being added by the A.G., like other expenditure on the relief and rehabilitation of refugees. This expenditure will be re-imbursed by Central Government like other refugee expenditure.

2. Government of India have been employing stipendiary teachers at the rates of Rs.15/- p.m. and Rs.50/- p.m. according to the classes taught by the teachers in the schools in the camps under the Central Government where free rations are issued. The teachers are recruited from amongst the refugees living in the camps at the rate of one teacher for 45 students. It is desirable that the same procedure is adopted in respect of the Provincial Government Camps. In case free rations are not issued in the Avadi camp the teachers should be engaged from amongst the refugees in the camp if possible, on the scales of pay admissible to similar categories of staff in the same locality or near abouts.

Yours faithfully,

Sd. M.R.Thadani
Under Secretary to the Govt. of India.

The Common Council of Madras has requested the Govt. to sanction a subsidy to the council for running a refugee school at Subbarayan Garden Kilpank. A similar proposal was received from the S.P. office at Pondicherry in 1947 of the refugee school at Avadi and the Govt. have been addressed as to whether they would meet the expenditure from their funds as it formed a legitimate charge on the central revenue funds. The reply from the Govt. of India is awaited. As this is a question of one policy, perhaps the reply from the Govt. may be awaited before further action is taken on the request of the council. The paper may lie over till the reply from the Govt. is received. For orders. The Corporation has already spent the school & is maintaining it from the C.E. fund.

5 assistants on Rs 30/- plus the usual allowances were appointed from among the refugees themselves. The Headmaster is an untrained graduate and the general educational qualifications of the rest were not definitely known for want of certificates and they had no training. They were ^{the} only suitable persons from among the Punjabi and Sindhi Refugees available for appointment to the posts. Their certificates were reported to have been lost in Pakistan and the assistants were paid the minimum salary attached to the teachers' post in the Corporation service.

As regards the scales of pay suggested to be adopted in the letter No.41 (1) R.F. /48 dated 21-9-48 from the Government of India, Ministry of Relief and Rehabilitation, it has been ascertained from the District Educational Officer, Madras, that Secondary Grade untrained teachers in Local Board elementary schools are paid at Rs.25/- p.m. and Higher Grade untrained teachers at Rs.20/- p.m. and that, as regards untrained graduates no special consideration is shown for them in elementary schools and that they are to be classified as untrained Secondary Grade teachers and paid at Rs.25/- p.m. and that they will be paid at Rs.45/- p.m. if they are employed in Secondary Schools. It was proposed to give effect to the revised pay as and from 1-2-49. But, before the revised scale of pay could be introduced, the teachers themselves tendered their resignation of the posts and the school had to be consequently closed with effect from 22-1-49. At present, there is no one who could offer his or her services for teaching in the school for the children of the refugees on the scale of pay suggested in the Government memorandum cited. The schools will be opened as and when teaching staff is available. In the meantime, the expenditure incurred by the Corporation on the Refugee Schools may kindly be met by the Government and paid to the Corporation.

The Commissioner, Corporation of Madras, has addressed the Govt. for payment of a grant to cover 50% of the expenditure. The D.P.G. recommends that the entire expenditure may be paid by way of subsidy.

The Govt. of India have agreed to reimburse from the central Govt. any expenditure incurred from provincial funds on the education of refugees. It may be noted that the Corporation could not satisfy the conditions laid down by the Govt. of India regarding the salaries of teachers, as it is not possible for the Corporation to secure teachers on the pay suggested by the Government of India. ^{or} for orders whether the subsidy ~~applied for~~ by the Corporation may be sanctioned & the Government of India may be addressed for the reimbursement of the amount from the central revenue.

Exp't. evidently wish to reimburse the Corporation of Rs. 50% of Rs. 3832 or Rs. 1916, being the expenditure incurred initially from the E.E. funds of the Corporation on the education of the children of the refugees from Sind and the Punjab. With reference to the Govt. of India's letter on page 5 CF,

this amount has to be borne by them. But from para. 2 of the letter it appears that the conditions specified therein should be fulfilled before they can agree to bear the cost. The Corporation Commissioner's letters on pages 1-2 CF ^{+ 11-12 CF} indicate that the conditions could not be adhered to. In the circumstances, it seems better to address the G.I. and to obtain their consent to bear the proposed reimbursement of Rs. 1916 before sanctioning the payment of the amount to the Corporation.

Exp't. may be advised accordingly.

Please see the letter to the Govt. of India on p. 17 c.f., their reply on p. 23 c.f. and the note of E. & P.H. on p. 3 above. The Govt. of India have not specifically stated that they agree to meet the entire expenditure of Rs. 3,832/- already incurred by the Corporation of Madras on the education of refugee children, but they seem to have no objection to meet the entire expenditure as stated in para 1 of their letter on p. 5 c.f. In this view, there seems to be no objection to reimburse the entire expenditure incurred by the Corporation, ^{if} the amount ~~being~~ ^{can be} recovered from the Govt. of India, ^{later} E. & P.H. may ~~however~~ be requested to consult Pub.
