Copy of letter from the Principal, Government of India, Ministry of Home Affairs, Indian Administrative Service Training School, Metcalfe House, Rmments, Delhi, No. XIV-C/49-1284, dated the 24th October 1949.

The School desires to keep in constant touch with administrative developments in various provinces, so as to be able to give up-to-date information to the Indian Administrative Service Probationers under training here. The school aims at progressive instruction in administration, and for this it is essential that the provinces may kindly put this School on the list of those institutions and persons to whom the following Government publications may be regularly sent:-

- (1) Civil List, whenever issued.
This would enable the School to keep in touch with the postings of various officers, and the creation of new Departments or Branches.
- (2) Annual Administration Reports on General Administration, Revenue Administration, and Police Administration.
- (3) Weekly Gazette of the Province.

2. Any other annual administration report like on Agriculture, etc. would also be welcome, which may be of use to I.A.S. probationers. I shall be grateful if necessary arrangements are kindly made to this effect, and this School is supplied, to begin with, with the latest copy of the Civil List and the latest reports on General Administration, Revenue Administration, and Police Administration.

3. The School would be grateful if any other report, which may be of interest and which the Provincial Government may like to be brought in use in instructions to I.A.S. probationers may also be sent to the School from time to time.

Endorsement No. 231/49-2, dated the 5th November 1949.

From the Principal, Indian Administrative Service Training School, Metcalfe House, Rmments, Delhi, No. XIV-C/49-1284, dated 24-10-1949.
