Re.No. 2944-E3/49 dated 4-10-1949.

Sir,

Sub: Part II Scheme 1950-51 - Scholarships - Government
Collegiate institutions - Increase in number -
Proposals submitting.

In connection with Part II schemes for 1950-51.

I submit herewith for the sanction of Government a proposal to increase the number of Collegiate General Scholarships.

In G.O.Ms.No.952 Edn., dated 7-5-1946, the Government sanctioned the Director's Proposals to increase the number of Collegiate General Scholarships from 65 to 117 as detailed below, with effect from the academic year 1946-47.

- | | |
|---|-----|
| (i) General Scholarships commencing in the Junior Inter Class and continuing upto the end of the Honours Course. | 86 |
| (ii) General scholarships commencing from the IIIrd University Class and continuing upto the end of the Honours course. | 10 |
| (iii) Scholarships specially intended for muslim students commencing in the Junior Inter class and tenable for 4 years. | 8 |
| (iv) Scholarships tenable for the Post Graduate course. | 4 |
| (v) Ordinary scholarships tenable in the Queen Mary's College, Madras. | 3 |
| (vi) Special Scholarship for muslims tenable in the Final Honours Class. | 1 |
| Total. | 117 |

(2) The number of Arts Colleges has increased from 69 in 44-45 to 89 in 1948-49 and there is also considerable increase in the enrolment of pupils in the Colleges during the same period. Having regard to these factors, there is sufficient justification to increase the total number of scholarships from 117 to 177 as shown below.

(1) The number of students (boys and girls) reading in
p.t.o.

the Junior Inter Class in the years 1944-45 to 1948-49 is given below:

Year.	Strength of students.
1944-45	10,213
1945-46	11,226
1946-47	11,747
1947-48.	13,459
1948-49	15,616

It will be seen that the number of pupils rose from 10,213 in 1944-45 to 15,616 in 1948-49 and the percentage of increase works out to 53%. The number of general scholarships commencing in the Junior Inter Class may therefore be increased by 50% i.e. from 86 to 129.

(ii) The number of pupils studying in the III University Class increased from 4068 in 1944-45 to 6037 in 1948-49. The percentage of increase works out to 48%. Having regard to this, the number of general scholarships commencing in the III University Class may be increased from 10 to 15.

(iii) The number of muslim pupils studying in the I University Class rose from 517 in 1944-45 to 686 in 1948-49 the percentage of increase being about 33%. The existing number of scholarships intended for them, namely, 8, may therefore be increased to 11.

(iv) The number of scholars who were studying in the I year Post Graduate class increased from 265 in 1944-45 to 373 in 1948-49 and the percentage of increase comes to about 41%. In view of this, the existing number of scholarships, namely, 4 may be increased to 6.

(v) The number of girls studying in the Queen Mary's College Madras has increased from 286 in 1944-45 to 543 in 1948-49. The existing strength is about 625. It will be seen that the number has doubled. The number of scholarships may therefore be increased from 8 to 16.

Finance (B.E.II)

PART II SCHEME FOR 1950-51.

	Ultimate Cost. (Recurring). Rs.	Cost in 1950-51. Rs.
Increasing the number of scholarships in Government Collegiate Institutions.	36,100	6,800

The D.P.I. has recommended that the number of
scholarships in the Government Collegiate Institutions
may be increased from 117 to 177. The proposal involves
an ultimate recurring expenditure of Rs 36,100. E.& P.H.
Secretary has stated that if the increase proposed is
considered too large, some part of it, say ^{one (i.e. 30 at present)} half may be
sanctioned. [the increase in the number of colleges since 1944-45 is 20.]

According to the latest instructions, only
those schemes which will involve very little recurring
expenditure and which are considered to be really and
immediately essential for the proper running of any
department should be considered as Part II Schemes for
1950-51. The proposal does not satisfy the above ~~xxxi~~
criteria and cannot be considered to be really and
immediately essential, though desirable. In view of the
need for allround economy, Finance may suggest that the
proposal may be deferred for the present.
