The letter from the Director N.C.C. on p 3 C.F. and the note of E.H.H. from the bottom of p 1 above may be perused. In the circumstances explained in para 2 on p 3 C.F. finance may concede the need for a L.D. clerk to look after the stores etc. As regards the appointment of two Lascars on Rs 22-½-30, it is submitted that persons on a scale of pay of Rs 18-25 can also attend to the work connected with the maintenance and check of stores etc, of course ^{under} the instructions of the L.D. clerk; ~~and~~ ^{As} ~~there~~ no special reasons have been given for the employment of Lascars alone for this work, finance may suggest that two persons on Rs 18-25 may be sanctioned instead of two Lascars on Rs 22-30 as the former will cost less to Govt than the latter.

U.O. T.C. into the office of the 1st & 2nd Madras Infantry Battalions & the 3rd Madras Engineer Centre of the vice and treating them as temporary additions to the respective subordinate services under this head, it has been decided in circular No. 22-1/2-30. [The Connected file has been sent to other depts. with necessary drafts for acceptance.] According to the scale of establishment for the recently lascars should be employed the employment of lascars for the maintenance of the arms supplied to the millets and persons only in the office at headquarters.

only in the office at Headquarters. ~~For the sake of uniformity,~~
~~it is necessary that only two cars should be~~
~~employed.~~ Further according to the letter from the
personnel, i.e., only two cars should be ~~employed~~
for the purpose. The difference in the cost incurred
on the employment of two cars & two men
is negligible, as their scales of pay is Rs. ~~18-25~~²²⁻³⁰
& Rs. ~~18-30~~²²⁻³⁰ respectively. In the circumstances,
this department may press home the proposal
to employ two cars as suggested by the N.C.C. Directorate
on the scale of pay Rs. 22- $\frac{1}{2}$ -30. [The Finance Dept. have
agreed to the employment a lower division
