Sir,

60375 SUB: Educational Concessions to the children and
dependents of I. N. A. personnel.

It has been brought to the notice of this Committee that Government contemplate to withhold the grant of Educational Concessions in respect of fresh applicants, commencing from the current academic year.

In this connection, the Committee would pertinently point out that the extension of this concession, to personnel of the I. N. A., was made during 1948-49, and the Government Order, viz. No. 1622, dated 23rd June, 1948, notifying the above decision, was communicated to this office in July, 48. Certain modifications to the prescribed Application Form were necessary, and this entailed reference to the Director of Public Instruction, Madras. Action to inform, the grant of the above concession, to personnel of the I.N.A. and to call for applications was initiated at the end of July last year.

Difficulty in the completion of Application Forms, and the receipt of Poverty Certificates from the Revenue officials further delayed the matter, and, consequently, only 66 applications could be submitted for sanction.

It will therefore be seen that, of the amount

-allotted-

allotted for expenditure under this Head, only a negligible amount has been drawn.

In view of this, and the fact that the concession was extended to I. N. A. personnel only last year which could not be availed of by many deserving cases, due to the late receipt of orders, the Committee fervently requests that the proposed Govt. Order should not be made applicable in the case of I. N. A. personnel.

Thanking you,

JAI HIND!

remarks with the Government Endorsement quoted above, I have the
honour to state that the reasons given by the Secretary, I.N.A.
Enquiry and Relief Committee, Madras in his letter for the
extension of the concessions to fresh cases are sound and in the
circumstances stated by him, I recommend that the award of conces-
sions to the children and dependants of I.N.A. Personnel may
be extended to FRESH CASES for the year 1949-50 in the first
instance and the question of admitting fresh cases next year
may be considered later.

Educational concessions to children and dependents of I.N.A. personnel - Continuance of -

From the Madras Presidency I.N.A. Enquiry and Relief Committee, Madras dt. 6-8-49.

From the D.P.I. No. 2645 W/2-47 dated 13-9-49.

The educational concessions admissible to

~~the~~ children and dependents of military personnel ~~under~~ G.O. No. 610 Edn., dated 20-4-45, were extended to

~~the~~ children and dependents of I.N.A. personnel also

in G.O. No. 1622 Edn. dated 23-6-48. The expenditure on the grant of such concessions was limited to Rs. 50,000 only a year though when considering the question it was estimated that a sum of ^{Rs} 2,50,000

would be required to meet the expenditure. The ~~grant of the concession~~ ~~amount~~ was restricted to suitably deserving cases.

One of the conditions of the award of the concession was that the pay of the soldier should not have exceeded Rs. 200 a month. In April this year the I.N.A. Enquiry and Relief Committee, Madras, requested that, as explained, the income limit of the I.N.A. soldiers might be increased from Rs. 200 to 300. The D.P.I., while recommending the request, stated that the total expenditure on the grant of the concession to ~~the~~ children and dependents of the I.N.A. personnel will not exceed Rs. 50,000 by increasing the income limit from ^{Rs} 200 to ^{Rs} 300. In the circumstances the Govt. agreed to raise the income limit of the I.N.A. personnel to Rs. 300 for the purpose of the grant of the concession to the children and dependents of the I.N.A. personnel.

In G.O. No. 2230 Edn., dated 11-7-49, the Govt. ordered discontinuance of the grant of educational concessions to the children and dependents of the military personnel. According to that order the new award of educational concessions to the children and dependents of ~~the~~ I.N.A. personnel

~~could~~ be discontinued from 1949-50. // The I.N.A. Enquiry and Relief Committee request that the orders in G.O.No.2230 Edn. dated 11-7-49 should not be made applicable to the I.N.A. personnel for the reasons that the concessions were extended to them only last year, ^{that} and the concessions could not have been availed of by many deserving cases due to the late receipt of the orders, and that only 66 applications could be submitted by them till now and that only a negligible amount having been drawn so far. The D.P.I. considers that the reasons given by the I.N.A. Enquiry and Relief Committee ^{are} sound and recommends that the award of the concessions to the children and dependents of the I.N.A. personnel may be extended to fresh cases for the year 1949-50 in the first instance and ^{that} the question of admitting fresh cases next year ^{might be} being considered later.

In view of the fact that the concessions ^{only} were extended to the I.N.A. personnel in the year 1948-49 and that they have enjoyed it only for one year so far and only 66 persons have been recommended in view of the fact that several people have not been benefitted by the concession and also in view of the fact that the specific amount of Rs.50,000 ear-marked for the year has not been fully utilised the recommendation of the D.P.I. to grant to fresh cases of I.N.A. personnel for 1949-50 may be accepted.

Finance may see for remarks.

Handwritten note: The extension may be justified but we have to consider how the regular soldiers, who have been deprived, will regard the exception made.

E 4P.11 VO
60375/49-20
22/10/49

Please see the notes on pp 1-2 above.

2 The fact that the educational concessions were extended to the children and dependents of I.N.A. personnel only recently cannot be a justification for continuing the concessions to them for some more time when the Govt. have decided to discontinue these concessions altogether in view of the enormous cost involved. It may be stated that, apart from the defence services personnel, the Govt. have discontinued the concessions in the case of ^{children and dependents of} non-muslim ex-servicemen from Pakistan, to whom the concessions had been extended at a date later than that in the case of the I.N.A. personnel. As pointed out by Lt. P. H. Leary, the continuance of the concessions to the children and dependents of the I.N.A. personnel will not be fair to the defence services personnel who have been deprived of them and, in fact, it will lead to requests being made by them for similar treatment. In the circumstances, Finance may advise against the proposal to continue the present educational concessions to the children and dependents of the I.N.A. personnel.
