R.O.C. No. C3. 13548/49. Dated 17/9/1949.

Sir,

Sub:- Establishment - Salem College - Sri  
A.Subramaniam, M.Sc., Lecturer in  
Chemistry - extension of service for  
one year - grant of - requested.

REF:- Application dated 12-7-49 from Sri  
A.Subramaniam, M.Sc.,  
(2) Resolution No.37 dated 6-9-1949  
of the College Governing Body.

Sri A.Subramaniam, M.Sc., Lecturer in Chemistry, Salem College is due to retire from service on 25-12-49 on superannuation. He applied to the College Governing Body to grant him extension of service for two years so that he can coach up one batch of students for B.Sc., The Principal of the Salem College had also recommended the grant of extension of service to Sri A.Subramaniam in the interest of the institution and Chemistry Department as qualified experienced hands are not available in spite of advertisements. The College Governing Body in its resolution No.37 dated 6-9-1949 (copy enclosed) has strongly recommended the extension of his service for one year from 25-12-49 in view of his long service and good record of work (copy of General Body's resolution is enclosed)

Sri A.Subramaniam, M.Sc., has put in a total service of 21 years. His present pay is Rs.230/- p.m. in the scale of pay of Rs.100-10-250. His Service Register is herewith enclosed. His work and conduct have been found to be satisfactory throughout and he is popular not only among the students but also with the other members of the staff of the College. He is physically and mentally strong enough to work for a year more. Advertisements were made on many an occasion for Chemistry Lecturers and it was found that suitable men are not easily available. There is also a proposal to open B.Sc., course from next year and it will be advantageous for the institution to have on its staff such an experienced hand at least in the beginning so that there may not be any difficulty in the opening of the B.Sc., Course.

I therefore request that the Government may be pleased to grant him extension of service for one year from 25-12-49.
