No. 3010/49-4

Dated the 18th November 1949.

Sub: - Government Museum Theatre - Minimax Fire Extinguishers - Renewal of - Sanction - Requested.

-cc0000-

I have the honour to state that in connection with the renewal of the license for the Museum Theatre I have been asked under Public Resort Act to furnish a certificate on the condition of the Fire appliances as otherwise it may prove dangerous during operation in an emergency. Accordingly four Minimax Fire Extinguishers of the Museum Theatre were sent to M/s. Parry & Co., Ltd., for hydraulic pressure test and the issue of the necessary certificate. They now report that one appliance should be condemned as unfit for further use since it failed and burst at a pressure of 70 lbs. Normally these appliances should withstand the required pressure of 250 lbs per square inch for one minute. As under the Public Resort Rules there should be four Minimax Fire Extinguishers fitted up in the Theatre and as without these, the licence will not be renewed, I have to request Government to accord sanction for the purchase of

one Minimax Fire Extinguisher at a cost of Rs 102/- excluding Sales Tax from M/s Parry & Co., Ltd., Madras to replace the condemned one. The appliance has to be got from Calcutta only after placing an order with Company at Madras. It is therefore requested that early orders of Government may be issued in the matter.

The expenditure on this will be met from our budget grant under 36 a. Scientific Departments - A. Museum - a.A.4 Office Contingencies - Furniture and Fittings 1949 - '50.

Yours faithfully,

A. Aiyappan
Superintendent.
