Dear Sir,

When you accorded to me the privilege of meeting you and discussing with you our five year old Building scheme included in the list of Building scheme for the quarter ended 31-12-1948 and awaiting orders of the Government, during the opening of the Cuddalore Exhibition on 4-6-1949, you were pleased to ask me to remind you by a letter addressed to you. In response to your advice, I submitted a copy of the letter herewith enclosed to you and I regret to have to say that no new ground has been covered. The need for a pucca building is felt all the more especially owing to the rains we are having at too frequent intervals, and the insecurity and heavy responsibility in having about half the number of school children 700 in temporary sheds. So, may I request you with all humility to consider this scheme of ours and pass orders so that our scheme may be an accomplished fact under your generous patronage.

With respectful regards,
Yours faithfully,
H. Gnanapragram
Correspondent.

Grant - Building. St Joseph's Secondary School
Cuddalore N. T. - Inclusion in the list of
approved works

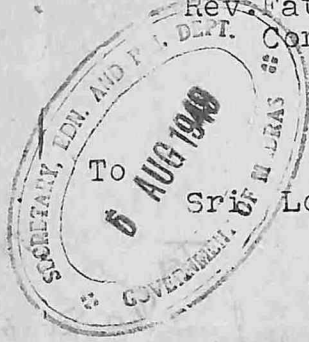

From the Correspondent St. Joseph's Secondary
School, Cuddalore N. T. d 5. 6. 49

Memo. No. 57930 B, /49.1 Edn dated 5.8.49

The letter from the Correspondent St
Joseph's Secondary School, Cuddalore, NT
cited above is forwarded to the DP and
he is requested to report urgently whether
the building scheme referred to therein is for
extension at an estimated cost of Rs 53,000.-
item 7 in the consolidated list of schemes.

St. Joseph's Sec. School,
Cuddalore N.T.,
Date: 4-8-1949.

From Rev. Father A.M. Channapragasam, B.A., L.T.,
Correspondent,
St. Joseph's Sec. School,
Cuddalore N.T.

To Sri Lobo Prabhu,
Secretary for Education,
Secretariate, Fort St. George,
MADRAS.

Sir,
Subject:- Grant - Building - St. Joseph's High School,
Cuddalore - Pray sanction orders -

I most humbly beg to state that I submitted an application in the prescribed form M. of the Grant-in-aid code for a Building to be erected in my school in my letter R.C.No: 52/1945 dated 4-8-1945 only on the repeated remarks of the then successive inspecting Officers of the Educational Department urging the Management to provide additional pucca accommodation to house the 50% of the school children who were and are now housed in temporary sheds. After series of queries and personal inspection by such eminent persons as Dr. B.B.Dey, the late Director of Public Instruction, Madras, Mr. T.S.Avanasilingam Chettiar, the late Hon'ble Minister for Education, Government of Madras, our scheme had the good fortune of being included in the list of Building scheme ~~xxxx~~ for the quarter ended 31-12-1948 by the Director of Public Instruction, Madras, and I was informed in March 1949 that the orders of the Government are awaited. I fondly awaited that the scheme which has been accepted to be of the most urgent necessity by the District Educational Officer South Arcot, Divisional Inspector of schools, Mathurai, the Director of Public Instruction and the Hon'ble Minister for Education, would receive the assent of the Government and the orders passed. But when I was given the pleasure of meeting your Honour during the inauguration of Cuddalore Exhibition in June 1949, I was asked to remind your Honour with a demi official letter so that the long pending scheme may receive the favourable orders.

I once again approach you, Sir, with the request that the scheme sponsored and backed up by the Department, convinced as it were of the dire necessity of fulfilling the needs of the children would at least be included in the Supplementary budget to be brought now before the Legislature. I am agreeable to any terms and conditions to be imposed by the Government in carrying out this important and urgent piece of work and I wish that this scheme should be included at least in the supplementary budget and work of construction taken on hand so that the dreams and needs of the Institution may be carried out as expeditiously as the Government wish it to be. I need hardly add that this scheme will not only ensure better health, more security of the pupils but also relieve the Management and the Government of the colossal waste of funds Rs.6000/- every year in having to put up and maintain sheds. I submit that the Hon'ble Minister would be pleased to consider this appeal and pass orders for carrying out this work that may be the oldest on record brought forward after the labours of the last 14 years.

Yours faithfully,

A.M. Channapragasam

H.C.No.62-D2/48

Office of the
Director of Public Instruction
Madras, dated, 6th August 1949.

Dear Mr. Lobo Prabhu,

Sub:- GRANT -- Buildings -- Aided Secondary
Schools -- Inclusion in the list of
approved works -- Quarterly consolidated
list -- Schemes not approved.

Ref:- G.O.Ms.No.2376, Edn., dated 21-7-49. (C)/H 57-58

p1 of (H)

p3 of (H)

Please see my letter Rc.No.62-D2/48 dated 3-12-48 and the reply of the Government in their Memo. No.91574-B1/48-1, Education, dated, 23--12--1948. With reference to the orders contained in the above Government Memo., Schemes which were included in the list for the previous quarters, but were not selected for inclusion in the list of approved works, were again submitted to Government for consideration in the list for the quarter ended 31--12--1948.

2. As orders sanctioning the list did not reach till the middle of April 1949, the consolidated list for the quarter ended 31--3--1949 with eight fresh schemes was submitted to Government for consideration. Though I recommended in my letter Rc.62-D2/48 dated 3-12-48 that old schemes may also be considered, I find from G.O.Ms.No.2376, Education, dated 21-7-49 that only three schemes (24 boys and 6 Girls Institutions) recommended. Two fresh schemes were also recommended in the consolidated list for the quarter ended 30-6-49. Managements have been waiting for the inclusion of the schemes, even though the need is urgent. Further delay will not only chill their enthusiasm for executing the building scheme; but also retard the progress of the school for want of adequate accommodation.

3. For six months (i.e. Two quarters) only 3 schemes were sanctioned by Government from out of 30 schemes.

H27-29 of (C)

p1 of (H)

H 57-58 of (C)

H2-3 ante.

At this rate it will take much time to exhaust the schemes in the list already submitted. When old urgent schemes are pending selection by Government it does not appear good to swell the list with fresh schemes.

4. These schemes have been under the consideration of Government for a long time and the managements have been anxiously expecting inclusion or their schemes for aid. I request therefore that Government may be pleased in any case to permit the managements of the schools in the lists to proceed with the construction, after getting the plans and estimates approved by the Joint Consulting Architect to Government without prejudice to the question of grant. As and when the work progresses advance grants for the schemes will be recommended in the budget Estimate and can be sanctioned by Government when funds are available.

Yours sincerely

Madras.

Hon'ble Dear Sir,

May I make bold to request a favour from you in behalf of the Providence Convent, Calicut the same Convent which you kindly graced early this year with Mrs. Menon on the occasion of the School and Prize Distribution Day.

My request refers to an application submitted to the Govt. by the Convent for aid in the shape of building grant towards the extension of the School building. The Director of Public Instruction has written that the matter is referred to Govt. and orders are awaited.

The extension is found very necessary. It is the duplication of the building in front of which we all sat on the occasion of the Prize-Distribution Day. The number on Rolls now is 800 and there is no place to accommodate all the pupils. As things stand now, for want of space classes are held in all available places of the buildings like the verandahs and passage rooms.

P.TOO

12
I will be grateful to you if you would be so kind as to consider the application sympathetically and help the Convent with the prayed for aid.

Your Obedient Servant,

A Machado

The whole extension ¹⁷ costing Rs. 309,000 was applied for, but all the papers were sent back to our great disappointment.

We applied again in our letter to the Director No. 155 of 17.11.48 asking for a half grant for 4 rooms only, costing Rs. 43,000. This you must help us to ^{start} this year, D. P.

For all you'll the thanks of all of our 800 children. They merely to know, I had a message from you, through good Mr. Ponnuswami. Kindest wishes, grateful thanks
Your sincere
(Mother Superior) M. Gabrielle A.C.

Dated: 13-8-49.

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education and Public Health Department.

Sub: Grant--building--Hindu High School, Triplicane--valuation
of adjoining houses--valuation of scheme for aid.

The Correspondent Hindu High School, Triplicane applied for
the acquisition of two sites contiguous to the school building one
of them for extension of their playground and the other for extension
of school building. As the proposed building is in possession of
the school management as rented building, the application for acqui-
sition was recommended to the Collector without prejudice to the
question of grant. Due to the ban on the entertainment of building
grant application, the scheme could not be sanctioned.

2. The scheme was first included in the consolidated list for
the quarter ended 31-12-47 with my letter No. 83 DS/48 dated 21-1-48
and is being included in subsequent quarterly lists. The Collector
is requested to have asked the management to remit an amount of Rs.
75,800-4-3 which is the proposed cost of acquisition. I am
herewith a copy of letter received from the Correspondent, Hindu
High School, Triplicane.

3. The necessity for separate acquisition and valuation
of the building has been accepted as early as October 1947 and the
application for acquisition recommended to the Collector in December
1947. In the circumstances mentioned above, I request that govern-
ment may be pleased to sanction the inclusion of the scheme for
acquisition in the list of approved works at an approximate cost of
Rs. 75,800/-, remitting the inclusion of the scheme for a grant of one
half of the cost of the scheme not exceeding Rs. 35,000/-.

Yours faithfully,
The Director of Public Instruction,
Madras.

Copy of the letter dated 6th August 1949 from the- Sri T.V.Subba
Rao, B.A., B.L., Secretary and Correspondent, Hindu High School
Triplicane, Madras to the Director of Public Instruction Madras.
Through the District Educational Officer, Madras.

Sir,

Sub: Land acquisition--R.S.No.2744 part and 2719/3 for the
extension of the Hindu High School, Triplicane--valua-
tion given by the Collector Request for grant.

As early as November 1946 an application was made to you for
the acquisition of two sites contiguous to our building, one of them
for extension of our building, already in our possession as rented
building. In both the applications the necessity for acquiring
these sites has been clearly stated. Again on 1st November 1947
at the direction of the Director of Public Instruction a separate
application was made to the Collector of Madras for the acquisition
of the site (rented building and two other small houses adjoining
it) bearing R.S.No.2744 part and 2719/3. The Collector has communi-
cated to us in his No.R.Dis.10450/47 dated 30-7-49 that the valua-
tion of the site is Rs.75,800-4-3 and he has asked us to remit the
amount.

paying

The site for which the valuation has been made is the rented
building and two other small houses adjoining it. The rented
building has been in our possession for nearly 25 years. We are now
paying every year a rent of Rs.2668/-. The Government now pay 2/3
of this, which is Rs.1,778-10-8 by the way of grant. If this site
is acquired, the Government pay only 2/3 of the property tax which
comes to about Rs.350/- The net gain to the Government is Rs.1,428/-
(Rs.1,778-10-8 minus Rs.350) and the grant payable to us is less by
this amount. If this is capitalised, it will come to Rs.47,600/-
It is requested that the Government will kindly sanction grant for the
acquisition of this site, the valuation for which as made by the
Collector is Rs.75,800-4-3. The extent of this site and other details
have been given in my previous letters. A copy of the statement
given by the Collector is herewith enclosed. As the Collector has
asked us to remit the amount, after the receipt of which alone he
will take action, it is requested that an early reply granting our
request for grant may be sent to us. In case the valuation is en-
hanced by the court, on an appeal from the party, it is requested
that the amount may be taken for sanctioning grant. It is further
requested that irregularities, if any found, may be condoned.

Yours faithfully,
Sd. T.V.Subburao.
Secretary & Correspondent.

Honoured Sir,

Subject:- Grant - Building - St. Joseph's Sec.
School, Cuddalore - Pray sanction orders.

I most humbly beg to state that the District Educational Officer, South Arcot has in his Memo: R.C.No:1 B1/49 dated 6-3-1949 communicated to me that the Director of Public Instruction, Madras, has stated that the scheme has been included in the list of Building Scheme for the quarter ended 31-12-1948 and that orders of Government are awaited.

I need hardly add that this building Scheme R.C.No: 52/45 dated 4-8-1945 is the oldest of its kind to await the orders of the Government. As the Scheme has been included in the list of Building Schemes for the quarter ended 31-12-1948, and awaiting the orders of the Government for 6 months, I pray that the Hon'ble Minister for Education will be pleased to pass orders early. I submit that the scheme deserves your sympathy and support.

Dear Person,
7638 I know many problems tease
you these days and I am
really backwards to be an extra
worry, today. But you will excuse me
when you know that all that you
have to do is to pass our building
scheme & give us the chance to
see the building of just 4 rooms,
an accomplished fact.
R.C. No. 691 D2/48 of 4: 7: 49
of the Director of Public Instruction

24
says "The scheme in question, was
included in the list of building schemes
for the quarter ended 31.12.48 for
the consideration of Government."

Orders of Government are awaited.

Just give me a few minutes of
your precious time to see whether
you can send us the order to
begin our building. Our children
are crying for room. An answer
from you will be gratefully received
by Yours sincerely,
N. Gabrielle, re.
Mother Superior.

Sir,

In memorandum No.92685-B1/48-1 Education dated
30-12-'48 the Government has requested the D.P.I.Madras
to include the above scheme in the consolidated list of
building schemes of approved works for the quarter ending
31st Dec '48. So far we have not heard anything about
the inclusion. As this has been pending for a very long
time, I request the Govt. to include the item and sanction
the grant during the current year as the work has been
completed long ago.

S. J. G. M. HIGH SCHOOL, 28

Sri U. Appaiah, B. A., B. ED.,
HEAD MASTER

BHIMAVARAM,
Date 22nd Nov. 1949

The Assistant Secretary,
Education & Public Health,
Government of Madras,
Fort St. George, Madras.

Sir, Sub: Grant - Building S.J.G.M. High School - construction of buildings - approval of the scheme prayed for.

91380
8/11/49

I have the honour to state that the plans and estimates of the proposed scheme were already submitted and the defects pointed out were rectified as required in R.C.No.100/D2/49 dated 9.8.1949 and now we understand that the Plans and Estimates so submitted were already approved by the Government Architect and forwarded to the Director in that Office.

That the Director of Public Instruction had already communicated to us that the scheme was included in that list and was sent to the Government for approval., and that it is now awaiting the approval of the Government.

I submit now that all our temporary and permanent sheds containing office, laboratory equipments were all blown off and smashed to pieces by the havoc caused by the recent cyclone with the result that the office, staff and pupils stand without shelter and protection. The Manager is very much afraid of reconstructing the sheds and expose the boys to danger now and then like this. We propose and are very anxious to start the work of constructing the main Building for the grant of which we have previously made our application, which is now awaiting the approval of the Govt.

36
- 2 -
I now place before you the urgency of the relief required to this Institution, without which we will be much handicapped to accommodate the school properly. The District Education Office, the Divisional Inspector of Schools and the Joint Director have visited our school recently and have seen our desolate and helpless condition and their report will bear witness as to the actual position of the school.

Therefore, I request you to consider our application specially in the light of the facts mentioned above and accord early approval so that we may proceed with the work and complete the work early.

This is an institution which was opened by the Hon'ble Sri. B. Gopala Reddy, and the school final class was opened by Hon'ble Mr. Madhava Menon, Education Minister, and have left very good remarks about the Institution and the progress.

Yours faithfully,

V. Appaiah

Headmaster,

S. J. G. M. HIGH SCHOOL.

Memorandum

Presented To

The Honourable Sri P. S. Kumarswamiraja, Premier, Madras,

and

The Honourable Sri A. B. Shetty, Minister for Agriculture,

by

The Vidyaranya Educational Society, Perla, South Kanara,

Honourable Sirs,

We consider it a rare privilege given to us of welcoming you to this institution. The thought that it is the first time that the Premier of this great Province pays a visit to this village moves our deepest feelings of pride and pleasure.

We have been trying to do our humble bit for the spread of education in these villages for the last 25 years. This institution was started in 1925 as a Higher Elementary School, and as such had been imparting free education to the children of these villages ever since. In 1945, thanks to the enthusiasm and munificence of the 'well to do' section of the villages, we have been able to raise it to the level of a High School and the first batch of the S. S. L. C. pupils left the institution last year. We are glad to say that judged from the results of the examination the school has acquitted itself with credit and honour. As you must have presently gathered from the surroundings and working of the institution, the school is working for the ideal of the Residential High School in this interior part of the District where there is no other means of educating our children, and we have been trying to make this institution a centre of light and learning for these villages.

we regret
But to say that the meagre financial

38
resources of the institution and want of accommodation has forced the school to refuse admission to many a deserving pupil.

You will agree with us that the villagers have strained to their utmost, and we have stretched our resources to its limit when we say that the residents of these villages most of whom are very poor have contributed nearly one lakh of rupees by way of voluntary contributions to the school. Out of this one lakh we have a small permanent fund of Rs 20,000/- and the balance has been spent in constructing the present buildings and in purchasing equipments and in meeting the deficits in the running cost year after year. Therefore the projected main building of this High School is still to be completed and the work is held up for want of funds. We have applied for a building grant from the Government and we request that this application may be considered favourably and at an early date.

We take this opportunity of once again extending to you a warm welcome and of thanking you for including this place in your itinerary of this District.

We remain,

Honourable Sirs,

P. Venkathamana Bhatt (Secretary)

President and Members of the
Vidyaranya Education Society,

Perla,

Dated 27-10-1949.

The file relating to the inclusion, of schemes for the construction of buildings for secondary schools, in the list of approved works, has been sent to Finance. Its return may be awaited.

Grants - Buildings - Secondary schools under private managements - Inclusion of certain schemes in the list of approved works - Sanctioned

Read

From the D.P.I. R.C.No 62 D2/48 dated 26-7-49 ,
6-8-49, R.C.No 11321 D2/46 dated
13-8-49, R.C. 62 D2/48 dated 19-8-49

Order No 3710 Education dated 2.12.49
Ms

The Govt sanction the inclusion in the list of approved works, ~~as a special case~~, of the schemes for the construction ^{or acquisition} of buildings ~~and acquisition~~ for aided secondary schools for boys and girls specified in the annexure to this order. While this approval does not convey any guarantee of grant, it will render the institutions eligible for a grant up to one half cost of the ~~cost~~ of construction or acquisition of buildings not exceeding Rs 35,000 under the provisions of the Grant-in-Aid Code if and when funds become available provided ^{all} the conditions prescribed in the Grant-in-Aid Code are duly complied with.

2. The action of the management of the Thyagaraya Chetti Hindu High school, Washermenpet, in having constructed a hall and provided sanitary installation at a cost of Rs 30,000 before the scheme was included in the list of approved works, was ~~irregular~~ ^{not in order}. The irregularity is ^{however} condoned as a special case. The grant will be based upon the valuation of the work by the local Public Works Department.

3. The D.P.S. is informed that no grant is admissible for the S.I.Ry High School, Golden Rock, as it is ~~a~~ ^{a central govt} institution.

C. No. 57930 B, /49.

Grant - Building - Secondary Schools for boys and girls - Inclusion of schemes in the list of approved works.

From the D.P.G. Rc. No. 62 D2/48 d/26-7-49
From the Correspondent, St. Joseph's Secondary School, Cuddalore N.T. d/30-7-49.

The D.P.G. has submitted a list of ^{new} schemes for the construction of buildings for secondary schools under private managements for consideration for inclusion in the list of approved works for the quarter ended 30-6-49. The Correspondent, St. Joseph's Secondary School, Cuddalore N.T. has renewed his request for the inclusion of the scheme ~~for the extension of the existing building of the School~~ ^{pertaining to the} in the approved list.

2. The last selection for inclusion in the list of approved works was made only out of the lists of schemes submitted by the D.P.G. with his letters referred to in para 2 of his letter at p1cf and orders were issued in G.O. No. Ms. 2376 Edn. d/21-7-49 placing ^{only} the three schemes specified in the annexure to this order in the list of approved works. ~~The scheme for the extension of the existing buildings of the St. Joseph's Secondary School, Cuddalore was also included in the list submitted by the D.P.G. but was not selected for inclusion.~~ ^{rest of the} The question of placing the schemes (which have not already been approved) will have to be considered only when the next selection is made.

In this connection the D.P.G. is being consulted whether certain criteria may be laid down for selection of schemes for inclusion in the list of approved works. The Director has been asked to submit a revised consolidated list of schemes taking into consideration the principles that are proposed to be adopted. It is

* H-2-3cf

p1cf

H-57-58 cf of (C)

Item 7 on p21cf of (C)

and H-55-56 cf of (C)

(A) Memo No 36796 A, /49 d/2-8-49

Last para in (A)

therefore submitted that the question of selecting schemes for inclusion in the list of approved works may be taken up for consideration after the revised lists are received from the D.P.G.

3. ~~It is not clear whether the building scheme referred to H.H. (E&L) may be with reference to his in the letter on p 5 of relates to the extension to the St Joseph High School Cuddalore or minutes on p 4 of.~~
for the construction of a new building for the school at Tiruppuruliyar at a cost of Rs 1 lakh which has ~~previously~~ been included in the list of approved works. This may be clarified.

A draft memo to the D.P.G. is subd below for approval

USN
3/5/49

[Issued as Memo No. 57930 B, /49-1 Edn. dated 5-8-49] p 5-6 of

C.No. 61147. from the D.P.G. D.O. No. 62-82/48 d/6-8-49. p 9-10 of

Please see the Director's letter on p 9-10 of. The consolidated list of schemes for the construction of buildings for aided Secondary schools and for extensions & improvements to the existing buildings for the quarters ended 31.12.48 & 31.3.49 were circulated to the H.M. (Eon) and only one scheme was selected on the first occasion & three on the latter occasion. no reasons have been recorded for not selecting more. It was presumably due to the fact that fresh commitments should not be undertaken before the existing liability is substantially reduced.

p 21-23 of and
p 27-29 of of (C)
p 5 of of (S)
p 12 of of (C)

There is nothing on record on this point.
12/8/49

2. It is doubtful whether Govt can agree with the D.P.G. that it is unwise to add new schemes to the list of schemes pending selection for inclusion in the list of approved ^{works} until the old schemes are exhausted. The selection should be made with due regard to the urgency & the necessity for the constructions proposed going

p 10 of

The D.P.G. says that the schemes are urgent (P.H.)

M

preference to schools in backward areas and to those which have not been aided so far by Govt. According to the decision of the Cabinet, the distribution should also be made district wise and according to this, schemes relating to districts for which grants have not been sanctioned in recent years should be preferred to those for which grants have been given.

3. The restrictions in regard to building grants for Secondary schools for boys imposed in 1941 were relaxed & grants have specially been sanctioned to certain schemes in 1948-9 and 1949-50. In view of the prevailing financial stringency and the necessity to provide for disbursement of grants for schemes for which grants have already been sanctioned in the budget for 1950-51 & succeeding year, it would seem impossible to sanction the inclusion of a large number of new schemes in the approved list although they have been awaiting inclusion for a long time.

Please see the next page

Please see the next page
12/8/49

(A)

para 4 on p 10 of

4. A list of schemes which are to be considered for inclusion in the list of approved works is put up at (E). It is for consideration whether the D.P.G. may be asked to indicate the priority and also to furnish the particulars required to make a selection so far as they could be readily furnished with reference to Memo no 367960/49 - 5 Edn. of 2-8-49.

5. The Director's suggestion that the management may be permitted to proceed with the works pending inclusion in the list of approved works and that he may be permitted to suggest provision for disbursement of grants for those schemes does not seem acceptable. It amounts to placing all those schemes in the approved lists and although it may be said that it implies no guarantee of grant, it will be placing the management in an awkward predicament unless they can secure funds to proceed with the schemes even though no grants are sanctioned by Govt. It is there fore for

Unless a management is able to meet its share, it will not apply for a building grant.
12/8/49

consideration whether such a permission should be accorded. It is always open to those managements which can afford to proceed with the works after obtaining the approval of the D.P.D. to the plans & estimates & then apply for grant taking the risk of not getting any grant if funds are not available. Finance will have to be consulted if the Director's suggestion is to be accepted.

For orders.

11-8-49

From 1941 to 1948 there was a ban on the entertainment of applications for building grants for secondary schools for boys except those situated in backward areas. The ban was relaxed only last year. When the relaxation was decided upon, a limit ~~was~~ of Rs 35,000/- was imposed as the maximum grant in respect of every building scheme although previously no monetary limit had been fixed. Thus according to the old rules, the grant in respect of a building scheme ~~with~~ Rs. one lakh, was Rs 50,000; but according to the revised ~~rules~~, the grant is only Rs 35,000. The management has to meet its share of the cost either from its own funds, if it has any, or from subscriptions or donations. No management will embark on a building scheme unless it is sure of finances.

According to the provisions in the Madras Educational Rules, the provision of suitable accommodation and equipment is one of the conditions of recognition. Many ~~secondary~~ schools are understood to be in the list of ~~temporarily~~ recognised schools for one defect or another. Within the last three or four years, the number of secondary schools in backward as well as in non-backward areas, is increasing year after year. In the city of Madras and in important municipal towns, the rush for admissions into existing secondary schools also is great so much so that ~~several~~ schools work in shifts.

rules 1948-49 and 28-29 of Govt. No. 151

51930 M/49.2 En
13/8/49

13/8/49

The view of the D.P.D. that further delay in the inclusion of the approved list of the pending applications for building grants, will not only chill the enthusiasm of the managements, but also retard the progress of the schools for want of adequate accommodation, seems to be acceptable. The list of pending schemes on pages 1-3 of (E) is representative ~~of~~ in character; the various D.P.D.s and regional centres are included. As recommended by the Director, the schemes ~~may~~ ^{perhaps} be included in the approved list with a view to enable the managements concerned to proceed with the schemes. The question of provision of funds may be taken up as a Part II scheme for 1950-51 and the grants payable may be spread over two or three years.

The Director's view that it is not necessary to swell the list with fresh schemes, may also be accepted. He need not be asked to send quarterly list of schemes for inclusion in the approved list for at least a year. By that time a decision on the points raised in the Memo at (A) will have been taken.

Finance may see prior to circulation.

12/8/49

S / Fin

I am not sure we should accept the list at (E), and bar all other cases, without the precise examination contemplated in G.O. at A. Finance may advise.

13/8/49 ✓
Fin

Finance (Exp.A.) Dept.

The file deals with the procedure to be adopted for the selection of schemes relating to the construction of buildings for aided secondary schools, for inclusion in the approved list.

2. Under the rules in Chapter VII of the Grant-in-Aid Code, the Director should maintain a list of schemes approved from a technical point of view. The inclusion of schemes in the approved list does not convey any guarantee of grant but will, subject to availability of funds, render the scheme eligible for a grant towards one-half of the actual cost of construction not exceeding Rs 35,000. Every year some schemes out of the ^{approved} list are selected and provision is made in the budget of the following year under Part II for payment of grant therefor.

The inclusion of the building schemes in the approved list is, however, now sanctioned by Govt. For this purpose the Director has been submitting a list once in a quarter including new schemes as well as those proposed in the previous lists but not included in the approved list. The list for the quarter ended 30-6-1949 is at (E).

3. The points on which the remarks of this Dept. are invited are whether the schemes listed in (E) may all be included in the approved list without examining the question of their inclusion in the light of the criteria mentioned in O.M.No.36796 B1/49-5 dated 2-8-49 and whether till the approved list [with the schemes in (E)] is exhausted, the inclusion of further ~~fresh~~ fresh schemes may be barred.

At present, the Govt. are selecting only a few from the D.P.I.'s quarterly lists for inclusion in the approved list. When the lists for the quarters ending 31-12-48 and 31-3-1949 were circulated to H.M.(Education), only one scheme was selected on the first occasion and three on the latter occasion. Though the inclusion of schemes in the approved list does not imply any guarantee of grant, it

will encourage managements to proceed with the works. If after starting construction, the managements find it difficult to proceed with the works for want of funds, they will immediately apply for Govt. grant and the Govt.

will find it difficult to reject their applications, as it will not be desirable to have the buildings in an incomplete form. In view of the present financial stringency, it ^{will} not be possible to allot large sums for building grants for ~~many~~ ^{some time to come}. Finance may, therefore, suggest that the number of schemes to be included in the approved list may be restricted to the absolute minimum, the selection being done in the light of the criteria mentioned in O.M.No.36796 B1/49-5 dated 2-8-1949.

As to the second point, the Cabinet has decided that distribution should be made district-wise i.e. schemes relating to districts for which grants have not been sanctioned in recent years should be preferred to those for which grants have been given. In the light of this decision, it does not seem that the admission of new schemes which may be put up in the future can be barred altogether.

18-48 C.No.64351: From the D.P.I. R.C.62 D2/48 dated 19-8-49.

Please see the Fin. Dept's note above. The points for decision ^{and} in the suggestion of the Fin. Dept.

in respect of them are noted below:-

Points for decision.

(1) Whether the Schemes listed in

(1-3)

(E) may all be included in the approved list without examining the question of their inclusion in the light of the criteria mentioned in Memo No. 36796 B1/49-5 Edn. dated 2-8-49.

(A)

(2) Whether till the ~~approved list~~ ^{schemes} mentioned in the list at (E) are exhausted, that is to say, placed in the approved list, grants are sanctioned to no schemes after consideration as a Part II scheme, the inclusion of fresh schemes may be ~~barred~~ ^{deferred}.

Suggestion of Finance.

As it will not be possible to allot large sums for building grants in view of the present financial stringency, the no. of ~~schemes~~ ^{schemes} to be included in the approved list may be restricted to ~~the~~ the absolute minimum, the selection being made in the light of the criteria mentioned in Memo No. 36796 B1/49-5 Edn. dated 2-8-49.

As according to the decision of the Cabinet, schemes relating to the districts for which grants have not been sanctioned in recent years shd. be preferred to those for which grants have been given, the admission of new schemes cannot be barred altogether.

2 The suggestion of the Fin. Dept. that the selection of new building schemes for inclusion in the approved list should be restricted to the absolute minimum ^{may} be accepted, as Govt. have sanctioned grants to a number of schemes recently and until they are disbursed, it is not desirable to undertake fresh liability on a large scale. In regard to the selection of schemes out of those listed at (E), it is for consideration whether the additional information called for in the Memo at (A) should ^{be} awaited, as the D.P.I. may take a long time to furnish the information and it may not be possible to consider the question of provision of funds for the schemes that may be newly selected in connection with the B.E. for 1950-51.

3. In regard to the preference to be given to schemes relating to districts which have ~~been~~ not been benefitted in recent years, it is presumed that secondary schools for boys and girls should be taken together. If so the schemes relating to Guntur, Kurnool, Bellary, Cuddapah, Chittoor, Madurai, and Salem will have to be given preference

Girls' education has not progressed in the manner as boys' education.
8-9-49

but if no application for aid have been received from ~~these~~ ⁱⁿ schools ~~from~~ those districts other urgent schemes may be selected.

37

4. Attention is solicited to the D.P.I.'s letter on p.18 c.f. In the circumstances stated ~~by the D.P.I.~~ ^{therein} it is for consideration whether the scheme ~~may be~~ ^{is} for the acquisition of ~~gaining~~ ^{gaining} houses for the Hindu High School Triplicane selected for inclusion in the approved list so that the question of provision of funds for payment of grants may be considered as a Part II scheme for 1950-51.

5. With ref. to the minutes of H.M.(E & L) ~~and~~ on the application for a grant for the construction of four additional class rooms for the Providence Girls' High School, Calicut, it is submitted that the scheme is included in the list at (E) from which a selection has to be made. Grants have been sanctioned in recent years to certain schools in Malabar District and the scheme in question cannot be given priority ~~with ref.~~ ^{according} to the Cabinet decision ~~referred to in the Fin Dept's note~~ ^(last para p 7).

6. Attention is solicited to the minutes of H.M.(E & L) and H.M.(Food & Fisheries) on the application for grant for extension to the St. Joseph's High School Cuddalore on pp.4-6 and 13 c.f. A grant of Rs.35,000/- was sanctioned only recently in G.O.No. ²³⁷⁶ ~~2406~~ Education, dated 21-7-49 for the construction of additional buildings to the St. Joseph's Sec. School, Tiruppapuliur Branch. As the present application relates to the same District it is for consideration whether this scheme should be selected. If the extensions to the school at Cuddalore are more essential than to the schools at Tiruppapuliur it is open to the management to utilise the grant ^{above} sanctioned in the G.O. for this purpose with the permission of Govt. ~~if~~ ^{both} are under the same management.

7. With ref. to the Director's letter on pp.9-10-c.f. he may be informed that it is not possible to permit the managements of schools which have been awaiting the inclusion of their schemes in the approved

p 29 cf C. No. 78753 from the D.P.I. Re. No. 62 D2/48 d/10. 10. 49.

The file relates to the selection of schemes for the construction of buildings for aided secondary schools for inclusion in the list of approved works. The notes of this department from page 7 ante may be perused in this connection.

2. The particulars required by the Secretary in his note on page 10 ante have been furnished by the D.P.I. in the statement on page 30 C.F. It will be observed therefrom that the outstanding commitment ^{in 1950-51} in respect of schemes for which grants have already been sanctioned ~~in 1950-51~~ is estimated at Rs 5.68 lakhs roundly (Both Boys' and Girls' schools). Provision for this will have to be made in Part I of the budget estimates ^{for 1950-51} and the D.P.I. has recommended separately that a sum of Rs 5.18 lakhs may be made.

In accordance with the usual practice, $\frac{1}{3}$ of this sum is likely to be provided in Part I estimate

Wm
14. 10. 49

Schemes which have been included in the approved list but for which provision for payment of grants has not so far been made will have to be considered as Part II schemes. The number of such schemes is small and a total sum of Rs 50,000 only has been proposed in respect of such schemes.

Vide list on p 4 of (E)

A reference is invited to the D.P.I.'s Do on pags 9-10 cf and the notes from page 2 ante

Wm
14. 10. 49

It is for consideration whether any more schemes may now be selected from the list forwarded by the D.P.I. ^{pages 1-3 of (E)} and so that the question of provision of funds for payment of grants ~~in~~ ^{may} ~~1950-51~~ for those schemes ~~should~~ be considered in connection with Part II estimates for 1950-51. Attention is in this connection solicited to para 5 of the Finance Dept's u.o. note No 57293 A/P.W.R. dated 12-10-49.

(R)

12
The file may be circulated to H.M. (Edn & L) and H.M. (Food and Fisheries) with reference to their minutes on pp. 11, 13, 16, & 23 of and the D.P.I. letter on p. 13 of. As suggested in para 8 on page 10 ante, the file may be circulated.

13-10-49

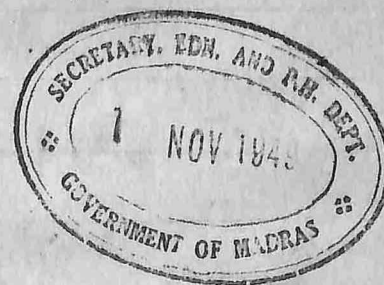

14-10-49

S H.M. (Edn & L)
" (Food)

Government is already committed to grants of Rs 5.18 lakhs in respect of approved schemes already under construction and Rs 50,000/- in respect of schemes which have already been approved. The expenditure in previous years in respect of building grants is stated at p. 30 c.f. Even last year when the expenditure was considerably increased, the total was only about Rs 2.32 lakhs. It would appear therefore that our commitment this year is already very much above that of previous years and is not likely to be accepted fully for the budget. In the circumstances it is for consideration whether the 28 schemes which the D.P.I. has now proposed at Flag 'E' should be included in the approved list. In connection with the approving of such schemes, the D.P.I. was directed to follow certain criteria in Memo No. 36796-B1 dated 2-8-1949, Flag 'A'. He has not examined these schemes according to that criteria. In the circumstances it does not seem possible to accept the whole list as proposed.

It is for consideration whether the following specific schemes should be selected out of that list:

- (1) Providence Girls' High School, Calicut: in respect of which H.M. has minuted at pages 11 and 16 c.f. Rs 21,500
- (2) St. Joseph's High School, Cuddalore in respect of which H.M. (Food) has minuted at pp. 13 c.f. + H.M. (Edn) at p. 14 c.f. Rs 26,500

H.M. (E.&L.)

H.M. (Food)

All the 28 schemes which the D.P.I. has proposed may be included in Part II for 50-51

KM
10/10

39
Please see the minutes of H.M. (Edn) and (Law) on page 12 ante. It is apparently the H.M.'s intention that not only the 28 schemes specified in the Director's list should be included in the list of approved works ^{now} but ^{also} the question of provision of funds in the B.E. for 1950-51 should be considered as a Part II scheme.

2, The Part II scheme ^{file} relating to building grants to aided secondary schools has already been sent to Finance without taking into account ^{as this file was in circulation} the 28 schemes. The total grant admissible in respect of these schemes is 7.06 lakhs and even granting that the disbursement of the grant may be spread over three years, the additional ^{in 1950-51 estimate} provision to be included for these schemes will be at least Rs 2 lakhs. Finance have been remarking in all building schemes files that in view of the present financial stringency and the anticipated difficulty in the ways and means position in the next year, even small building schemes should be deferred. The file may therefore be sent to Finance u.o. for perusal and remarks, if any, before orders are issued including all these schemes in the list of approved works.

13-11-49

A above. Item 11 in the list at (E) relating to the building scheme for the S.I.-Ry. High School, Golden Rock, need not be placed in the approved list, as this is an institution of the Central Govt. and no grant need be given. The institution has been recognised by the Education Dept. so that pupils passing out of this institution may join colleges or other technical institutions.

Excluding this institution, the grant admissible in respect of the remaining 27 schools, amount to Rs. 7 lakhs. This amount may perhaps be spread over the

Years from 1950-51 in view of the need for economy in expenditure.

1-11-49

Finance (B.E.I.)

PART II SCHEME FOR 1950-51.

Building grants to private managements for the construction of buildings for aided Secondary Schools.

The D.P.I. has recommended that the 28 schemes specified on pages 1-3 of the list at flag (E) for the construction of buildings for the aided Secondary schools may be included in the list of approved works. The question of their inclusion in the approved list has not been examined by the D.P.I. in the light of the criteria laid down in the Memorandum at flag (A) for the selection of such schemes. H.M. (E. & L) has, however, minuted that all the 28 schemes which the D.P.I. has proposed may be included in Part II for 1950-51.

E. & P.H. have omitted item 11 in the list at (E) as this is an institution run by the Central Govt. Excluding this institution, the grants admissible in respect of the remaining 27 schools amount to Rs 7 lakhs. E. & P.H. suggest that in view of the need for economy in expenditure, this amount may be spread over three years from 1950-51. The amount to be included in Part II of the Budget for 1950-51 will then be Rs 2.30 lakhs. Finance may agree to the proposal being included for consideration as Part II Scheme for 1950-51. subject to the remark that the provision to be included in the next year's budget may be limited to Rs 2 lakhs.

E. & P.H. may prepare the necessary part II Scheme Note after taking orders in circulation including H.M. (Fin.)

[In the Part II Scheme file relating to building grants to aided secondary schools which has since been returned to E. & P.H., it is proposed to provide a sum of Rs 1,50,000

Education and Public Health Department
B1 section.

Please see the Finance Department's note from page 14 ante.

2. In the linked file it has already been decided that the question of providing a sum of Rs 1.5 lakhs for payment of grants in 1950-51 for twelve schemes which have already been included in the list of approved works may go forward as a Part scheme for 1950-51.

3. The proposal in this file is to provide an additional sum of Rs 1.5 lakhs for payment of grants in part for 27 more schemes in 1950-51 by treating it also as a Part II scheme. The maximum grant payable for the 27 schemes amounts to 7 lakhs but is proposed to spread the disbursement of the grant over at least three years. If this is approved, all the 27 schemes will be ordered to be included in the approved list and the question of providing in the budget for 1950-51 for part payment of grants for these new schemes will be considered as a Part II scheme. Finance have agreed to the proposal subject to orders being taken in circulation. The file may be circulated to H.M. (Edn) and Law and H.M. (Fin). for orders. A consolidated Part II scheme note will be put up after the file is received back from circulation.

As H.M. (Edn) has already ordered the inclusion of the schemes in the approved list, it seems unnecessary to circulate this file again. This may be circulated to H.M. (Finance).
