R.O.C.No.683-W1/49 dated 20th September, 1949.

SIR,

Education--Financial Assistance to refugee students from
Pakistan studying in specialised institutions--application
of Sri Savya Saachi.

I have the honour to request you to let me know whether I
can sanction a loan under G.O.No.272-Education dated 9.2.1948 to Sri
Saachi a non-muslim refugee student from Pakistan under the following
circumstances:-

(a) The application of the refugee student dated 10.3.48
was one of the five applications forwarded to me for disposal with
the Government Memo.No.24204-G2/49-1-Edn., dated 20.4.1949. As the
application was not signed by the parent or guardian of the candidate
and as the certificate prescribed in para 3 of the G.O.No.272-Edn.,
dated 9.2.1948 had not been received, I requested the Principal,
Madras Medical College, where the student was reading, to supply
the omission. In his letter dated 9.5.1949, the Principal reported
that the student had already passed out of the college. The correct
and revised application which has been signed by his parent Sri M.L.
Kohli is dated 19.4.1949. It is seen from the Income Certificate of the
parent that the parent was in receipt of a salary of Rs.280/- p.m.

(b) The Principal was asked to state as to why a loan is necessary
for the candidate when he had already passed out of the college and when
his parent is in receipt of a decent salary of Rs.280/-per mensem. The
Principal has obtained and sent a reply from the candidate wherein he
states that the loan is necessary to pay off debts incurred by him
already during the course of his study and that it is impossible for
his father to maintain his family consisting of three sons and three
daughters with his salary of Rs.280/- - vide copy of his letter dated
25.8.1949 and the Principal's recommendations thereon No.10694-Refugees dated
31.8.1949 - copy enclosed.

2. I request you to let me know whether the loan asked for by
the candidate may be sanctioned under the above circumstances.

Yours faithfully,

K. S. K. K. K.

With reference to the reference quoted above, I am sending a copy of the letter from the student and I recommend that his application may be favourably considered under the circumstances stated by him in his letter.

II.

Copy of letter dated 25.8.1949 from Dr. Savya Saachi, Exrefugee student, to the Principal, Medical College, Madras.

Ref:-Your letter No.10038/Refugees dated 12.8.1949 which I got at 1.30 P.M. today. I beg to state that as mentioned in my previous letter to you dated 9.8.1949 though my father is getting a pay of Rs.280/- as circumstances stand today there is no way out but to ask for loan.

I know very well that taking a loan is not a very honourable thing and ever since my coming over to this place, I have been pleading to my father to manage somehow. But his arguments can convince anybody. He had to leave Lahore during the middle of riots with the whole family with barely the linen on their bodies. To restart a home with a family consisting of three sons and three daughters and at the same time to keep both ends meet, may seem impossible to anybody with Rs. 280-0-0 all total.

To keep myself going here besides food and lodging for which I did not pay I had from ^{time} time to time to borrow from friends who have either been lucky or well stationed. Now to pay a consolidated sum of £.1190-9-0 is beyond my means and impossible.

I therefore request that my loan application may please be reconsidered in the light of these circumstances.

Hoping to be favoured.

Thanking you.
