No.I.P.D.M/99.

Dated:- 11-11-1949.

Sir,

14 NOV 1949

Sub:- Government Press - Establishment - Temporary - for distribution of Kannada and Malayalam Editions of Grow More Food Journals.

Ref:- Education and Public Health Memorandum No.77562 C.2/49 Edn. dated 22-10-1949.

I have to state that Tamil and Telugu editions of Grow More Food Journals are being printed and distributed from the Press. The following are the number of copies printed in each language and the number of units despatched from the Press for the month of August 1949.

Language.	No. of copies printed.	No. of units despatched.
Tamil	6,000	5,711
Telugu	18,000	12,303
		18,014

The staff sanctioned for the distribution of the above journals is only 4 despatchers on Rs.35-2-55 (E.B)-1-65. This sanctioned staff is hardly sufficient to cope up with the ever increasing despatch work in this section.

Government in G.O.No.2227 (M.S) Dev. dated 25-4-1949 have sanctioned the printing of Grow More Food Journals in Malayalam and Kannada languages, 2600 copies in all. The number of copies printed in each language and number of units despatched from the Press for the months of September 1949 and October 1949 are as under:-

Month.	Language	No. of copies printed.	No. of units despatched.
September '49	Tamil	6,500	25,144
	Telugu	18,500	
	Malayalam	1,200	
	Kannada	1,400	
October '49	Tamil	7,870	28,289
	Telugu	19,180	
	Malayalam	1,200	
	Kannada	1,400	

P.T.O.

-2-

It will be seen from the above that the number of copies printed and number of units despatched progressively increase from September '49, the month of publication of Kannada and Malayalam issues of the Grow More Food Journals. This section is unable to cope up with the ever increasing normal work and if the work of distribution of Kannada and Malayalam editions of the Grow More Food Journal is also to be undertaken by the Press, I request that Government may be pleased to sanction one additional temporary Despatching Clerk on Rs.45-90 in the first instance for a period of one year with immediate effect.

Early orders of Government are solicited.

The letter from the Director of
Agriculture in the C.F., and the draft
order above, may be perused. In G.O. No.
2227 Dtd. 8.25.44, the Govt. have
sanctioned the printing of 2600 copies of

Kannada and Malayalam Journals relating to G.M.F. Campaign. But even now nearly 15,000/- copies of the journal are being printed at present in each of the two principal languages of this province viz Tamil and Telugu. It is not known whether the distribution of these copies, is being done in the office of the D.A. or the Supdt. Govt Press, and whether any addl staff has been sanctioned in any of their offices for this purpose. Both the D.A. and the S.G.P. have not stated anything on this point. The meeting for an addl L.D. Clerk proposed for attending to the distribution of 2600/- copies ^{alone} a month seems to be hardly acceptable. EPH. It may be requested to obtain information as 'A' above, if they wish to press for the proposal.

8m 12/11/49 13/11/49 There is a huge staff in the Govt Press for Despatching work with a Despatching Manager on Rs 140-190 or so. It should not be a problem for the S.G.P. to undertake the distribution of the 2600 copies of the pamphlets relating to the Agricultural Dept. He may be directed to take up this work and to put forward separate proposals for any addl staff he may require with Statistics in support of his demand.

EPH/C2

Please see the letter from the S.G.P. on p. 5 of. There are at present four temporary Despatchers on B 35-2-55 EB-1-65 employed in the Govt. Press for attending the work of distribution of the G.M.F. Journals. One S.G.P. states that this staff is hardly sufficient to cope up with the ever increasing ~~work~~ despatch work in this particular section as is evident from the statistics furnished by the S.G.P. in this letter on p. 5 of. It is seen that the number of units despatched which was about 18,000 in August 1949 has increased to 28,289 in October 1949. This increase is seen to be due not only to the addition of Malayalam + Kannada issues of the G.M.F. Journals but also to the general increase of the Tamil and Telugu ~~issues~~ issues of the journal. Considering the abnormal increase of work, the proposal of the S.G.P. for the employment of one Despatching desk on B 45-90 seems justified and may be supported in this dept.

Finance may see again.

Finance (E. 11)

(Pre finance note on p. 12 above)

The letter from the S.G.P. on p. 5 of. and the further note of EPH. It may be perused. In the circumstances explained

Finance may agree to the employment of an addl despatcher on Rs 35-65 in the Govt Press, Madras for a period of 6 months in the first instance. ^{the extra cost involved will be Rs 948/- p.m.} As the existing despatchers in the Govt Press are only on a scale of pay of Rs 35-2-55 [E.B.] - 1-65, there seems to be no justification for sanctioning a L.D. clerk on Rs 45-90 for this purpose.
