In another file the question of prescribing the conditions of service of the superior and inferior staff in each of the offices of the units, specifying the appointing authority, etc. has been ordered to be examined. That examination will also have to include whether the Ministerial posts should be within the purview of the P.S.C. or not. The connected file has gone to Finance. It is possible that a decision may be taken within three months. An extract of the Secretary's orders overleaf will be added to that file so that it may not be lost sight of. Sub: APPEAL - HEAD CLERK MR. M.S. ROYAN.

Sir,

I am herewith sending in original an appeal from above mentioned Head Clerk.

88290

He has been working under me since my taking over the command of this unit (21.9.43), and I have opportunities to see his work.

Herewith my observations about him.

- (a) Hard-working and conscientious.
- (b) Never grumbles about pay & allowances.
- (c) Has put in 23 years of service.
- (d) Average intelligence, ^{but} tactful, reliable and very steady.

Considering his middle age and still "floating about" with no fault of his, weight should be given to his 23 years of continuous stretch of clean record.

Strongly recommended that his previous services with effect from 1.11.25 should be counted towards his pay pension and promotion in the Provincial Government.

Yours faithfully,

To
The Comd.,
1st Madras Bn. N.C.C.

Sir,

I beg to submit this appeal for the sympathetic consideration of the authorities in view of my long and faithful service in the A.F.I. and I.T.F. Units, particulars of which are attached.

When I was appointed on 1-11-25, I had the fervent hope that my service will be made permanent and pensionable in view of the fact that several schemes were under consideration of the Govt. from 1922, including absorption in the I.A.C.C., the institution of a Provident Fund etc. all of which to my dismay were finally dropped at a time when chances of being absorbed in other departments were shattered due to being overaged at the time of the final decision.

In this connection I have to mention that I have maintained an unblemished record of service not having been fined or reprimanded at any time during my work in various capacities in the A.F.I. and I.T.F. Units - in proof of which copies of my testimonials are attached.

Under the above circumstances I would be very grateful if the Central Govt. is pleased to contribute my pension benefit for the years of service that I had put in with them to the Provincial Govt., under the provisions of GHQ letter No. B-45139/1/AG 14 of 16-3-37, copy forwarded to this office under H.Q., Madras letter 25101A dtd. 13/15-1-48, so that I could avoid a break in the continuity of my service and enjoy the benefits of a pension after my retirement.

My date of birth is 9-6-1902 and I started to work in my 23rd year of age.

Yours faithfully,

M. S. Royan

In G.O. No. 1942 Edn., dated 5-8-48, the Govt. ordered the retention from 15-7-48 (the date on which the UOTC was disbanded) of the clerical and menial staff employed in the defunct UOTC battalions at Madras and Tiruchirapalli ^{in the offices} for the battalions of the NCC. It is proposed to include the posts of clerks, lascars and peons in the M.M.S., M.G.S.S. and M.I.S. respectively. The retention in the service of this Govt. of ~~the~~ ^{offices and} existing incumbents in the battalions of the NCC in this Province who were taken over from the ^(defunct) UOTC would involve ~~in~~ ^{the relaxation of} certain rules ~~in the special order~~ for the three services. It is therefore necessary to examine which of the rules will have to be relaxed in ^{of each subordinate taken over from the U.O.T.C.} each case to admit his absorption in the service

concerned. The O.Cs of 1st and 2nd Madras Infantry Battalions and 3rd Madras Engineer Centre are requested to furnish at an early date, a statement showing full particulars regarding age, ^{educational} qualification, ^{technical qualifications} community etc. of each of the incumbents taken over into the NCC from the ex-UOTC.

I have known Mr. M.S. Royan since July 47, being the Head Clerk of the 1st Madras Bn., UOTC, for which Unit I was the Adjutant, till this date.

I found in Mr. M.S. Royan, a very experienced and extremely efficient clerk, being the Head Clerk he was in charge of the Accounts and held Supervision over three junior clerks under him. Mr. Royan is slow, steady and accurate to the minutest detail in all the branches of the work and I can without hesitation assert that he is not the type who will let down his officer. On the other hand the latter will be gaining much experience by his valuable suggestions and advice.

Mr. M.S. Royan is honest and trustworthy, amiable in his disposition and possesses excellent manners. His character and conduct is excellent.

The O.Cs. of the I and II Madras Battalions and 3rd Madras Engineer Centre are informed that the Govt. are now considering the question of ~~the~~ scales of pay of clerks, lascars and peons in their offices ^{and battalions} and also the fixation of pay of ~~the~~ ^(that) in the respective scales will be sanctioned, of the existing incumbents who were taken over from the defunct UOTC to the N.C.C. The O.Cs. are requested to furnish a statement showing the names of the staff (who were taken from Ex-UOTC ^(and also of those) who were newly recruited), their pay, D.A., and House Rent Allowance (each separately) that is drawn by them at present.

2. The Officers Commanding are also informed that the question of treating all the civilian clerical and menial posts in their offices as pensionable posts is also under consideration and the Director, N.C.C., will have to be addressed whether the Govt. of India will be agreeable to bear the leave salary and pensionary contributions for the services rendered ^(with 14.7.48) by the employees of the defunct UOTC taken over to the NCC. A copy of this office No. NCC/66/48 dt-24/9/48 addressed to the Registrar, University of Madras in reply to letter No. 51265-B/48-28 Bdn dt 20/9/48 Bdn dt 20/9/48 from the Secretary to Govt of Madras is herewith fwded.

It is strongly recommended that the pay of the personnel be fixed at least as indicated therein. The pay of the typist also be fixed on the scale 55-3-85. BB 4-125-5-130.

The above-mentioned does not include cleaners and it is recommended that the cleaners' pay be fixed as for lascars and teens. It is further stated that these experienced hands taken over from the U.C.F.C. were receiving pay and allowances with effect from 1/1/1947 as shown in column 7 in the attached. Their pay and allowances have been drastically cut since their transfer to the N.C.C. They are now having the firm hope and confidence that they will be only benefitted in the long run by their being brought by the Provincial Government to the scales of pay drawn by them on 1/1/1948 in the U.C.F.C.

Extract from NCC letter No. 5 (No. 0157/49/NCC) of 21.3.49. 25/26

CLERKS - COUNTING OF PREVIOUS UOTC SERVICE FOR SENIORITY OF INCREMENT OF PAY.

24. The question of counting previous service in the UOTC for seniority and increment of pay as a clerk in the NCC is a matter for decision by the Provincial Govt. His present terms and conditions of service are the same as of similar employees of the Provincial Govt. We, however, strongly recommend that previous service in the UOTC should be counted for seniority and increment of pay. Put up to your Govts where this affects your clerks.

ORDER (MS) NO.

EDN. DATED

In 1948, the Govt. sanctioned the formation of two infantry battalions and one Engineering unit of the Senior Division of the N.C.C. under the N.C.C. Act, 1948 in this Province, in the place of the two battalions of the U.O.T.C. ~~which were abolished~~ consequent on the abolition of the latter from 15th July, 1948. There are (1) Ist Madras Infantry Battalion, Fort St. George, (2) 2nd Madras Infantry Battalion, Tiruchirappalli and (3) 3rd Madras Engineer Centre, Guindy. The clerical and menial staff employed in the battalions of the defunct U.O.T.C. were taken over into these N.C.C. units. The Govt. have had under ~~consideration~~ the question of including the above staff in the respective subordinate services, retaining them in service by protecting from the adverse effects of the service rules and excluding the ministerial posts in these

and they have decided these offices from the purview of the MADRAS Public Service Commission. They now direct that the posts of clerks and typists in these offices be included in the Madras Ministerial service, lascars in the Madras General Subordinate Service as a separate class as "N.C.C.", and peons in the Madras Inferior Service.

2. The inclusion of the above posts in the respective services has necessitated the relaxation of certain rules in favour of the existing incumbents in the offices of the units to avoid hardship. In exercise of sub-section (5) of section 241 of the Govt. of India Act, 1935, H.E. the Governor of Madras directs that the rules mentioned in column (2) of annexure I to this order be relaxed in favour of the incumbents shown against them. Orders in regard to the training of Ad-hoc rules for the lascars and the relaxation of those rules in favour of the existing incumbents to the extent necessary will be issued separately.

3. Most of the existing staff in the offices of the three units were taken over from the Ex-U.O.T.C. and as they will be more useful and well-acquainted with the work of the units than the new recruits. The Officers Commanding the units are from the Regular Army and they would also preferable to have ex-army men who are experienced in the military correspondence and procedure. Under proviso to sub-section 2 of section 241 of the Govt. of India Act, 1935, H.E. the Governor of Madras considers that the ministerial posts in the offices are not suitable for regulation by the Madras Public Service Commission. Necessary amendments to the M.P.S.C. regulations are being made in the Public Dept.

4. The Govt. also direct, after careful consideration, that the offices of the three units mentioned in para 1 be classified as 'B' class and that the scale of pay of the various posts in them be fixed with effect from 15-7-48 as shown below:-

Headclerk - Rs. 80-3-95-5-100 110
L.D. Clerk - Rs. 45-3-60-2-90.
Typist. - Rs. 45-3-60-2-90 (with an allowance of Rs. 10 p.m. for Higher Gr. in typewriting)

Lascars - Rs. 22-1-30.

Peons. - Rs. 16-1-25.

The pay of the existing incumbents who were taken over from the Ex-U.O.T.C. in the 1st and 2nd Madras Battalions will be fixed Rs. 15-7-48 as shown in annexure II to this order. The pay of Sri K.P. Ganesan, Clerk, 3rd Madras Engr. Centre, be fixed on the date of his appointment in the unit at Rs. 45/- in the scale of Rs. 45-90 and of the lascars and peons at Rs. 22 and 16 respectively.

5. Orders on the question of treating the posts in the units as pensionable ones and counting service in Ex-U.O.T.C. will be issued later.

2. With a view to avoid hardship to the existing incumbents by the treatment of the above posts as temporary additions to the respective services, it has become necessary to relax certain rules in their favour. In exercise of the powers conferred by section 241(5) of the Government of India, Act, 1935, His Excellency the Governor of Madras, therefore, directs that the relevant rules be relaxed in favour of each of the incumbents of the posts to the extent necessary to enable them to be absorbed as regular members of the respective services with effect from 15th July 1948.

3. Most of the existing staff in the offices of the three units were taken over from the Ex-U.O.T.C., as they will be more useful and well-acquainted with the work of the units than new recruits. It is also considered preferable to have in those offices ex-army men who are experienced in the military correspondence and procedure. The ministerial posts in the National Cadet Corps offices will therefore be excluded from the purview of the Madras Public Service Commission.

4. The Government also direct that the offices of the three units mentioned in para 1 above be classified as 'J' class and that the scale of pay of the various posts in them be fixed with effect from 15th July 1948 as shown below:-

Lascars.	Rs. 22--2--30
Drivers	40--1--50
Peons.	16--2--25

The pay of the existing incumbents who were taken over from the Ex-U.O.T.C. in the 1st and 2nd Madras Battalions will be fixed from 15th July 1948 as shown pay/ in Annexure 1 to this order. NATIONAL CADET CORPS - Senior Division - Office of the 1st and 2nd Madras Infantry Battalions and 3rd Madras Engineer Centre - Clerical and other staff - Fixation of pay.

From the Officer Commanding the 1st Madras Battalion, NCC, No.1/150/NCC dated 12-10-48 and No.1/159/NCC dt.14-10-48

Extract from the notes relating to the fixation of pay of the clerical staff in the office of the 1st Madras Infantry Battalion, NCC.

x x x

The question of fixing the scales of pay for the clerical and inferior staff in the offices of the three units and the pay to be allowed to the persons taken from the defunct U.O.T.C. offices may be taken up separately.

x x x

Please see the letter from the Officer Commanding the 1st Madras Battalion, N.C.C., on pages 2-3 c.f. and the notes extracted above.

2. Two Infantry Battalions of four companies each (1st Madras Battalion, Fort St. George, and 2nd Madras Battalion, Tiruchirappalli) and one Engineer Centre (3rd Madras Engineer Centre, College of Engineering, Guindy) have been formed in this Province as units of the National Cadet Corps with the ~~existing~~ units of the Ex-U.O.T.C. According to the scale of establishment of the N.C.C., the following staff should be provided for by this Government for these units:

	Clerks.	Typist.	Lascars.	Peons.	Driver and Sweeper
1st Madras Battalion.	Two (One Senior and another Junior)	-	Eight	Two	-
2nd Madras Battalion.	Do	-	Do	Do	-
3rd Madras Engineer Centre.	One	-	Two	One	-

A typist in the scale of Rs.45-3-60-2-90 with the usual allowances has been sanctioned for each of the infantry battalions. Four motor trucks for each of the four companies of the infantry battalions and one for the Engineer Centre

will be supplied by the Military and it is necessary to employ 9 drivers, one for each vehicle. The question of employing drivers, ~~cleaners~~ and sweepers and the scale of pay to be allowed to them is under separate consideration.

3. The scale of pay suggested by the Director, National Cadet Corps for the posts of clerks, etc., are as follows:-

Clerks. Pay at an average of Rs.80/- p.m.

Lascars & Peons. Pay at an average of Rs.50/- p.m. (inclusive of allowances).

Out of the two clerks admissible for each of the two infantry battalions, one will be Senior and the other will be Junior. and the clerk for the 3rd Madras Engineer Centre will be Junior. The offices of these three units may be classified as 'B' Class offices. If so, the scale of pay of Rs.80-3-95-5-110 admissible for Upper Division Clerks or Head-clerks in those offices may be allowed for the Senior clerk ^{who may be designated as the head clerk} and the scale of pay of Rs.45-3-60-2-90 admissible for L.D. clerks may be allowed for Junior Clerks ^{who may be designated as lower division clerks}.

In respect of the lascars it is submitted that the scale of pay allowed for lascars in the Industries Department is Rs.16-1-25. The duties of the lascars in the NCC units is to act as Storemen and under Regular Army NCO, to maintain the arms and equipment in charge of unit and to act as chowkidars on the storerooms of the units. In view of these duties and in view of the suggested pay of Rs.50 (inclusive of allowances) by the Director, NCC, it is for consideration whether the scale may be fixed at Rs.25-1-35. If this is done, the ~~total~~ ^{minimum} emoluments they will receive/will be amount to Rs.49/- (inclusive of D.A. and H.R. allowance). The usual scale of Rs.16-1-25 admissible for peons under this Government may be allowed for the peons in these offices ^{of the NCC units also}.

4. The staff in the two infantry battalions of the NCC previously belonged to the two battalions of the defunct U.O.T.C. and they were taken over into the NCC from 15-7-48, the date on which the units of the UOTC were disbanded by the Government of India. The following statement shows the pay which the staff are now drawing:-

1st Madras Battalion.

Rs.100/- p.m.

G.B. Thomas. (2nd clerk). Rs.93/- p.m.

Lascars. Rs.41/- p.m. (Pay Rs.18 plus D.A. Rs.18 plus H.R.A. Rs.5).

2nd Madras Battalion.

K.M. Srinivasan (Head clerk). Rs.120/- p.m.

D. Kunchithapadam (2nd clerk). Rs.80/- p.m.

Lascars. Rs.41/- p.m. (Pay Rs.18 plus A.D.A. Rs.10 plus H.R.A. Rs.5).

As the scales of pay of lascars is below the suggested scale (Rs.25-1-35), their pay may be fixed at the minimum. The present pay of the two clerks in the 1st Madras Battalion and of the Headclerk in the 2nd Madras Battalion ^{is} above the maximum of the suggested scales of pay, their pay may be fixed at the maximum and the difference may be treated as personal pay. The pay of the clerk, D. Kunchithapadam, 2nd Madras Battalion, may be fixed at Rs.80/- in the scale of Rs.45-3-60-2-90. The date of effect may ^{be} from the date of the order.

5. The Director, National Cadet Corps, has suggested that the terms and conditions of the staff in the units of the N.C.C. should be those admissible to servants of provincial Governments. All the posts under this Government are generally pensionable posts. The posts in the NCC units may be treated likewise. Public (Services) and Finance may be consulted.

6. The posts of clerks in the offices of the NCC units should be treated as additions to the Madras Ministerial Service and those of the lascars and peons to Madras General Subordinate Service. The existing staff in these units were taken over from the units of the Ex-U.O.T.C. and they will be more useful and ^{well-}acquainted with the work in them which are ~~sent~~ ^{new} military than fresh recruits. ^{As the officers in charge of the units are military officers, it seems that these posts may be declared to be excluded from the purview of the Madras Public Service Commission. For orders, the appointing authority for the staff in this unit}

7. After orders are passed on the notes on pages 1-3 above, the file may be sent to ^{Public (Services) and Finance} for remarks.

Please add to the file the ^{recent} reference received from the G.O. 1st Madras Battalion regarding his headclerk and see whether the note requires revision.

100%

8

H on page 3 ante. From the nature of correspondence received from these offices (e.g. Part I orders, Part II orders, and various movement orders etc.) it would seem probable to exclude the ministerial posts from the purview of the P.S.C. (Public Serv) may be considered.

I on page 4 ante. It does not seem to be fair to treat the Government members of the M.C.C. as if they were the N.C.C. officers in new entrants. The Government members may be treated as to whether they would agree to bear the same salary and pecuniary contributions of service rendered by the employees of the M.C.C. It is possible that this situation might have arisen in other instances also.

Public (Services) Department.

The remarks of this Department are called for on the following proposals:

- (1) that the posts of clerks, Cascars and peons in the offices of the N.C.C. Units may be included in the Madras Ministerial Service, the Madras General Subordinate Service and the Madras Inferior Service respectively,
- (2) that the existing incumbents may be retained in service obviously by protecting them from the adverse effects of the service rules and

- (3) that the Ministerial posts in the N.C.C. Units may be excluded from the purview of the M.P.S.C.

(1) above may be agreed to in this department.

(2) above: The proposal may involve relaxation of certain rules in the special rules for the three services. E. & P.H. may be requested to call for the full particulars of age, educational qualifications, community etc., of the incumbents and examine as to which of the service rules have to be relaxed to admit retention of each member and then

let this department see the case.

(3) above: In the circumstances stated at "H" on p.3 ante the proposal may be agreed to in this department. The M.P.S.C. Regulations will have to be amended for the purpose. E. & P.H. may be requested to circulate the case to H.Pr. and H.E. and send relevant extracts of notes and minutes so as to enable this department to issue the necessary amendment.

With the above remarks the file may be passed on to Finance.

Finance(E.III).

The proposals in this file relate to:-

- i) the declaration of the offices of the two Infantry Battalions at Madras and Tiruchirapalli and of the 3rd Madras Engineering Platoon at Guindy as 'B' class offices;
- ii) the fixation of scales of pay for the clerical and inferior staff in the offices of the three units of the Senior Division of the National Cadet Corps;
- iii) the fixation of pay of the existing incumbents in the time scales proposed; and
- iv) to treat the ministerial staff of the units of the National Cadet Corps as pensionable posts and permit the existing incumbents to count their previous service towards pensions.

Proposal (i) above: The proposal of E. & P.H. to treat the offices of the two Infantry Battalions at Madras and Tiruchirapalli and of the 3rd Madras Engineering Platoon at Guindy, as 'B' class offices (which is the last grade) may be agreed to in this department.

Proposal (ii) above: The following statement shows the details of the staff admissible to the two Infantry

Battalions and one Engineer centre as per approved scales:-

	Clerks.	Typist.	Lascars.	Peons.	Drivers & Sweepers.
1st Madras Battalion.	2 (1 Senior) (1 Junior).	..	8	2	..
2nd -do-	-do-	..	-do-	-do-	..
3rd Madras Engineer Centre.	1	..	2	1	..

A typist in the scale of Rs.45-90 with the usual typewriting allowance has been sanctioned for each of the two infantry Battalions. The scales of pay suggested by the Director of National Cadet Corps and E.& P.H. for the posts of clerks, Lascars and peons are as shown below:

	Director of N.C.C.	E. & P.H.
Clerks.	Rs.90-5-125-7-175-10-200 (Head clerk to get an allowance of Rs.25/- p.m).	Senior clerk to be designated as clerk and allowed the scale of Rs.80-110. L.D. clerk Rs.45-90.
Lascars.	Rs.50(inclusive of all allowance).	Rs.24-1-32-1-35.
Peons.	.do- -do-	Rs.16-25.

The E. & P.H. department propose the senior clerk may be designated as Head clerk ^{and allowed} a scale of pay of Rs.80-110 which is the same as allowed to U.D. clerks in 'B' class Offices, and that the scales of pay for the L.D. clerks and peons may be the same as those for similar class of staff under this Government. This may be agreed to.

As regards Lascars, E. & P.H. have proposed a scale of Rs.24-35 admissible to the Attenders for the reason that Lascars in the National Cadet Corps Units will have to act as Storemen under regular Army N.C.O., maintain the arms and equipment in charge of the unit and act as chowkidars. It is however submitted that Lascars in the Madras Inferior Service and in the Medical Department are allowed only a scale of Rs.15-25. The duties and responsibilities and the qualifications prescribed for the posts of Attenders cannot be equated with that of Lascars for which no minimum general educational qualification is necessary. In the circumstances this department may advise that it is sufficient if the scale of Rs.15-25 is sanctioned for the posts of Lascars

in the Units of the N.C.C. also, as they will draw in addition to their pay, D.A., H.R.A. etc. admissible under the rules.

(As regards the scales of pay for the posts of Drivers, cleaners and Sweepers, E. & P.H. have stated that it is separately under consideration).

Proposal (iii) above:- E. & P.H. have stated in this connection that the existing staff in these units of the N.C.C. were taken over from the units of the Ex.U.O.T.C. as they would be more useful and well acquainted with the work than new recruits. The following ~~xxxxxx~~ statement shows the details of the existing personnel in the offices of the I and II Madras Battalion of the National Cadet Corps, the pay drawn by them and the ^{pay} proposed to be fixed:

I Madras Battalion.		Present	Pay.	Proposed
				pay.
Senior clerk.	M.S. Royan.	Rs.130/- p.m.		Rs.110 plus Rs.20 personal pay.
2nd clerk.	G.B.Thomas.	Rs.93/- p.m.		90 plus 3 personal pay.
Lascars.	(Name etc. not given).	Rs.41/- p.m. (inclusive of all allowances).		Rs.25 + personal allowance

2nd Madras Battalion.			
Senior Clerk.	K.M.Srinivasan.	Rs.120/- p.m.	Rs.90 plus Rs.30. ¹¹⁰
2nd Clerk.	D.Kunchithapadam.	Rs.80/- p.m.	Rs.80.
Lascars.		Rs.41/- p.m. (inclusive of all allowance).	Rs.25 plus allowances

As the scales of pay for the posts of Head Clerks (U.D clerks) and L.D. clerk have been proposed as Rs.80-110 and Rs.45-90 respectively, E. & P.H. have stated that in the case of the existing incumbents where the pay exceeds the maximum of the proposed scale, their ^{may be} pay fixed at the maximum of the scales, the difference between the maximum and the existing scale being treated as personal pay. In the case of Sri Kunchithapatham whose pay is only Rs.80-, E. & P.H.

have stated that his pay may be fixed at Rs.80/- p.m. in the scale of Rs.40-90; as it is a stage in that scale.

It is not clear whether the pay drawn at present by the existing incumbents is inclusive of all allowances or not. If it is inclusive of all allowances, the amount equal to the D.A. and ~~H.R.A.~~ may be deducted and paid separately, the pay being fixed at the appropriate stage in the time scale proposed. Otherwise the proposals of the E. & P.H. may be accepted. Similar procedure may

be adopted in the case of Lascars also. *Their proposal to give effect to the scales of pay for the clerks, lascars & peons from 15-7-48, the date of the formation of the Indian Navy, is not in the interest of the Government of India as to whether they would agree to bear the leave salary and pensionary contribution for services rendered by the employees in Ex-U.O.T.C. upto 14-7-48 in the case of permanent members of the defunct U.O.T.C. Officers taken to the N.C.C. offices. No remarks are called for at this stage.*

The notes of the Public (Service) and the Finance Departments on pages 6-10 above may be perused. The Pub (Service) Dept. have agreed with the following proposals of this department.

(1) To include ~~in~~ ^{lascars} the posts of clerks and peons in the offices of the three N.C.C. units in the M.M.S., M.G.S.S. and M.I.S. respectively,

(2) To ~~include~~ ^{exclude} the ministerial (clerical) posts from the purview of the M.P.S.C.

In regard to (2) above, Pub(Ser) have noted that the case may be circulated to H.Pr. and H.E. and that relevant extracts may be sent to them for amending the M.P.S.C. Regulations. This may be done after other points are settled.

P.T.O.

As this would involve the relaxation of certain rules in the Special Rules for the ~~xx~~ three services, Pub(S) have advised ^{us} to call for full particulars of age, qualifications, community, etc. of the incumbents and to examine which of the rules have to be relaxed to admit of the absorption of each member ^(in the service concerned) in consultation with them. The O.Cs. of the three units may be consulted in the matter.

2. The Fin. Dept. have agreed with the following proposals of this department, to classify the offices of the ^(three) NCC units as 'B' class offices and to fix the scales of pay of the clerical and inferior staff as suggested at p.8 ante. They have also agreed to give effect to the scales from 15-7-48, the date of formation of the NCC or from the date of appointment in the case of new entrants. In regard to the scale of pay of the lascars, they have suggested the scale of Rs.22- $\frac{1}{2}$ -30 (as for Duffadars and Jamadars) as against the scale of Rs.24-1-32- $\frac{1}{2}$ -35 suggested by this dept. For orders whether in the circumstances stated by Fin. at p.8 ^{ante}, the lower scale may be accepted.

Fixation of pay ⁱⁿ the existing incumbents in the time scale proposed :- The Fin. Dept. have noted that it is not clear whether the pay drawn by the existing ^(of the three ncc units) staff is inclusive of all allowances or not. If it is inclusive of allowances, they ^{have} suggested that the amount equal to D.A. and House Rent Allow. may be deducted and paid separately and the pay ^{may} being fixed separately. It is submitted that the pay of the clerks referred to on p.9 ante does not include the D.A. and H.R.A; but that of the lascars include the allowances. However, the O.Cs. of the three units may be asked to furnish a statement showing the names of staff (clerks, lascars and peons) taken over from the Ex-UOTC and the pay, ^(each separately) of D.A. and H.R.A. ^{now} drawn by them.

Treatment of the posts in NCC as pensionable posts and counting of existing incumbents towards pension:-

The proposal is to treat all the posts (clerks, lascars and peons) in the NCC units as pensionable posts. Fin. have not offered any remarks and on this point at this stage, as it is proposed to consult the Dir, N.C.C. whether ^(the Govt of India) they would agree to bear the ^{leave} above salary and pensionary ^{pb ante} any contribution for the services rendered by the employees of Ex-UOTC upto 14-7-48 in the case of permanent members of the Ex-UOTC taken over to the N.C.C. Before addressing ^(the Director) India, the O.Cs. of the three units may be requested to furnish a statement showing the names of permanent members of the staff of the UOTC taken to N.C.C., their scale of pay in the UOTC, the total number of years of service in the UOTC and the present pay, etc.

These posts may be brought under category 6 of the Madras Inferior Service. Public (Ser) Dept. have agreed to this proposal also.

~~The file may now be sent to Public (Ser)~~

~~u.o. for remarks.~~

Proposal (3) above: Most of the existing staff in the three units of the N.C.C. were taken over from the defunct U.O.T.C. from 15-7-48 on which date the N.C.C. Units were formed in this Province. They will be more useful and well-acquainted with the work in the offices of the units than the new recruits. As the Officers in charge of these units are from the Regular Army, they would prefer to have ex-army men who are experienced in military correspondence and procedure. It is therefore proposed to exclude these posts from the purview of the Commission and to nominate the officers in charge of the units as the appointing authority of the staff in their units. Public (Ser) Dept. have agreed to this proposal also.

Proposals (4) and (5) above:- The Finance Department have agreed to the suggestion of this Department, to classify the offices of the units as 'B' class which is the last grade. The following statement shows the scales of pay proposed to be fixed for the various posts in the units, in addition to the allowances in force from time to time.

Head clerk	-- Rs. 80-110 (admissible for U.D. clerks in 'B' class offices).
L.D. Clerk	-- Rs. 45-70.
Lascars	-- Rs. 22-1/2-30 (as for Duffadars and Jamadars).
Peons.	-- Rs. 16-25.

P.T.O.

A typist has also been sanctioned on Rs.45-90 with the usual typewriting allowance of Rs.10/- for the 1st and 2nd Madras Battalions. The Finance Dept. have agreed to the above scales of pay to effect being given from 15-7-48, the date of formation of the Infantry Battalions or from the date of appointment in the case of new entrants.

Proposal (6) above:- The staff of the defunct U.C.T.C. on its abolition from 15-7-48 ~~was~~ taken over into the N.C.C. The following statement shows in one view the details of the personnel in the 1st and 2nd Madras Battalions, ^{the pay,} ~~excluding the allowances,~~ drawn by them at present and the pay to be fixed in the scales proposed:-

1st Madras Battalion.		Present pay.	Proposed pay.
Head Clerk - M.S. Royan.		Rs.130/- p.m.	Rs.110/- plus a personal pay of Rs.20/-
L.D. Clerk - G.B. Thomas.		Rs. 93/-	Rs.90/- plus a personal pay of Rs.3/-
Lascars.	--	Rs. 18/-	Rs.22/-
Peons.	--	Rs.16/-	Rs.16/-

2nd Madras Battalion.		Present pay.	Proposed pay.
Head clerk - M.M. Srinivasan.		Rs.120/-	Rs.110/- plus a personal pay of Rs.10/-
L.D. Clerk - D. Kunchithapatham.		Rs. 80/-	Rs. 80/-
Lascars.	--	Rs. 18/-	Rs.22/-
Peons.	--	Rs.16/-	Rs.16/-

All the lascars are at present drawing a pay of Rs.21/- (pay Rs.18/- D.A. Rs.18/- and H.R.A. 2/-). Their pay will have to be fixed at the minimum of Rs.22/- in the scale of Rs.22-1/2-30. The Finance Department have agreed to the proposal.

2. The file may be circulated to H.M.(E & L), I.Pr. and H.E., for orders on the above proposals.

Please see the orders in circulation on page 20 ante. EDN. AND P.H. DEPARTMENT (BI)

Please see the notes of the Public (Services) Department extracted on pages 25-26 above. As the clerical and other staff in the units offices of the 1st and 2nd Madras Infantry Battalions and the 3rd Madras Engineer Centre, have been sanctioned on a temporary basis for a period of two years from 15th July 1948, those posts will have to be treated as temporary additions to the respective services under this Government. During the current year, the Government have sanctioned the four technical units, namely 6th Madras Medical Company, N.C.C., Madras Medical College, Madras 2nd Madras Electrical and Mechanical Engineer Section, N.C.C., Engineering College, Guindy, Annamalai Independent Company, N.C.C., Annamalainagar, and the 5th Madras Signal Section, N.C.C. Annamalainagar. These four units have already been formed. The following staff has been sanctioned for each of the above four units:-

- (1) One Lower Division clerk.
- (2) Two lascars.
- (3) One motor driver.
- (4) One peon.

The above posts in the four N.C.C. units may also be treated as temporary additions to the respective services under this Government, and they may be excluded from the purview of the Madras Public Service Commission, as in the case of the three units formed during the last year.

2. Consequent on the treatment of the above posts in the units as temporary additions

respective services, it is proposed to relax certain rules in favour of the existing incumbents in the offices of the three units formed during the last year as shown in the annexure to the draft order I below. Similarly necessary rules will have to be relaxed in favour of those employed in the four technical units raised during the current year. It does not seem necessary to mention in the draft order the specific rules to be relaxed in favour of each individual and it seems sufficient, if orders are issued in general terms that relevant rules will be relaxed in favour of the existing each individual in the offices of all the units (three raised in 1948-49 and the four raised in 1949-50) to the extent necessary.

3. The file may be sent to Public (Services) U.O. for remarks before the draft orders below are revised.

The further notes from the middle of p. 24 ante may be perused. The view at 'L' above is correct. But the proposals in regard to the absorption in Govt. service of the staff in the new units raised in 1949-50 after relaxing the relevant rules etc, may conveniently form the subject-matter of a separate file. The revised drafts, which E & P.H. propose to put up, may confine to the proposals already approved in circulation.

With the above remarks the file may be returned to E & P.H.
