R.C.No. 731-G2/48 dated 9th February 1949.

Sir,

SUBSIDY--Maintenance of Secondary Schools under Local Bodies--Balance payable in 1948-49--Additional funds--application for sanction

As the modification of orders in para 4 of G.O.No.975-Education dated 10.5.1947 was long under correspondence with Government and since sufficient data were not supplied by local bodies last year, full provision could not be made in the Budget Estimate 1948-49 towards the payment of the balance of grant payable in the current year in respect of the years 1946-47 & 1947-48 with reference to the orders in para 2 of G.O.No.2190-Education dated 10.10.1947. As this is the first year when teaching grant has to be paid to local bodies under the new system, the figures furnished by local bodies in their financial statements of secondary schools under their managements, some of which are yet to be scrutinised on account of their late receipt in this office, have been taken as the basis for the final Revised Estimate, the grant being ~~xx~~ restricted to the last three months of the year 1946-47, with reference to a recent u.o. note from the Government in the Finance Department. Provision has also been made in the final Revised Estimate for

(i) ~~payment~~ Payment of teaching grants to new secondary schools for boys and girls opened in the current year under the special subsidy scheme (Vide G.O.No.3080-Education dated 4.12.1948).

(ii) Opening of a hostel attached to the Board High School, Narasapatam (Vide G.O.No.1365 Education dated 28.5.1948 and 1998-Edn., dated 12.8.1948)

(iii) Payment of teaching grant to the Municipal Muslim High School, Bellary on full net cost basis(G.O.No.690-Education dated 1.4.46).

(iv) Payment of advance teaching grant for introduction of bifurcated courses in certain secondary schools with reference to para 4 of G.O.No.1395-Education dated 29.5.1948 and

(v) Payment of arrears of compensation to certain local bodies in respect of fee income foregone by them in the short term of 1946-47 (Vide Govt.Memo.No.25798-B1/48-3 Education dated 15.5.1948).

2. It is therefore ^{estimated} submitted that the additional funds required for the purpose under "37.h.Education-Secondary-Grants to Local bodies for secondary education--A.Ordinary areas--A.1.-Teaching-Voted" in the current year will be Rs. 7,12,300/-. I request that early orders may kindly be passed sanctioning the additional funds required under this head. Formal application for reappropriation of funds to meet the above expenditure will be submitted in due course.

Yours faithfully,
