My dear Gill,

Ref: Your letter of the 13th October regarding
the closure of the Refugee School at
Avadi.

I am desired to state that there will be no
refugees in the Camp at Avadi after the 31st October
and the Camp will be handed back to the Malayan Emi-
gration Depot. In the circumstances, there was no
alternative other than for Govt. to order the closure
of the school.

The question whether any new school should be
opened at a centre in the Madras City, where there is
a concentration of Refugee residents will be taken up
with the Director, to whom you may

I am to add that financial assistance, to the
extent necessary, for the education of the refugee
students will continue to be given from the Prime
Minister Nehru's National Relief Fund.

EDN. - Refugees - Opening of a School in Madras City

The D.P.I. is informed that the Refugee school
at Avadi having been closed down, it is considered
necessary to take up very urgently the question of
opening of a school at a suitable centre in the
City where Refugees live in large numbers. The

is requested to take up this question about the middle of Novr. next, when the rehabilitation will apparently

have taken place to a considerable extent in the Madras City and to submit a report to Govt on the

action to be taken in the matter.

With reference to the orders of Government in

Govt. Memorandum No. 70831 G2/49-7, Edn., dated 11th

October 1949 I wish to invite your attention to the

letter from the Secretary to the Refugees Relief

Committee Lt. Col. G.S. Gill, ^{dated 13.10.49} requesting the continuance

of the school which is now running in the Avadi

Refugees Camp. The Special Officer reports that even

now 200 children are attending the school and it is

likely that as many as 200 families will probably

continue to stay in Madras. I therefore request

that Government may permit the continuance of the

school up to the end of this month. Sometime is also

necessary for the Special Officer to wind up the

affairs of the school.

Yours sincerely,

Director

This Committee feels that the School should be continued for sometime to come. No doubt the Government have ordered closure of Camps by the end of this month but about 200 families have to be rehabilitated in Madras and on account of language difficulty we will have to continue educational facilities for these children for some time to come. At present 250 Refugee Children are studying at the Avadi School. The special Officer has organised the whole scheme and should re-continued in service for the present.

I hope you will take urgent action.

Yours Sincerely,

Please see the D.O. from Col. Gill and the
 S.P.H. note at the 1-2 with Col. Gill
 spoke to me about this over the phone
 on Wednesday (12.10.49). He feels that
 even though the camp ~~will~~ be closed
 on 31.10.49 about two hundred
 refugee families will ^{still} remain in
 Madras and ~~that~~ facilities should be
 given for the education of their children.
 I pointed out to him that there was no
 point in continuing the school at
 Avadi as there would be no refugees in
 the camp at Avadi after 31.10.49.
 The refugees who elect to remain in
 Madras and those who are granted
 rehabilitation loans in Madras City
 may live in different localities in
 Madras City. He agreed with me that
 the school at Avadi might be closed
 but ~~the~~ ^{suggested that} ~~another~~ should be opened in
 Madras at a convenient Centre.

I think the Special Officer of
 organised the school at Avadi may
 contact the Sindhi refugee families
 in Madras City and suggest the
 location of a school at a place
 where the refugee population is
 concentrated.

We are giving up
 handing back ^{the camp}
 to the
 Emigration Dept
 to whom it belongs.

The S.P.O.
 for ~~the~~ may
 take his up by the
 middle of Nov.
 when the position
 will be clear.

Financial assistance
 to be extent necessary
 can continue to be

given from the Prime Minister's Relief
 Fund.
