On account of increased rate of Dearness allowance from 1/1/1948 and expansion of elementary education consequent on opening of new schools or standards resulting in employment of additional teachers and also due to provision of increment for trained teachers, the amount actually required under this head for the current year works out Rs. 3,61,96,500/- of which Rs.2,15,66,500/- relate to Teaching Grant and Rs.1,46,30,000/- to Dearness Allowance. A sum of Rs. 74,26,400 is therefore required as additional allotment under the above head and this amount may kindly be sanctioned, Necessary provision is also being made in the Final Revised Estimate for 1948-49 for this sum.

2. As the amount of grant for the last quarter of 1948 has to be paid urgently in February 1949 and the first monthly payment of grants also to be paid in March 1949 as per G.O. No. 2887 Education dated 16/11/1948 the amount required for the various Districts has to be distributed urgently so as to enable the District Educational Officers to issue the bills in time without delay. In view of the urgency of the matter, I am issuing orders distributing necessary allotment of grants to the several District Educational Officers taking into account the additional allotment now applied for in anticipation of approval of Government. I request that my action may kindly be approved.

3. In the same manner as stated above the amount actually required for 1948-49 under the head "Post War Reconstruction".Teaching grant including Dearness allowance works out to Rs.13,53,230/- as against an appropriation of Rs.10,35,600/- The additional allotment of Rs.3,17,630 applied for under this head in the Revised Estimate may also be kindly sanctioned.
