Subsidy - Equipment - Secondary schools under the Corporation of Madras - Application for 1950-51

From the Commissioner, Corporation of Madras No B1 2043/49 dated 23-10-49

No subsidy is now paid to the Corporation of Madras towards the cost of purchase of equipment for the Corporation High Schools at Nungambakam and Saidapet. The Commissioner, Corporation of Madras, has now applied for sanctioning in 1950-51 a subsidy of Rs 82,821/- towards on behalf of the cost of the equipment to be purchased for the two high schools as per indents submitted. The D.P.I. has not offered his remarks.

He has advised the Commissioner to address Govt direct.

The question whether the two high schools under the management of the Corporation of Madras may be admitted to aid as in the case of secondary schools under local bodies has been raised separately and the file has been sent to Finance u.o. It is necessary that the schools, under the Corporation should be adequately equipped and in view of the increase in the expenditure on maintenance of the secondary schools the Corporation's request for aid cannot be said to be unreasonable. It is therefore for consideration

whether the application may be considered as a Part II

where for 1950-51.

The remarks of the Finance Department may be invited u.o.

This will depend upon the decision on the question at A above.
