Subject: Re: Age Exemption - for recruitment to
the Madras Educational Subordinate Service.

==

Sir,

I beg to bring the following facts for your kind consideration and favourable orders:--

I was appointed as a Hindi Pandit in August 1947 in the presidency College, Madras and have been continuing as a regular probationer, possessing the requisite qualifications of an Assistant Professor.

I am an M.A., in Hindi with a second class, in addition to being a B.A. (Hons.) in Sanskrit with a second class.

I was also acting as an assistant professor in Sanskrit in Govt Arts College, Patnam during 1938-39.

I was born in 1910. Hence it was necessary for me to apply to the Government for exempting me from age limit.

On 4-7-1947 I sent written representations to the Government. The Government was kind and sympathetic enough to pass orders to the following effect (MS.1485 Edn. Dated 9th July 1947)

"Sri M. Venkatacharyulu B.A., (Hons.) Madras M.A., Benares Hindu University requests that he may be exempted from the age rule to enable him to apply for appointment as Hindi Pandit in the Presidency College, Madras. His Excellency the Governor considers that this is a fit case in which the exemption should be granted and accordingly directs under sub section (5) of Section 241 of the Government

of India Act 1935 that the provisions of Rule 6 of the Special Rules relating to the Madras Educational Subordinate Service be relaxed in favour of Sri M. Venkatacharyulu to enable him to apply for appointment as Hindi Pandit.

(By order of His Excellency the Governor)

Sd. M. V. Subramaniam
Secretary to Govt."

Recently the public Service Commission, Madras has called for applications to the posts of Assistant Professors in Hindi. I in time applied to the same through the proper channel enclosing the above copy of the age exemption granted to me.

I may also mention that being in doubt as to the interpretation of the said order, I approached the Principal of the ^{Presidency} ~~Principal~~ College. He too had no doubt as to the said order and was of opinion that the same would do for the present case. At the same time I must be honest in confessing that I take the full responsibility for all the consequences that followed my action.

Last Wednesday i.e., on 13-4-49 I came to know that several of the applicants received their cards for interview from the Madras Public Service Commission. Thereupon on 14-4-49 I approached the Assistant Secretary to the service Commission and requested him to allay my fears why I had not received the card for interview. The reply I received was that my case was under consideration. I then guessed that the trouble must have arisen because of my age being above the usual age limit.

On 15-4-1949 I met the Hon'ble Minister for Education and Public Health Mr. A. B. Shetty and made

of India Act 1947 that the provisions of Rule 1 of the Special Rules relating to the Madras Education Department be relaxed in favour of Mr. M. V. Subramanian to enable him to apply for appointment as Joint Director.

(By order of the Hon'ble the Governor)

M. V. Subramanian
Secretary to Govt.

Recently the Public Service Commission Madras has called for applications to the post of Assistant Director in Hindi. At the time applied to the same through the proper channel enclosing the above copy of the exemption granted to me.

I may also mention that being in doubt as to the interpretation of the said order, I approached the Principal of the Principal College. He too had no doubt as to the said order and was of opinion that the same would go for the present case. At the same time I must be honest in confessing that I take the full responsibility for all the consequences that followed my action.

Last Wednesday i.e., on 12-4-49 I came to know that several of the applicants received their orders for interview from the Madras Public Service Commission. Thereupon on 14-4-49 I approached the Assistant Secretary to the Public Service Commission and requested him to allow my name. I had not received the order for interview. The reply I received was that my name was under consideration. I then wrote that the order was not received and the Public Service Commission was not aware of the same.

On 12-4-49 I met the Hon'ble Minister for Education and Public Instruction, Madras and made

made requisite representation.

On 18-4-1949 I met your Honour and made representations.

To day I approached the Secretary to the Service Commission. I am told that all my documents have been returned by registered parcel to my College address on 16-4-1949. ^{But I have not yet received them.} He was kind enough to tell me that the only objection to my application was that I am above the age limit and that the previous exemption granted to me does not apply to this post.

Ever since my boyhood I have been in the thick of all the National struggle conducted by the Indian National Congress. I had suffered more than once imprisonment for my Political activities. I may also mention that my father and two of my paternal uncles also have been staunch Congressmen and were incarcerated more than once. I may also add that two of my younger brothers have also suffered imprisonment in one or other of the Congress Movements.

I also know Bengali, Tamil and Urdu.

Some of my national songs composed in Telugu have won recognition by the people of Andhra.

I am also a composer in Telugu and Hindi of poems, stories and essays.

By nature my bent is towards Education and Literature. My soul is satisfied only in this field.

To morrow i.e., on 20-4-1949 at 10 A.M., that candidates applying for the post of Assistant professors in Hindi are to be interviewed.

I request your Honour to be kind enough to sympathetically consider my representation and pass such

order

order/as to enable me to have the interview to-morrow.

I am aware of the fact that time is short. So I humbly venture to submit that the Government have got ample powers to pass orders for appointing me in the post of the Assistant Professor of Hindi in the Presidency college with immediate effect.

Yours faithfully,
M. Vemala Charyulu.

10 day I approached the Secretary to the Board of Education. I am told that all my documents have been returned by registered parcel to my College address on 12-4-1949. By nature my bent is towards Education and literature. My aim is twofold only in this field. To promote Education and to promote the growth of a nation by forming a united front for the people of the country.

I request your Honour to kindly grant to me the necessary facilities for the purpose of my representation and also to order.

Subd. that such a request cannot be made. There is no rule or convention under which the Govt. can interfere in a matter of non-selection of a candidate for direct recruitment. The selections were based on the results of a competitive exam. and a re-exam. of all the candidates in order to give another opportunity to a particular individual to fare better, will not be proper.

A referee to the Commission will mean that the Govt. are favourably inclined toward the candidate and is therefore likely to be interpreted by that body as one seeking to dictate to it & influence it.
