R.O.C. No. 18237/49 DATED 4-11-1949

Sir,

SUB:- GRANTS - Buildings -Elementary schools -1949-50
Ref:- G.O.No 3004 dated 26/9/1949

In the revised estimate for 1948-49 submitted to the Government credit was taken for a contribution of Rs 10,700/- from general funds and a Government grant of Rs 7000/- as per G.O.No 3156 Education dated 10-12-48 for the construction of the III ward Boys' Elementary School and the provision was approved by the Government while approving the Elementary Education Budget for 1949-50 in para 2(i) and (ii) of G.O.No Ms 1145 Education dated 14-4-49. On the strength of the subsidy sanctioned by Government (i.e.) Rs 7000/- and the contribution of Rs 10,700/- from the General funds the work was started and the building is nearing completion.

In G.O.No 3004 dated 26-9-49 which has since been received the Government have restricted the payment of grant to Rs 4000/- as against the already sanctioned grant of Rs 7000/- The subsidy now sanctioned is not sufficient for constructing a school building in a town area. There is not even sufficient fund in the Elementary Education Account to meet the additional amount required over and above Rs 4000/-. Further the financial position of the council under general account does not permit to meet the additional amount.

A copy of Municipal council resolution No 1223 dated 27-10-1949 requesting the Government to sanction the payment of Rs 7000/- the subsidy already sanctioned is enclosed herewith.

I therefore request you to reconsider the orders passed and to order

87525
order payment of the original amount of Rs 7000/- already sanctioned as the construction is nearing completion and the contractor has to be finally paid.

Government in their order cited above have sanctioned a sum of Rs. 5,513/- being the grant for the construction of additional accommodation to the Municipal Boys' School, Sevendakulam and Municipal Girls' School, Melur. But in this office letter B.1. 22377/48 dated 13.8.49 (Copy enclosed) it is stated that the total cost of the construction for both schools is Rs. 11,165-5-0/- and the half grant admissible is Rs. 5,582-11-0/- or Rs. 5,583/-. In the Government order the total cost has been correctly shown as Rs. 11,165/- and hence the half grant due to the municipality therefor might be Rs. 5,583 and not Rs. 5,513/- as sanctioned in the orders of Government cited above.

I therefore request that Government may be pleased to issue necessary correction to the orders mentioned above so that the correct grant amounting to Rs. 5,583/- may be claimed by the Municipality.
