Subject: Grant - Building - Sarah Tucker College,
Palamcottah

Reference G.O. No. MS 2520 Edn dated 5-10-48

In G.O. No. MS 2993 Edn dated 29-11-48 Government sanctioned the inclusion of the scheme for the construction of buildings for the Sarah Tucker College, Palamcottah at an estimated cost of Rs 10 lakhs rendering the institution eligible for a grant not exceeding Rs 75,000/-

As the management was in urgent need of a Science Block, Government in their order No. 3221 Edn dated 17.12.48 sanctioned the waiver of the rule relating to the invitation of tenders. The Joint Consulting Architect who scrutinised the plans and estimates has recommended the approval of the estimate for Rs 2,40,000/- A sum of Rs 50,000/- ~~if it was~~ also proposed as grant in respect of this scheme in the Budget Estimate of 1949--50. It is, however, observed from the details of the Budget Allotment that the provision in respect of this scheme has not been approved by Government in the part II estimates.

I enclose herewith a copy of the letter from the Correspondent and request that in the circumstances stated Government may be pleased to permit payment of an advance grant of at least Rs 40,000/- during the current year.

If the above recommendation is accepted by Government, necessary additional funds will be applied for in the Revised Estimate.

Yours faithfully,

for Director of Public Instruction

I have the honour to inform you that in the above proceedings these words appeared:-

"The Correspondent is informed that an advance grant of Rs 50,000/- in respect of this scheme has been proposed in the Budget Estimate of 1949--50".

We have now completed constructing part of the Science Block at a cost of about Rs 1,50,000. We have absolutely no money in hand to build the rest of the Science Block which has yet to be constructed.

I sincerely trust that Government has sanctioned the Advance Grant of Rs 50,000, proposed in the Budget estimate of 1949--50.

If for any reason Government has not yet sanctioned this Advance Grant, I shall be extremely grateful if you can please advance this amount, as we are extremely hard up for money to complete the building.

GRANT - Building - Sarah Tucker College, Palamcottah -

Advance payment - Request.

C.No.87941/49. Pcy From the D.P.I. Rc.No.386/D2/48 dated 7.11.1949.

The scheme relating to the construction of buildings for the Sarah Tucker College, Palamcottah, at an estimated cost of Rs. 10 lakhs was included in the list of approved works by Govt. in G.O.No.2993 Edn., dated 29-11-1948, for a ~~half~~ grant up to a maximum of Rs. 75,000/-. As the management subsequently represented that they were in urgent of a Science Block for the ~~block~~ College, the Govt. sanctioned the waiver of ~~making~~ the rule relating to the invitation of tenders for the work, in G.O.No.3221 Edn., dated 17.12.1948. On the recommendation of the D.P.I., the proposal for a provision of Rs. 50,000/- in the B.E. for 1949-50 for the construction of ~~science block~~ ^{in the college} a science block was considered as Part II scheme for 1949-50 but it was not approved.

2. Now the D.P.I. reports that the Joint Consulting ~~has~~ Architect has approved the above scheme at an estimated cost of Rs. 2.4 lakhs. He has also forwarded a copy of letter from the management of the College wherein they request ~~for~~ the payment of an advance grant of Rs. 50,000/- for this work during the ~~year~~ current year for the reasons mentioned therein. The D.P.I. recommends that an advance grant of Rs.40,000/- may be made to management for this scheme during the current year and that if his suggestion is approved, he would apply for necessary additional funds in due course. It may be mentioned that the D.P.I. has included a provision of Rs. 75,000/- for the building scheme ~~relating~~ of this college in his Part II proposal for 1950-51. The file on the subject has been sent to Finance with this department's recommendation. In the circumstances, it is for orders whether ~~the~~ ^{an advance} grant of Rs.40,000/- should be paid to the college during this year for its building scheme and if so, the scheme should be treated as a very urgent one. ~~Finance may~~ ^{an advance} May be sent to Finance for remarks

Fin. (Exp. A).

Please see the D.P.I.'s letter and its enclosure on p.1 c.f. and the note of E.& P.H. on pp.1-2 above. An extract of this Deptt.'s note on the Part II Scheme proposals of the D.P.I. referred to at 'A' on p. 1 above relating to building grants to aided Arts and Professional Colleges during 1950-51 is put up at flag (J) in which it has been suggested that a provision of Rs.2.50 lakhs may be allowed for consideration as Part II scheme, against Rs.5.21 lakhs proposed by the D.P.I. towards actual claims anticipated by him in 1950-51.

2. As no provision has been made in the current year's budget estimates for the payment of building grants to the institution under reference in this file, the proposal of the D.P.I. to sanction an advance grant of at least Rs.40,000/- to it during the current will have to be treated as a "New Service". Attention is invited to para 4 of Fin.Memo. No. 57293-A/PWR-3 d. 12-10-1949, wherein instructions have been issued that, as a rule, no new schemes should be proposed in future for introduction in the course of this year, except for very special reasons, as the present financial situation of the Province and the Ways & Means position of the Govt. make it imperatively necessary to restrict expenditure on new schemes to be introduced in the course of this year to the absolute minimum. In the circumstances, the facts reported by the D.P.I. in the c.f. do not appear to warrant sufficient justification for the introduction of the scheme in the current year, as a special case, simply because the management have stated that they are extremely hard up for money to complete

the building. Finance may advise that the D.P.I. may be asked to inform the management of the Sarah Tucker College, Palamcottah, that no advance grant can be sanctioned to it during this year for which no provision has been made in the Budget Estimate for 1949-50.

The request for the disbursement of the grant in the current year itself seems to be based on the intimation given by the D.P.I. to the Correspondent that an advance grant of Rs. 50,000 in respect of the scheme has been proposed in the Budget for 1949-50. In G.O. 2993 Dn. 29-11-48 admitting the Scheme and, it has been specifically stated that the Government do not carry with it any guarantee of grant. The Govt. are not therefore committed to sanction the grant unless their finances permit. In view of the present position of the finances, the proposal to give a grant in the current year may be negatived. The D.P.I. may give priority to this grant, if he is satisfied that such a treatment is called for, in disbursing the lump sum grant to be made in the Budget for 1950-51.

If the D.P.I. sends out intimation of the sub- C on p.1 c.f. he should if all his proposals are not approved send revised intimation that the proposals have not been approved to the parties affected thereby. He should see that such intimation ~~do~~ not give occasion to managements to treat them as basis for claims for special treatment. This point may be brought home to the D.P.I.

As however the D.P.I. seems to have left matters in this case at a stage when the management may reasonably have expected a grant.
