To
The Hon'ble the Minister for Education,
Government of Madras,
MADRAS.

Honoured Sir,

Sub: Education - College Education - Opening
of a College at Tanjore.

I am much interested in the establishment of a
College in the Head Quarter of the Tanjore District, since the
only College in this District, viz the one at Kumbakonam is not
sufficient to cater the needs of thousands of students coming
out of the numerous high schools, in this District.

Sri-La-Sri Ambalavana Desiga Paramachariaswamigal
Head of the Thiruvavaduthurai Mutt who is very much interested
in education was approached and the Swamigal has promised to
undertake the establishment of a College at Tanjore.

Necessary site is readily available in a suitable
locality at Tanjore. I am the owner of the site and I am working
to place it at the disposal of the proposed college.

Plans and the estimates are to be prepared as per
instructions of the Government. I request that they may be
ordered to be done by the consulting Architect to the Government
of Madras as quickly as practicable.

Thanking you and with my kind regards

Yours faithfully,

A. Y. Arulandaswami

C.No.65936/49

From Sri A.Y. Arulandaswami Nadar, No. 2818, Pookara Street,
Tanjore, dated 26.8.1949.

"Extract of the minute of H.M.(E.& L), dated 28.8.49.

"Ask the D.P.I. to do the needful".

Mr. Nadar requests that the plans and estimates for the
proposed college at Tanjore may be prepared by the Government
Consulting Architect, apparently free of cost. The proposal
is vague and it is not known whether the intention is to
start the college after constructing a suitable building or
to locate it in a temporary building, pending the construction
of a permanent building. There is also no information as to
whether the University has been approached for affiliation.
Mr. Nadar evidently expects a reply from Govt. to his
letter. Before giving such a reply, the D.P.I.'s remarks may
be obtained on the letter. The draft memo on p.1 is for
approval. (P.W.D. may see the case after the D.P.I.'s reply
is received).

C.No.88639/49. From the Registrar, University of Madras, No.A.5862 dated 12.11.49.

It has been ascertained from the University of Madras that
no application has been received from any private person or
persons for by the University for the grant of affiliation
for a college proposed to start at Tanjore. The D.P.I.
states that Mr. Arulandaswami Nadar may be informed that
the plans and estimates will have to be prepared by a qualified
Engineer in accordance with the requirements of the institution

and

that and that they will have to be scrutinized by the Joint Consulting Architect to Govt. As ~~the~~ Mr. Nadar wants the plans and estimates to be prepared by the E.C.A. himself, apparently free of cost, ~~the P.W.D.~~ P.W.D. may be requested to offer their remarks on his request. Since the University has not received any application for affiliation for the proposed college, it is presumed that the intention of the sponsors of the college is to start the college after ~~the permanent~~ putting up a permanent building.
