Ramnad District Board,
at Mathurai.

Respected Sir,

I have been the Sanskrit Pandit of the S.S.Board High school, Rajapalayam under the management of the Ramnad District Board for 14 years 5 months 4 days on 1-1-1948 when G.O.No.526 dated 15-3-48 came into force. As per the above G.O. Pandits who had put in 15 years service were allowed the scale of Rs.75-5-145 for which calculation service rendered in other reorganised secondary schools' were also taken into account.

I had been a teacher in the Sanskrit Elementary school, Madura, (which is now defunct) prior to my appointment in the District Board from 15-4-30 to 10-6-31; 1-4-32 to 26-7-33 and my service from 27-7-33 to 1-1-48 in the District Board was more than 15 years on 1-1-48 if my service in the Sanskrit school was also taken into account. So I corresponded with the Inspector of Oriental Schools and with great difficulty obtained a certificate of my past service in the above Sanskrit school.

I further moved the Inspector for an additional certificate that service in that Sanskrit school was in no degree inferior to that in an ordinary Secondary school. The Inspector felt the justice of my cause but could not issue the same certificate himself without a reference to the Government.

In this connection it may not be out of place to add that my service in the recognised Sanskrit Elementary school was in every respect superior to that in a secondary school, as the former was a special school involving a heavier syllabus and more intensified teaching and in all respects the standard was more than that aimed at in the S.S.L.C.Public examination.

But unfortunately such a contingency of service on the part of a Sanskrit Pandit was not envisaged when drafting G.O.No. 526 dated:- 15-3-1948 and hence the above category did not find a place in it and I am put to the necessity of placing my solitary case before the Government to declare it to come under the scope of the G.O., by which act of kindness and justice a poor Sanskrit teacher of long-standing service might be given his legitimate share of benefit in the G.O., which has been made possible for his more fortunate compatriots throughout the Province.

I beg to remain,
Respected Sir,
Your most obedient servant.,

R.O.C 843/49 of 2.8.49

Submitted to the S.O. for
favour of transmission
to the Govt. for sympathetic
consideration

2. This is indeed a very hard
case. For want of a service
of about six months more
on a particular date, 1-4-48,

the Pandit who has devoted
himself to the teaching
of Sanskrit as his life
work & as to be denied
the advantage of the higher
scale

3. In view of the fact that
he is included in the L. & C. No. 139/49
of 2.7.49 of the Inspector of
Oriental Schools, namely that
"the rules for the secondary schools
shall hold good in these schools
also", the service put in by
the applicant in the Sanskrit
School at Madura may be
permitted to be counted along
with his service in a High
School for the purpose in
question.

4. If the point raised in
p. 3 above is not conceded,
the Pandit may be declared to
be eligible for the higher scale
at least from the date on
which he completes his
15 years of service in a High
School, & taking the point on
its own merits, there is no special
difficulty in the date 1-1-48

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

Re.1931 G1/49 dated 13-10-49

Sub:--District Board--Ramnad--Sri T.N. Vanamamala
Iyengar--Sanskrit Pandit--Request for Grant of
Grade I Scale of pay in view of the Service in
Sanskrit Elementary Schools.

Ref:--From Sri T.N. Vanamamlai Iyengar dated 1-8-49

Submitted.

2) The Petitioner represents that he has put in service as Sanskrit pandit in Secondary Schools under District Board, Ramnad for 14 years 5 months and 4 days on 1-1-48 and as a teacher in Sanskrit Elementary School, Mathurai, (now defunct) prior to his appointment under the District Board, Ramnad from 15-4-30 to 10-6-31 and from 1-4-32 to 26-7-33. As his service under the District Board falls short of 15 years on 1.1-48, he requests that he may be allowed to reckon his service in Sanskrit Elementary School, Mathurai (now defunct) and thereby he may be enabled to get the scale of Rs.75-5-145.

3) The Inspector of Oriental Schools has also issued a certificate after verification of his services to the effect that the individual served during the above periods in Sanskrit Elementary School, Mathurai, G.O. P.No.526 Education dated 15-3-48 has allowed the reckoning of service put in the Secondary Schools and in Training Schools for purposes of calculation of 15 years service for Grade I scale of pay. No mention is made therein of service in Sanskrit Schools.

4) In this connection attention is invited to Rule 18(a) (2) of the establishment rules as amended in G.O. No. 962 Education dated 16th July '43 which laid down for the first time that Sanskrit, Secondary and Elementary Schools constitute separate units and which was deemed to have come into effect with effect from 3rd September 1941. There was no discrimination between services in Elementary Schools, Secondary and Sanskrit Elementary Schools prior to that date.

5) It is therefore for consideration whether the petitioner may be allowed to count his service put in, in Sanskrit Elementary Schools prior to his entering service under the District Board, for purposes of calculation of 15 years' service on 1-1-48 especially when service in Training Schools, viz., other than Secondary was allowed to be reckoned for this purpose in G.O. P.No. 526 Education dated 15-3-48. Government may pass such orders as they deem fit on cases like this, in general, in the circumstances stated.
