Dear Sir,

Sub: Opening of an Archaeological Section
inside the Exhibition.

While thanking you for the participation of the
Education Department, which you have so kindly sanctioned,
we have a further request to make.

It has just now occurred to us that a separate
archaeological and antiquities section in the Exhibition
would provide further valuable attraction and make for its
all-round usefulness. We have therefore requested
Mr.V.M.Narasimhan, Consulting Architect, to be the
Convener of a sub-committee for organising this section.
We have persuaded ourselves into thinking that it might be
possible for the Government Museum to participate in the
display of antiquities in all possible variety. We should
be glad if you kindly issue necessary instructions to the
Museum for participating in the Exhibition on the lines you
may consider most appropriate.

Mr.Narasimhan is going to you in person to explain
the requirements of the section and to place concrete
proposals for your kind consideration.

Thanking you,

Yours faithfully,

S. Venkataraman

The time at our disposal is too short for any good Archaeological exhibition to be put up at the Exhibition. However, we shall consider, if Government approve, putting up an exhibition ourselves next year. As the security of the exhibits is a difficult question, it is not desirable, in my opinion, to leave the work to a private convener, who is a novice in Archaeology.

We are participating in the Education Exhibition at the request of the Director of Public Instruction, and are putting up a "Model School Museum". We are also participating in the Art Gallery of the All-India Khadi and Swadesi Exhibition, for which the Secretary Mr. N.K. Vinayagam has been requested to address Government for exhibits. Participation of the Museum in the Art Gallery of the Exhibition, it is requested, may be considered, as sufficient for this year, as the staff and I cannot manage more exhibitions this season.

Yours faithfully,
A. Aiyappan
Superintendent.

No. 3512/49-2 Ar

Dated the 9th December 1949.

Sir,

Subject: All India Khadi, and Swadeshi and Industrial Exhibition - Loan of Exhibits for Archaeological section *p. 6 ante*

Reference: Letter dated 9th Dec. 1949 from Sri N.K. Vinayakam, Secretary, Art Gallery, All India Khadi,

Swadeshi & Industrial Exhibition to the Secretary to Government, Edn. & Public Health Department, copy sent to me.

There is no objection to lending three or four bronze images for exhibition in the Art Gallery of the All-India, Khadi, Swadeshi and Industrial Exhibition. The Secretary of the Art Gallery wants that one of these should be recently acquired Nataraja image from Porupumettupatti in Tirumangalam Taluk, Madura District. Since this image of particular interest to people of the Pandyan regions, and since it is not so well known, it is advantageous from the publicity point of view to lend it. The Secretary has assured me that all care would be taken for the security of the loaned bronzes. The request of the Secretary may be granted.

Yours faithfully,

A. Aiyappan

K.M. 28.11.

1-1 of The General Secretary Khari
Exhibition brings to the notice of
Genl. that it is proposed to open
a separate archaeological and
anthropology section in the Exhibition
He therefore requests Genl. to issue
instructions to the ^{Suppl. Genl.} Museum for
participating in the Exhibition on the
lines Genl. Consider most appropriate
The S.G.M. who was consulted on
this suggestion, states that ~~at~~ the
time at their disposal is too short
for any good Archaeological exhibition
to be put up at the Exhibition
and adds that as the security of
the exhibit is a difficult question
it is not desirable to leave the work
to a private Convention, who is a
novice in Archaeology. For now
whether in the circumstances, the

proposal may be dropped & the question taken up next year as suggested by the S. G. M.

2 The S. G. M. in this connection states that at the request of the D. P. S. the Museum is participating in the Education Exhibition & are putting up a 'Model Museum'. He also states that the Museum is also participating in the Art Gallery of the Khasi Exhibition for which the Secy. Mr N. K. Vinayagan has been requested to address Govt. for exhibits. The S. G. M. considers that this participation of the Museum in the Exhibition this year is sufficient.

3 Sri Vinayagan has now addressed Govt. to accord permission to the S. G. M. to lend a few pieces of good bronze to be exhibited in the Art Gallery. This may be done. A draft order is submitted. H. M. (20 L) may see.
