To

All Provincial Governments and
Chief Commissioners.

9/355 SUBJECT:- National Cadet Corps - Verification of N.C.C. Officers.

Sir,

With reference to Rule 18(3) of the National Cadet Corps Rules, which lays down that the appropriate Provincial Government should prescribe the enquiries which have to be made regarding the suitability of an applicant for appointment as an officer in the National Cadet Corps, I am directed to say that the Government of India attach great importance to the Police verification of college and school teaching staffs before they are selected for appointment as officers in the National Cadet Corps, with particular reference to the provision of Rule 16(g) of the National Cadet Corps Rules in accordance with which members of certain organisations are not eligible for appointment to the National Cadet Corps. This is necessary as these officers will eventually be attached to Armed Forces units under Rule 34(1) of the National Cadet Corps Rules for training purposes, and will form the nucleus around which the N.C.C. units will be built up.

With reference to the G.O. cited I have to state that though no individual Police report as required therein has been obtained in the case of the officers now commissioned for the Junior Division, I had, with reference to Government Memo No. 7879-B1/48-41 Education dated 13-8-48 issued specific circular instructions to the District Educational Officers that while recommending candidates they should take care to exclude undesirable persons like 'Communists'. A copy of the above Government Memo. was also communicated to them and with reference to the concluding portion of the order, they were required to make particular mention in the remarks column of the application form, that the teachers recommended by them satisfied all the requirements referred to therein. In the above circumstances I presume that no verification by the Police is necessary in their cases now.

2. Individual Police reports will, however, be obtained in the case of all applicants for the next and future selections.

3. If it is however considered necessary that police reports should be obtained about the present officers of the Junior Division, I shall request the Inspector General accordingly.

Yours faithfully,

Subject:- PARTICIPATION IN POLITICAL ACTIVITIES BY
OFFICERS AND CADETS OF THE NATIONAL CADET CORPS.

Sir,

I am directed to refer to this Ministry letter No. 0088/6/49/NCC dated the 17th November 1949, on the subject of Police verification of National Cadet Corps Officers, and to say that the application of Rules 5(g), 6(f) and 16(g) of the National Cadet Corps Rules, prohibiting the enrolment as a cadet or the grant of a Commission as an officer in the Corps, to a member of any communal or political organisation or an organisation believing in violence or communal disharmony was recently considered by the Central Advisory Committee for the National Cadet Corps at its third meeting held on the 22nd February 1950. The Committee felt that as most men and women would in future belong to some political party or other, a strict application of the rules might not be in the larger interest of the country, and suggested a suitable relaxation of the rules.

2. I am accordingly to state that the Government of India have decided that only those persons who are active members of

political or communal organisations should be considered ineligible for enrolment and for a commission in the Corps. I am, however, to add that persons belonging to organisations believing in violence or communal disharmony should be entirely debarred from entry into the Corps.

It was ordered in G.O.Ms.No. 3796 Education dated
12-12-49 that Police verification whether any applicant for
National Cadet Corps is a member of any communal or political
organisation believing in violence or communal disharmony
should be obtained before appointment.

2) According to the latest instructions of the Government
of India communicated in the Government Memorandum referred
to above, a strict application of the rules might not be
necessary in the larger interest of the country and a suitable
relaxation of the rules has therefore been suggested.

3) When proposals for the selection of Officer trainees

the Headmasters and managements of the Schools were requested not

Officers have just joined the Madras regimental Training centre,

Sir,

I am directed to invite a reference to this Ministry's circular
letter No.0088/50/NCC dated the 4th April 1950 regarding the
enrolment or commissioning in the National Cadet Corps of members
of political or communal organisations, and to say that the object
of the decision contained in para 2 of that letter is to enable the
State Governments to keep out those who are likely to be bad
influence in the Corps. Keeping in view the main purpose of the
National Cadet Corps in the scheme of education of the youth, the
Government of India consider that the rules should be interpreted
liberally in this matter and unnecessary difficulties should be
created for otherwise good material joining the National Cadet Corps.
This particularly applies to the case of students who are at an
impressionable age and who may often be expected to change their
outlook as a result of the training in the Corps.
