No. Rc. 1527-G1/48

Station Madras., Dated the 9th November 1949. 19

From (Name) The Director of Public Instruction,

(Designation) Madras.

To The Secretary to the Government of Madras,

Education and Public Health

Department.

Sir,

Subject: MUNICIPAL COUNCIL, KAKINADA - Municipal High School for Girls - Preparation of a panel for 1949 - 1950

The Municipal Council, Kakinada, is maintaining a secondary school for girls and Form V in the school, was permitted to be opened on 31-5-1949.

Under the Rules issued in G.O. No. 3129 Education and Public Health dated 9.12.48 the Appointment Committee should have furnished a list of B.T. or B.Ed. Assistants to the Inspectress to enable her to prepare and furnish the Appointment Committee with a panel before 1-5-1949. Action was not taken early enough as required by the rules with the result that the preparation of the Panel by the Inspectress has been delayed. It is argued that the Appointment Committee cannot suggest names for the panel until a suitable person who can satisfactorily discharge the duties of the Headmistress is secured. The delay on the part of the Commissioner is no doubt

irregular, but the school being the only school newly opened by the Municipal Council recently, I agree that delay is inevitable in the selection of persons as it will take some time to advertise and call for applications and even after applications are received, the chances of getting the right sort of person may not be always bright and readvertisement will be necessary in such cases.

In the circumstances I request that Government may permit temporary arrangements being made in this and similar other cases and to vest the Director with the power to permit for valid reasons, the preparation of the Panel being postponed.

Yours faithfully,

W. S. S. S. S.

ESTABLISHMENT - Secondary Education - Appt. of headmasters - Making of temporary arrangements pending the preparation of a Panel.

From the D.P.I., No. Rc. 1527-G1-48 dt. 9-11-1949.

The D.P.I.'s proposal is that he may be permitted to authorize the making of temporary arrangements to fill posts of headmasters of headmistresses of high schools under District Boards or Municipal ^{Councils} ~~boards~~ in cases where the preparation of the panel of suitable candidates is delayed for valid reasons beyond the dates laid down in the rules. He also wants power to postpone the preparation of the panel for valid reasons, where necessary. In the case of Kakinada Ml. Cl. referred to by him, the dates laid down by the rules cannot be adhered to as the school is stated to have been opened after ^{mentioned in the rules -} these dates. In such cases there does not appear to be any objection to ^{arrangements being made for} the preparation of the panel, after those dates, temporary arrangements being made in the meantime.

2. The D.P.I. wants a general authorization for the postponement of the preparation of the panel. Such a general authorization seems to be unnecessary and undesirable.

3. It will be suffice if the proposal re. the Kakinada Ml. Girls' School alone ^{is} ~~may be~~ approved. An ^{executive order may be issued.} A.M. (E.L.) may see -

Q2

What is the rule under which
the D.T.D. can be enforced?
Should specific provision
be made in the Panel
rules?

Reply

The Rules in (B) do not
contemplate a contingency
of this kind - However,
there may be unavoidable
delays in sending the
lists to the Dist. Insp. or
in inviting applications
from candidates when
suitable candidates are
not available in the
municipal or D.T.D.
service

2/10/55

Service - In such cases
Delays become inevitable
and a panel setup
after the due date
does not become
irregular - There
seems to be no question
of specifically em-
powering the D.P.
to postpone the
preparation of a
panel. The hypothesis
is that there
is no sign to the
preparation of a panel
after the due date
temporary arrange-
ments being made
in the meantime -
It will suffice if an
order is issued to this
effect -
