OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras-6, Dated 5--12--1949.

From

The Director of Public Instruction,
Madras-6.

To

The Secretary to Government,
Education and Public Health Department,
Madras.

Sir,

Sub: BASIC EDUCATION - Buildings for Basic Schools -
Proposals submitted.

REF: G.O. NO.Ms.2930-Education dated 20--9--1949.

With reference to para 3 of the G.O. referred to above
I submit herewith two schemes for building grant for Basic
Schools for favour of approval by Government.

1. Basic School, Perianaickenpalayam.

The estimated cost of the scheme is Rs.14260/-. The
plans and estimates have been scrutinised by the Joint Consulting
Architect to Government and he has recommended the approval of
the scheme for Rs.14260/-. If the scheme is approved a grant
of Rs.9000/- may have to be paid to the management during 1949-50.

2. Board Basic School, Saliamangalam (Tanjore District):

The estimated cost of the scheme is Rs.14,200/-. The
plans and estimates have also been scrutinised by the Joint
Consulting Architect and he has recommended that they may be
approved at a cost of Rs.14,200/-. If this scheme is approved
a subsidy of Rs.9,000/- may have to be paid to the District
Board, Tanjore during 1949-50.

In this connection I may inform Government that seeking
the approval of Government for admitting the schemes indivi-
dually (as per para 3 of G.O.2930 dated 20-9-1949) entails -
avoidable delay. Since there is sufficient provision in the
current year's Budget Estimate which has to be utilised before
the end of the year, I request I may be permitted to allow the
managements to proceed immediately with the work as soon as
the plans and estimates have been scrutinised by the Joint
Consulting Architect and found to be in order. This scheme
is for the construction of basic school buildings.

Yours faithfully,

R.V. Rudrappaswami,
