The humble memorialists submit that the above Sanskrit College at Sriperumbudur is in existence for more than 59 years. A copy of the last year's annual report is enclosed for your kind perusal. The Hon'ble Sri Ramakrishna Raju Garu, President, Madras Legislative Council, presided this year for the Anniversary of the College and distributed prizes.

The Inspector of Oriental Schools has written to us that it is not possible for him to give us teaching grant for the year 1948-49 as the strength of the college was only 11 for that year and that we should approach the Government for special orders.

Permit us to state that during 1948-49 due to the failure of monsoons there was scarcity of water at Sriperumbudur and the procurement of rice for the students was very difficult. The Principal of the College complained that the Ration Shop at that place were allowing only 8 ounces out of which 4 ounces of rice were issued and the rest was asked to be supplemented by millets and other food grains to which the students were not accustomed to take. Due to such difficulties the students hesitated to prosecute their studies and the strength of the college for 1948-49 has gone down to 11. This year the strength has gone up to 16 as the local conditions having improved to a great extent.

This College imparts instruction in the courses of Nyaya, Vyakarna and Visishtadwaita Vedanta Siromonies. Some of the Students even hesitate to prosecute their studies in Sanskrit on account of its not being recognised by the Government for their future career.

We therefore humbly request the Hon'ble the Minister to exempt the above College for the year 1948-49 from the possession of the required minimum strength and direct

6 We also submit that every trouble was taken to advertise in the papers "Andhra Patrika" and "Swadesamitran" calling for applications but on none has responded during 1948-49.

Yours faithfully,

Office: No. 7, SOUTH MADA STREET,
Triplicane, 27th Sep. 1949.

The Hon'ble the Minister for Education,
Fort St. George,
Madras.

Sir,

With reference to our memorial presented to the
Hon'ble Minister yesterday (26-9-1949) by five of us
I have to state as follows:

The Director of Public Instruction sanctions grant
for the current year based on the expenditure incurred
during the previous year ie 1948-49 provided there is
minimum strength (15 to 20) is maintained for that year.
The college did not have the minimum strength of even 15
during the year 1948-49 and the strength was only 11 for
the said year. The Director of Public Instruction wants
the special orders of the Government to exempt the College
from the possession of the minimum strength for the year
1948-49 so as to enable him to allow the usual grant
for the current year -vide copy of ~~the~~ the letter
from the Inspector of Oriental Schools Rop4-18/49-50
dated 13-6-49 enclosed.

I would therefore humbly request the Hon'ble
Minister to exempt the college from the possession of
the minimum strength for the 1948-49 and direct the
Director of Public Instruction to pay us the full
grant due for the said year payable during the
current financial year. even though the strength was only 11.

Yours faithfully,

V. Ranganadham Chetty

Sub: Financial Statement 1948-49- Special reasons
if any for recommendation- Called for.

Ref: This office R.C.No.154/48 dated 7-10-48.

I invite your kind attention to para 2 of this office
reference cited above wherein it was clearly pointed out
that the question of eligibility of your college for
Teaching Grant during 1948-49 will be considered only
on the merits of the case soon after the Financial
statements are received in this office. As such on
scrutiny of the Financial statements ~~which~~ for 1948-49
it is found that the strength of your college is only
11 which is much far below the prescribed minimum 20 (not
even 15). Under the rules your college is not eligible
for teaching grant. Recommendations can be made as a
special case only on the special orders of the Government.
Towards this purpose kindly let me know what steps you
have taken to improve the strength of your college
during the current year 1949-50 and the special reasons
and circumstances under which you claim a teaching grant
for 1948-49 when the strength in the college section has
gone so low and the advanced section has also been closed
completely.

Sir,

of--

Ref:--Govt. Memorandum No.74753 G2/49-1 Education
dated 5-10-49.

With reference to the Government Memorandum quoted above, I recommend that grant may be paid to the U.V.V. Sanskrit College, Sriperumbudur for the year 1948-49, as a special case. The management may also be informed that efforts should be made to maintain the minimum strength of 20 for the College Dept.,

2) In their order No.1303 Education dated 23-6-47, the Government empowered the Director to relax in special and exceptional circumstances the strength required for assessment of teaching grants to Sanskrit institutions upto the limits specified therein. In the same G.O. they also authorised the Director for a period of two years, as an experimental measure, to grant exemptions in specially deserving cases from showing the relaxed minimum specified therein.

I request that the Government may extend to the Director the powers sanctioned in the above G.O. for a further period of two years i.e. in respect of the grants payable in 1949-50 and 1950-51 in order to enable me to grant exemptions in deserving cases.

Sir,

C.NO.429 D7/50 dated 29-7-1950.

Sub:-Grant-Teaching-Aided Sanskrit Institutions-
Special minimum strength prescribed for aid-
Relaxation in special cases-Report for 1949-50.

Ref:- (1) G.O. Ms. 1303 Edn. dated 23-6-49. 47
(2) G.O. Ms. 3817 Edn. dated 13-12-49.

With reference to the orders cited above I submit that
the four undermentioned Sanskrit Institutions were exempted
from showing the Special minimum strength prescribed for
aid, in respect of the grant for 1948-49 paid in 1949-50.

(1) Name of the Institution.	2. Department Exempted.	3. Prescribed minimum strength.	4. Actual Strength in 1948-49.
1. U.V.V. Sanskrit College, ~~College~~ , ~~Superumbadur~~ .	College	15	11
2. Advanced Sanskrit School, Agalpadi.	Advanced	20	14
3. S.D. Sanskrit College, Pavaratti.	Elementary	25	24
4. Sanskrit Elementary School, Calinga-patnam.	"	25	24

2. The reasons for the grant of exemptions are as follows:-

(1) SANSKRIT COLLEGE, SRIPERUMBADUR:-The exemption was granted and the grant for 1948-49 paid with reference to para 2 of G.O. No. 3817 Edn. dated 13-12-49.

(2) ADVANCED SANSKRIT SCHOOL, AGALPADI:-Consisted of only two classes and the strength of 16 in two classes was good enough to justify the grant of exemption. The Inspector of Oriental Schools recommended the payment of grant on the ground that "the strength is proportionately more than the minimum prescribed for two Classes."

(3) S.D. SANSKRIT COLLEGE, PAVARATTI:-The condition for aid was relaxed in view of the satisfactory strength in the College and the advanced departments. Viz. 22 and 48 respectively. The actual strength of the elementary department fell short of the Special minimum by one.

(4) SANSKRIT ELEMENTARY SCHOOL, CALINGAPATNAM:-The strength was only one less than the special minimum of 25. The school was opened just 2 years ago and was paid grant in 1949-50 for the first time.

The strength of the Sriperumbudur Sanskrit College during 1948-49 was 11. The reason for the low strength was given in p.3 of the order at least 15. Normally it should be 20 for eligibility of the teaching grant at one half the net cost of maintenance. On an application for a teaching grant from the management of the institution, the Inspector of Oriental Schools has informed them that the College is not eligible for a grant as its strength was 11 only. In G.O. No. 1303, Edn., dated the 23rd June 1947, for a period of two years, as an experimental measure, to relax in special and exceptional circumstances the minimum strength required for the assessment of teaching grants to Sanskrit institutions. The management has now addressed the Govt. Director has recommended the grant as a special case. In view of H.M.'s. orders, a draft order sanctioning the grant is submitted.

2. The period for which the Director was given powers to grant exemptions from the prescribed strength for Sanskrit institutions in G.O. No. 1303, Edn., dt.23-6-1947 was two years. These exemptions are to be granted only in special and exceptional circumstances. The Director has now asked

asked for an extension of the powers to him for another period of two years. There seems ^{no} objection to sanction the continuance of powers to the Director for a period of two years more. A list of cases in which such exemptions were granted by him each year with reasons therefor may be asked for, as ordered in 1947.
