Govt. Press. All India Khadi and
Swadeshi Exhibition and the Engineering
college exhibition at Guindy - Opening of
Stalls by the Snpolt. Govt. Press for exhibition
and selling Govt. Publications. NOT approved

Government Press.

Endorsement No. 74/Accts/49-50, dated 8th December 1949.

With reference to Education and Public Health Department endorsement No. 9495/C2/49-1 Edn., dated 6-12-1949 the following remarks are offered:-

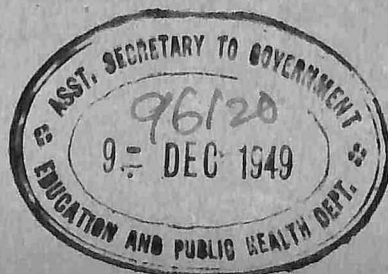

I agree with the suggestion of the Director of Public Instruction regarding the necessity for the opening of stalls at both the places viz., Teynampet and Guindy for the sale of departmental publications in the two exhibitions. Of late several guide books pertaining to the scheme of re-organisation of Secondary Education have been added on to the Publication Depot and the opening of stalls at both places of exhibitions will give wider publicity. In addition to these books, other publications of general interest will be exhibited and it is expected that there will be a great demand for them. For this purpose it is necessary to depute three clerks and four peons of my staff attached to the Publication Depot as they will be conversant with the publications and will be of great use. To attend to the regular sales at Mount Road during this period temporary staff of three Lower Division Clerks and four peons have to be employed in their places to carry on the normal work at Mount Road Publication Depot, otherwise there will be complaints from the public. Expenditure on the transport of publications to the exhibitions, batta to staff and other expenses incidental to the running of stalls at the exhibitions will have to be incurred. It is estimated that the total expenditure will be about Rs 1,000/-. No provision for this item is made in the budget allotment of the current year and additional funds will be applied for in due course.

I therefore request Government to sanction a total sum of Rs 1,000/- in connection with the opening of stalls at the All India Khadi Exhibition at Teynampet, Madras from 15th December 1949 and at the Engineering College, Guindy from 30th December 1949 onwards. The expenditure may be debited to "56. Stationery and Printing - II Printing - Government Presses - E. Publication Branch". The staff deputed will be treated as on duty and will be entitled to allowances which are permitted to members of other departments of Government partaking in the Exhibitions.

Subject: All India Khadi and Swadeshi Exhibition,
Teynampet and Engineering College, Guindy.

From the D.P.I., C.No. 76 S.O. 49, dated 3-12-49
From the S.G.P., No. 74/Accts dated 8-12-1949.

The D.P.I. requests that stalls may be opened at the Exhibition at Teynampet and at Engineering College Exhibition, Guindy for exhibiting and selling publications of the Department of Education and states that stalls will be available for the S.G.P. in the Vidyanagar of the Exhibition and also at Guindy where the Education Department is organising its Exhibition.

2 The S.G.P. agrees with the suggestion of the DPI as regards the necessity for opening the stalls at both the places viz. Teynampet and Guindy for the sale of departmental publications at these two exhibitions.

3 For this purpose the S.G.P. states that it is necessary to depute three clerks and four peons of his staff attached to the publication depot as they may be conversant with the publications and will be of great use. He requests at the same time that a temporary staff of three L.D. clerks and 4 peons may be employed in their places to carry on the normal work at the publication depot, Mount Road.

4 The Khadi Exhibition at Teynampet begins on 15-12-49 and it is stated that it will run for about a month. The exhibition at Guindy will begin on 30th and run for about 10 days. Perhaps sanction may be accorded to the temporary staff for a month from 15-12-1949.

5 The S.G.P. requests that a total sum of Rs 1,000/- may be sanctioned in connection with the opening of the stalls at the exhibitions at Teynampet and Guindy. He also requests that the staff deputed to the exhibition may be treated as on duty and entitled to allowances which are permitted to members of other departments of Government part-taking in the exhibitions.

6 The proposals of the S.G.P. may be agreed to. The file may be sent to Finance and they may be

requested to treat the case as specially urgent.

Para 4 on page 1 ante.

In another connection the Secy. of the All India Khadi and Swadeshi Exhibition has stated that the Exhibition will be held from 15-12-49 to the end of January 1950. Sanction may be accorded to the employment of ~~two clerks~~ ^{one clerk} and two peons for this period.

It is stated that the Exhibition at Guindy will be for about 10 days from 30-12-49. Last year the duration of the Educational Exhibition at Guindy was extended by 3 or 4 days. The employment of two clerks and two peons in connection with this exhibition may be agreed to. As this is an Educational Exhibition it would seem necessary to have two clerks.

Notes on pages 1-2 above may be perused.

The proposal relates to the opening of stalls by the Secy. of the Govt. at the All India Khadi and Swadeshi Exhibition, Teynampet, and the Engineering College, Guindy. It involves the following:-

- (1) ^{Employment} ~~Deputation~~ of one Lower Division clerk and 2 peons for the period 15-12-49 to 31-1-1950 at Teynampet, and 2 Lower Division clerks and 2 peons for about 10 days from 30-12-49 at Guindy,
- (2) Sanction of a sum of Rs. 1,000/- for the transport of publications, batta to staff and other expenses incidental to the running of stalls at the exhibitions, and
- (3) Counting the period of deputation ^{of staff as} on duty and the sanction of allowances to the staff admissible to members of the other Departments of

Government, partaking in the Exhibitions.

2/. Item (3) ^{on page 2} above:- The proposal may be agreed to in Finance.

Item (2) on page 2 above:- The expenditure ^(of Rs. 1,000) proposed is not susceptible of any check and may be agreed to, subject to the remark, that no ^{separate} batta should be paid to the staff, as they will be eligible for allowances admissible under the rules.

Item (1) on page 2 above:- Teynampet. The Lower Division clerk proposed may be agreed to. No special --- reasons have been given for the deputation of 2 peons and this Department may suggest that it is enough if one peon is sanctioned to assist the Lower Division clerk.

Guindy:- E & P.H. have stated that, as ~~this~~ ^{this} is an Educational Exhibition, it would seem necessary to have two clerks and two peons. The staff may, no doubt, be conversant with the publications but it is doubtful whether they possess even a smattering knowledge of the contents of the book, and whether they will be required to explain anything contained in the publications to the visitors. The intention of the participation is to give wide publicity and to increase the sale of departmental and guide books. There does not seem to be any justification for two clerks and two peons and this Department suggest that it is enough, if one Lower Division clerk and one peon are sanctioned as suggested in the case of the exhibition at Teynampet.

It seems sufficient if the Govt. Press (Publication Branch) participates in the Engineering College Exhibition at Guindy alone instead of at this Exhibition & the All India Khadi etc. Exhibition at Teynampet. Only the members of the teaching profession will be primarily interested in the publications. The above suggestion would

would make it more convenient to carry on the regular sale of the publications at the Govt. Press, Mount Road, with efficiency. (The participation of the Publication Dept. in the Teynampet Exhibition which will last for 1 1/2 months ~~with necessary deputation of~~ ~~is likely to~~ will involve the deputation of the clerks conversant with the publications to Teynampet & the sales work at the Mount Road publication dept. may have to be attended to by inexperienced clerks & salesmen).

The proposal in this file is that stalls for the sale of Govt. Publications may be opened by the S.G.P. at the All India Khadi & Swadeshi Exhibition, Teynampet and the Engineering College, Guindy. Finance state that it will be sufficient if the Govt. Press (Publication Branch) participates in the Engineering College Exhibition

at Guindy alone instead of this Exhibition & the All India Khadi Exhibition at Teynampet. They consider that if this proposal is accepted, a sum of Rs 400/- for expenses & a temporary staff of 2 L.D. clerks & 2 peons may be sanctioned. For further details the proposal may be accepted.

Govt publications are not of the type to attract the crowds which ^{are} ^{at} exhibitions. The stalls of such publications are also not likely to be attractive features of the exhibition. I am wondering therefore why D.P.F. has sponsored his proposal. If H.N. thinks otherwise we may agree to the proposal as modified by Finance above
