To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub :- Madras Educational Subordinate Service--Physical
Directors--Grade I and Regional Inspectors of
Physical Education --Inter-transferability.

In the Madras Educational Subordinate Service, there are 4 posts of Physical Directors, Grade I, 13 posts of Physical Directors Grade II, and 4 posts of Regional Inspectors of Physical Education. The method of recruitment to the post of Physical Director Grade I is by promotion from Physical Directors Grade II. It is now considered to be advantageous if the four posts of Physical Directors Grade I are made inter-transferable with the four posts of Regional Inspectors of Physical Education for the following reasons:

The qualification required of a Physical Director Grade I and a Regional Inspector of Physical Education is the same (Viz) the possession of the degree of B.A. or B.Sc. of a University and a Diploma of the Y.M.C.A. College of Physical Education, Saidapet. And the scale of pay for both the categories of posts is also the same (viz) Rs.120-5-170-7-240.

I have the honour to request that Government be pleased to issue early orders declaring the posts of Physical Directors Grade I and Regional Inspectors of Physical Education as inter-transferable ones.

Yours faithfully

EDUCATION DEPARTMENT.

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Education and Public Health Department,

1 DEC 1949

Sir,
Re.No.828-C5/49 dated 29-11-1949

Sub: Public Services - Physical Directors - Transfers of
I Grade Physical Directors as Regional Inspectors of
Physical Education and vice versa Provision for - Proposal
Ref: Govt. Memo.No.3328/A/49-2 Edn-1, dated 13-10-49. p5 and

The implication of the proposal indicated in the subject
above is explained below;

2. At present, there are four posts of Regional Inspectors
of Physical Education on the scale of Rs.120--5--170--7--240 and
they are temporary posts. The four posts of Grade I Physical
Directors in Colleges are permanent and are on the same scale of
pay as that which is applicable to the Regional Inspectors of
Physical Education. The qualifications prescribed for these
two categories of posts are almost the same except that in the
case of persons appointed as Regional Inspectors of Physical
Education they should pass the Deputy Inspector's Test and the
Account Test for Subordinate Officers - Part I within the
prescribed period of their probation.

3. It is not always possible to transfer Regional Physical
Inspectors of Physical Education among themselves owing to
language restrictions. In the interests of administration as
well as the incumbents concerned, it would be desirable if the
Regional Physical Inspectors of Physical Education can be trans-
ferred for short period to a college where they can have first
hand opportunities to train students in various physical education
activities and games and can also have facilities for improving
their own general education. Similarly, it would be desirable
to transfer I grade Physical Directors as Regional Physical
Inspectors of Physical Education occasionally, so that such
Physical Directors may gain some experience and of administra-
tion and inspection and also be prevented from becoming set in
their outlook and activities. These changes can be effected
without difficulty as the scales of pay of the Regional Inspectors
of Physical Education and I Grade Physical Directors are the
same and the qualifications are almost the same and as
indicated above. Only there is no suitable provision in the rules
for making such transfers. For instance, Sri A. Sureshvaran,
Officiating Regional Inspector of Physical Education, Madurai X.
in a college to enable him to prepare for the M.A. degree
Examination. According to the existing rules appointment to the
posts of the I Grade Physical Directors is by promotion from the
posts of II Grade Physical Directors. It is only to enable the
Director to transfer Regional Inspectors of Physical Education also
as I Grade Physical Directors and vice versa, that the Government
orders are now sought.

4. As regards financial commitments, it is submitted that
transfers between the two categories of posts (i.e., Regional
Inspectors of Physical Education and I Grade Physical Directors)
will be balanced, and as such no extra financial commitment
will be involved.

Yours faithfully,

Thiruvananthapuram

(Previous Finance note on page 1 above).

The letter from the Director of Public Instruction on page 9 C.F. and the notes of E & P.H. on page 2 above may be perused.

The Director of Public Instruction has requested orders of Government for making suitable provisions in the rules for effecting transfer of Regional Inspectors of Physical Education also as I Grade Physical Directors and vice versa.

It is stated by the Director of Public Instruction that no extra financial commitment is involved in the present proposal. He has stated that the scales of pay and the qualifications prescribed are also the same but with one exception viz that in the case of Regional Inspectors, they have to pass the Deputy Inspector's test, and the Account Test for Subordinate Officers Part I.

Finance need not object to the proposed transfers present proposal.

As regards the provision in the rules for making such transfers, E & P.H. may consult Public (Services).
