Sir,

SUB:-PAY & ALLOWANCES:SWEEPER.

Ref:-Your G.O.Ms.4225 Education dt 11 Dec.48.

The current market rate in respect of the sweeper entertained in this unit is Rs.23/- (Pay) & Rs.10/- (Dearness allowance). The above reference states that the pay of the sweeper should be drawn from the contingencies. In this connection I have to state that only a sum of Rs.200/- has been allotted towards contingencies and I am afraid whether this amount will be sufficient for the expenditure in connection with the pay of the sweeper.

Under the circumstances I shall be thankful if you could kindly issue orders to include the sweeper in this unit's establishment and claim pay from the Treasury instead of drawing the amount from the Office Contingencies.

Yours faithfully,

MAJOR.
