Rc.3108 L4/49 dated 30-11-1949.

Sir,
Sub: Indian Academy of Sciences - Permission to
Messrs. T.N.Muthuswami and P.B.Patnaik -
to attend - Recommended.

In submitting herewith a copy of letter dated 11-11-49 from Sri P.B.Patnaik, Professor of Mathematics, Presidency College, Madras and a copy of letter No.Nil dated Nil. from Sri T.N.Muthuswami, Professor of Geology in the same College I have the honour to recommend that permission may be granted to the Professors to attend the Conferences. Similar permission was granted to them last year in G.O.No.Ms.3148 Edn. dated 10-12-1948.

The Professor of Mathematics may be allowed only a single Railway fare to and fro. In regard to the Professor of Geology no halting allowance is recommended. He may, however be allowed to return to headquarters on 10-1-50.

Yours faithfully,

for Director of Public Instruction.

KHR.1-12.

Copy of letter from P.B.Patnaik referred to above.

I have ~~the~~ been invited by the President of the Statistics Section of the Indian Science Congress to read a paper in the symposium on the Teaching of Statistics at the ensuing session at Poona. I am also reading a paper on "The Use of Range in Statistical Tests."

I request you to kindly permit me to attend the meetings of the Science Congress in the first week of January, 1950 and to grant me the necessary travelling and halting allowance. I may mention that I was granted travelling allowance last year to attend the Allahabad session, but in the absence of a halting allowance, I had to incur heavy expenses. In this connection I would like to refer to the practice of universities, including the Madras University, and other government departments in Madras and elsewhere, to sanction a daily allowance in addition to the usual travelling allowance for those attending the Science Congress.

Copy of letter from Sri T.N.Muthuswami referred to above.

I am taking a party of Geology students on an instructional tour sanctioned in Proceedings Rc.No.1691-L3/49 dated 5-9-1949, to Lonavla and neighbourhood(Poona--Bombay). Immediately after the tour I propose to attend the meeting of the Indian Academy of Sciences at Bombay from the 29th to the 31st of December 1949 and the Indian Science Congress at Poona from 3rd January to the 9th January 1950.

I request that necessary sanction may kindly be given to me to attend these two meetings and return to Madras on the 10th of January 1950.

As I am going on duty with students on tour which will be completed by about the 27th of December, permission is requested to return to Head-quarters on the 10th January 1950 and for the grant of Daily allowance from 28th December to 10th January.

January.

May I also be permitted to state that the Government was pleased to permit me to go to the Allahabad Science Congress sanctioning T.A. in January 1949. I could not take advantage of it as my presence at Head quarters was considered necessary due to Raman Committee Meetings on reorganization of Presidency College.
