SUB: ALLOWANCE - District Education Officer, Madras -
Conveyance allowance - Request for increase from
Rs. 75/- to Rs. 150/- - Recommending.

SPARE COPIES.....

103 CP of (1)

In their Order No. Ms. 1218 Edn. dated 17-8-48 the Government were pleased to increase the conveyance allowance granted to the District Educational Officer, Madras to Rs. 75 p.m. with effect from 1-8-1944. Since then the city limits have extended and Saidapet including Guindy are added. The District Educational Officer has represented to me that the allowance is found to be quite inadequate considering the volume of work and the actual expenses incurred by him on conveyance. The District Educational Officer has to call on the Honourable Minister for Education very often and attend conferences of Headmasters and teachers besides his usual inspection work and other visits.

2. Owing to the re-organization scheme a number of doubts arise in the minds of teachers and Headmasters very often and they constantly express the desire that the District Educational Officer should go round to tell them the implication of the new changes that have been introduced. The Honourable Minister for Education has also expressed a desire that the District Educational Officer should take him to a few selected High Schools in the city and that he would

P.T.O.

would speak to the teachers on such occasions. Further I have also specifically instructed the District Educational Officer to go round all the High and Secondary Schools for the purpose of giving advice to the teachers in connection with the re-organized courses of studies and also to inspect the various sites that have been listed by the collector of Madras with a view to assigning them for schools. The District Educational Officer is reported to cover nearly 25 miles every day.

3 I am really convinced of the facts of the District Educational Officer's representation and in the circumstances stated above I recommend that the Government may be pleased to enhance the conveyance allowance of the District Educational Officer, Madras from Rs. 75/- p.m. to Rs. 150/- p.m.

Yours faithfully,

Madras may be increased to Rs 150/- p.m. Though the D.P.J's proposal for the enhancement of the Conveyance allowance allowed to the officer from Rs 75 to Rs 100 was sanctioned in G.O No 1019 Bds d 15.5.47, his present recommendation ~~desires~~ seems justifiable in view of the special reasons stated in para 2 of his letter on pp 1-2 CF. The proposal of the EDPH is to sanction the enhancement of the Conveyance allowance of the District Educational officer Madras from Rs 75 p.m to Rs 100 p.m. (The extra expenditure involved works out to Rs 300 p.a.)
2/ The Retrenchment and Reorganisation Committee, at its meeting held on 22.12.47, reviewed the rates of Conveyance allowances granted for the maintenance of motor cars. The Committee was of the opinion that considered that there was no justification for the large variations in the rate of allowances, which range from Rs 25 to Rs 150 p.m., even allowing for variations in the extent of touring. The Committee were of the opinion that the rates

Should be better approximated and recommended that, having regard to the fact that the higher paid officers use their cars not only for official purposes but also for their own purposes, as well as those of their families, ~~and that~~ all motor car allowances exceeding Rs 75 p.m. should be reduced to Rs 75 p.m.

The Govt. having carefully examined the Committee's recommendations and directed that in future conveyance allowances, when sanctioned should be limited to a maximum of Rs 75 p.m. (inclusive of 25% temporary increase). This will apply only to new posts created hereafter and existing officers will receive the conveyance allowance they are drawing at present - please see G.O. 758 Fin dated 5.8.48.

3/As the present policy is not to give anything more than Rs 75 p.m. for the maintenance of a motor car, the proposal of E.P.H. to enhance the rate from Rs 75 p.m. to Rs 100 p.m. may be negative. If E.P.H. do not agree they may be requested to take orders in circulation, including H.R. (Finance).

Office of the
Director of Public Instruction
Madras, dated, 9th April 1949.

From

The Joint Director of Public Instruction
Madras.

To

The Secretary to Government,
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- Allowances -- Conveyance allowance to the
District Educational Officer, Madras --
enhancement of -- recommended.

In their order No.Ms.384 Edn., dated 14-2-1949,
Government have stated, that my recommendation to enhance
the conveyance allowance to the District Educational Officer,
Madras, from Rs.75/- per mensem to Rs.150/- per mensem could
not be accepted.

The District Educational Officer, Madras, has again
represented to me in the matter (copy enclosed) and has
requested that the allowance be enhanced to at least Rs.100/-
per mensem as a special case.

The conveyance allowance to the District Educational
Officer, Madras, was fixed at Rs.75/- per mensem in G.O.No.
Ms.1218 Edn., dated 17-8-1944. Since then, new areas (Saidapet
Guindy, Amjikalai etc.) have been added on to the City. The
number of institutions, which he has to inspect and visit,
have also increased. The District Educational Officer, has,
therefore, to cover a larger area than before, and consequently
incur additional expenditure on conveyance.

Besides the visits to educational institutions, the
District Educational Officer has to organise camps and conferen-
ces, conduct numerous examinations, receive certain delegations
from outside the Province and attend to their convenience, and
has to call on the Honourable Minister for Education very often.
These additional duties have also contributed to increase the
conveyance expenditure of the District Educational Officer.

It is reported that the Education Officer of the Corpora-
tion of Madras is being paid a conveyance allowance of Rs.100/-
per mensem. While the Education Officer of the Madras Corpora-
tion, has jurisdiction only over the Corporation Schools, the
jurisdiction of the District Educational Officer extends over
institutions under all kinds of managements. The expenditure
on conveyance should naturally be much more to the District
Educational Officer than to the Corporation Education Officer.

In the circumstances, I consider that the conveyance
allowance of Rs.75/- is not sufficient. I, recommend that
Government may be pleased to increase the Conveyance Allowance
to Rs.100/- per mensem the amount that is being paid to the
Corporation Education Officer.

Yours faithfully

Copy of letter R.C.No.123 B/48 dated 18th March 1949 of the District Educational Officer, Madras, to the Director of Public Instruction, Madras.

Reference:- Your Proceedings Dis.No.936/49 dated 23-2-1949 regarding conveyance allowance -- District Educational Officer, Madras - Conveyance - Enhancement of -

I have the honour to submit herewith the following few lines for reconsideration of the orders issued in the G.O. Ms.No.384, Education dated 14-2-1949 communicated in the above Proceedings.

2. The conveyance allowance of Rs.75/- sanctioned to the District Educational Officer, Madras, was fixed long ago when cost of petrol was about one half of what it is now, when the number of schools was comparatively less than what it is at present and when the jurisdiction of the District Educational Officer was confined to the old city limits. Now the cost of petrol has gone high, the maintenance of the car including wages of the driver has risen. The number of High and Middle Schools under my jurisdiction is 44, number of Elementary Schools is 249 and the number of other schools not coming under the former two categories is 7. The city limits have now extended to Saidapet and Sembiam areas. These facts alone are enough to consider the question of enhancement of these conveyance allowance to the District Educational Officer which was originally fixed at Rs.75/- per mensem.

3. Moreover, apart from the visits and inspections of Elementary and Secondary Schools in the City with its recent extensions, I have to organise camps and conferences, conduct numerous examinations of the Commissioner for Government Examinations, Madras Public Service Commission and Federal Public Service Commission. I have to receive delegations from outside the Province, and attend to their comforts. My outdoor activities are too many to enumerate in this representation. I may, however, only add that the above items of work are my legitimate duties entrusted to me by the Department.

4. There is but one more point that I would like to state in this connection. The Educational Officer of the Corporation is at present paid a conveyance allowance of Rs.100/-. He has jurisdiction over Corporation schools only. I have besides Corporation schools, aided elementary schools also not to speak of the High, Middle and Special Schools whose numbers I have already indicated above. It will thus be unfair to give me Rs.75/- only when an officer with even less than half the number of schools under his jurisdiction is paid Rs.100/- a month.

5. In these circumstances may I kindly request you to implore the benign Government to sanction a conveyance allowance of at least Rs.100/- to me as a very special case.

Finance (E.I)

The case relates to the enhancement of the conveyance allowance to the D.E.O., Madras from Rs. 75 to Rs 100 p.m.

2. As pointed out by Edn. & P.H. the claim was examined over and over again - cf. G.O. 1218 Edn. dated 17-8-1944, and G.O. 1019 Edn. dated 15-5-1947 and G.O. 384 Edn. dated 14-2-1949.

With reference to the recommendations of the Retrenchment and Reorganisation Committee the Govt. directed in G.O. 758 Fin. dated 5-8-1948, directed that in future conveyance allowance when sanctioned should be limited to a maximum of Rs 75 p.m. (inclusive of 25% temporary increase). This is based on the decision of the Cabinet. Even officers holding posts superior in status than the D.E.O. cannot get anything

more

more than Rs 75 p.m. It is therefore a concession to

allow this District Officer on the scale of Rs 230--700

to continue to draw the maximum of Rs 75 p.m. Further

officers of similar status, the Inspector of Boilers

on Rs 280--700 and Electrical Engineer on Rs 500--850 are

allowed only Rs 40 p.m. and Rs 30 p.m. as conveyance allowance

(subject to the maintenance of a motor car) --cf. items

92-A and 111 of the M.T.A., Rules, Volume II. The D.E.O.,

Madras is thus better placed in this respect.

3. In the circumstances this Deptt. may advise that
no reconsideration of the orders so lately issued in Feby. last
is necessary.

Re. No. 3072 L3/49 dated 24-11-1949.

Sir,

Sub: Allowance - District Educational Officer, Madras -
Conveyance allowance - Request for increase
from Rs. 75/- to Rs. 150/- p.m. recommending.

Ref: Govt. Memo 31009 A/49-2 Edn., dated 17-5-1949.

8 0 NOV 1949

In enclosing herewith a copy of the representation
of the District Educational Officer, Madras (Re. No. 527 B/49
dated 31-10-1949) requesting for the enhancement of conveyance
allowance from Rs. 75/- to Rs. 150/- p.m. I recommend that the
request deserves special consideration for the following
reasons:--

- (1) The present price of petrol is nearly double what it was
at the time of the sanction of conveyance allowance
of Rs. 75/- p.m.
- (2) The jurisdiction of the District Educational Officer has now
been extended consequent on the inclusion of Saidapet
and Sembiam with the City of Madras.
- (3) With the reorganisation of Inspectorate the number of schools
under the control of the District Educational Officer
has increased considerably and all Elementary Schools
for Girls which were hitherto under the control of
the Inspector of Girls' Schools are now under the
control of the District Educational Officer.
- (4) Being at the Headquarters the District Educational Officer is
often asked to represent the Department at a number
of meetings and other similar occasions.
- (5) He has to convene, attend and address several camps generally
formed away from Headquarter.
- (6) For over two months in a year (December and January) the
District Educational Officer is asked to convene Educa-
tional exhibitions run at two places (Teynampet and
Guindy) for which he has to go almost every day and
on some days more than once also. He is not paid any
extra allowance for performing the journey.

In view of the above I am satisfied that the request of
the District Educational Officer is reasonable and recommend
that Government may be pleased to enhance the allowance from
Rs. 75/- to 150/- p.m.

Yours faithfully,

p.t.o.

Copy of the representation of the D.E.O. referred to overleaf.

Government in their Memos No.384 Edn., dated 14-2-49 and 31009A/49-2 Edn., dated 17-5-49 turned down my request for the enhancement of my conveyance allowance. I most humbly request you to address Government for the reconsideration of their orders in the following circumstances:-

1. The conveyance allowance for the District Educational Officer, Madras, at Rs.75/- per mensem was fixed at the time when the price of petrol was less than half of what it is at present. It was about a rupee then and it is Rs.2-7-6 to-day.
2. With the reorganisation of Elementary and Secondary Schools the duties of the District Educational Officer have increased. For example all the Girls schools (Elementary) which were formerly under the jurisdiction of the Inspector of Girls' Schools have been added to the District Educational Officer. With regard to secondary education the District Educational Officer has to run the Citizenship Training camps usually away from the Headquarters, address the schools, Teachers, Teacher guilds, Teachers Associations etc. constantly to make them familiar with the scheme. Similarly in the case of Social Education Scheme.
3. It is anomalous to grant Rs.100/- for the Corporation Education Officer whose jurisdiction is only over the Corporation Elementary Schools. The Government District Educational Officer has jurisdiction not only over the Corporation Elementary Schools but also over the aided Elementary Schools both boys and girls and also all the High Schools in the City of Madras with its extended areas.
4. The Director of Public Instruction deputed as his representative the District Educational Officer to attend a number of meetings. For example, the meetings of the vacant Land Allotment Committee. Besides these the District Educational Officer is himself an ex-office member of the Penitentiary, Madras Society for the Protection of Children, Tuberculosis Hospital Advisory Committee and so on.
- and 5. During the months of November, December and January every year the District Educational Officer, Madras, as the General Convenor of the Educational Exhibition has to organise and conduct two educational exhibitions one at Teynampet in conjunction with the All India Khadi Exhibition and the other at Guindy along with the Engineering College Exhibition. There is great deal of knocking about in this connection in the matter of giving instructions to schools and collecting exhibits etc. Last year Government have been requested to give him a Station Wagon for his use. The request was however negatived by the Government.

Taking all these factors into consideration I earnestly request you to move the Government to view my case sympathetically and to sanction me a conveyance allowance of Rs.150/- per mensem at least as a very special case.
