EDUCATION DEPARTMENT.

From The Director of Public Instruction,
M A D R A S.

To The Secretary to Government,
Education and Public Health
Department.

R.C.No.701-C6/49 dated 25th November 1949.

Sir,
30 NOV 1949

Sub:- Office of the Director of Public
Instruction, Madras-Purchase of a
Tell-Tale clock-Sanction-Requesting.

This office on account of its recent expansion is accommodated in three different buildings, in the same compound and three Night-watchmen are employed to look after them. In connection with Visual Education Scheme, several valuable projectors, films etc. have been purchased in recent months and are kept on the ground floor of the main building. In view of the valuables stored and to enforce the regular and efficient performance of the duties of the Night-watchmen I propose to instal a six station Tell-tale clock in the office.

The clock is available with Messrs. P. Orr and Sons, Madras and with six metal boxes for installation at different places, the total cost of the clock comes to about Rs.340/-.

I request that Government may be pleased to sanction the purchase of such a clock for use in my office.

The additional expenditure involved can be met out of the current year's allotment under "37(o) Education-General-Directions".

Yours faithfully,

S. O. Paulanali
