Government of India
ALL INDIA RADIO

P.13(2)C/
Madras, 11-7-1949.

The Secretary to Government,
Education and Public Health Department,
Government of Madras,
Fort St. George, Madras 9.

Sir,

Sub: Broadcast by teachers employed in Local Boards
and Municipal Schools.

Ref: G.O. Ms. No.2118 Education dated 2-7-1949.

The following suggestions are offered for kind consideration:

1. The draft amendment relates to "the case of broadcast talks on Educational problems". Teachers employed in Local Boards and Municipal schools are invited to speak in the educational broadcasts of AIR, on subjects which they would themselves be teaching in their respective schools. It may kindly be considered whether permission to accept broadcasts of this routine nature could be accorded by the immediate superior of the teacher. For broadcasting talks on educational problems, which may trench on the policy of Government or explain the measures contemplated by Government, teachers from Local Boards would not normally be invited at all; in such a case, approval of Government would of course be necessary. The present wording prohibits the broadcasting of a talk "on any subject" without previous permission; if "any subject" is intended to refer only to topics of educational problems this may kindly be made clear to exclude routine talks for schools, on subjects taken from the syllabus which is prepared by AIR in consultation with the Education Consultative Panel.

2. The amendment refers to talks; some employees of Local Board schools like music teachers etc., sometimes are invited to broadcast song recitals; in such cases it is suggested for approval that permission may be given by the immediate superior of the individual.

3. There were some instances when local Board employees invited to give song recitals were directed to produce the

P.T.O.

entire scripts of all the songs they propose to sing together with English translations of the same before permission could be accorded. These had involved hardship and delay in those cases; the text of all songs, most of them only classical pieces are always scrutinised by AIR before they are permitted to be broadcast.

Yours obedient servant,

G. J. Sastri
STATION DIRECTOR.

RULES - Establishment - Local Boards and Municipal

Read: G.O.Ms.No.2118 Education, dated the 2nd July 1949.
From the Station Director, All India Radio, Madras, No.
P.13(2) C dated the 11th July 1949.

The draft of an amendment to rule 6(4) of the rules
relating to the personal conduct of officers and servants of
local boards and municipal councils was published in the
Rules Supplement to Part I B of the Fort St. George Gazette
dated the 19th July 1949. The time allowed for the receipt
of objections and suggestions in respect of the amendment,
namely, two months, has expired on 18th September 1949.

2. Certain suggestions have been made by the
Station Director, All India Radio, Madras. They are as
follows:-

(i) Permission to broadcast routine talks on subjects
~~which~~ selected from the syllabus for the schools and
prepared by the Education Consultative Panel may be given
by the immediate superior of the teacher concerned to avoid
delay.

(ii) As the amendment refers only to broadcast talks,
permission for the broadcast of music recitals (vocal and
instrumental) may also be accorded by the immediate superior
of the individual concerned.

(iii) The requiring of enclosing English translations
of the songs to be broadcast may be discontinued.

3. The suggestions are examined below:-

(i) above:- The intention in making this suggestion
seems to be that permission for the ^(broadcasting) routine talks should be
granted by the headmaster ^(or headmistress) of the school. The draft amendment
lays down that permission for broadcast talks on any subject
by teachers should be taken from the D.E.O. or the Inspector
of Girls' Schools concerned. This provision has been made
only on the suggestion of the D.P.I. It is not clear whether

there will be delay in obtaining the permission even from the D.E.O. or the Inspectress. The Director may be consulted on the suggestion.

(ii) above:- The amendment proposed is for clauses (a) and (b) of rule 6(4) of the rules relating to the personal conduct of officers and servants of local bodies. It is not proposed to amend rule 6(4)(c) of the rules. According to this rule, clauses (a) and (b) shall apply mutatis mutandis, in respect of music recitals. The Director may be consulted, whether it is also necessary to delegate the power to grant permission for ^(the broadcast of) music recitals to the ^(or headmistress) headmaster of the institution concerned.

(iii) above:- At the instance of the Station Director, All India Radio, Madras, this suggestion had already been considered and orders passed in G.O.No.3224 Edn. dated 17-12-1948. No action is therefore necessary on this suggestion.

4. With reference to sub-para (i) and ~~ii~~ⁱⁱⁱ of para 3 above, a draft memo to the D.P.I. is submitted below for approval.
