To

The Secretary to Government,
Education and Public Health Department

Roc 371 A2/48 dated 3-12-1949

Sir,

Subject: Government Training School for masters -
Mettur Dam - Installation of Radio set
for the school

95502

At the time of the school day celebrations of 1948 of the Government Training School for masters, Mettur Dam, certain local gentlemen desired to present a radio set for the school. Accordingly a Denco radio set ready to be installed in the school with an aerial, loud speaker etc was secured by them. No conditions are attached to the presentation.

The radio is a new one and will be useful to the school. The Divisional Inspector Coimbatore recommends that the set may be accepted and necessary recurring expenditure towards the maintenance may be permitted to be incurred by the Headmaster.

The recurring expenditure on the maintenance of the radio set including licence fee and electric current charges may be estimated to be Rs 150/- per annum.

I therefore recommend that the Government permit the Headmaster to accept the Radio set for the school and that sanction may also be accorded for the incurring of a recurring expenditure not exceeding Rs 150/- (Rupees one hundred and fifty only) per annum towards its maintenance.

Yours faithfully,

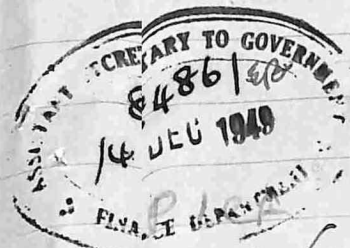

Shreekrishna

for Director of Public Instruction
