5 - NOV 1948

Enclosures:

Roc. No. E.11-15698/48 dated 2-11-1948.

Sir.

Subject:- Board High School, Kamuthy - Construction of building - Appointment of one special Supervisor - Sanction solicited.

In G.O. No. Ms. 771 Edn., dated 21-5-42 and in G.O. No. 356 Edn., dated 6-3-44 Government have sanctioned subsidy not exceeding one half of the actual cost of the construction of a building for Board High School, Kamuthy subject to the maximum limit of Rs. 9247. The above work, except the construction of well, was not taken up so far owing to war conditions. It is now proposed to commence work as early as possible for the reason that the existing premises have become so dilapidated and also inadequate to house the High School.

The Divisional Engineer(Highways), Ramnad at Sivaganga reports that due to the present increased rates the amount of the estimate after revision works out to Rs. 90,500 and that the services of a special Supervisor exclusively for the supervision of the work is quite necessary. The District Board in its resolution No. 1227 dated 29-9-48 (copy enclosed) has sanctioned the appointment of a Supervisor for 9 months. The Inspecting Officers insist on the early completion of the work. I request you kindly to accord sanction for the appointment of Supervisor for 9 months on Rs. 100/- plus allowances from the date of appointment.

nv. 2/11.

For Special Officer.

ENCLOSURE:

PROCEEDINGS OF THE ORDINARY MEETING OF THE RAMNAD DISTRICT BOARD.
NO. 1227.
DATED 29-9-1948.
READ:-

Letter Roc. D.4- 5798/48 dated 17-3-48 from the Divisional Engineer(Highways), Ramnad at Sivaganga requesting for the appointment of a special Supervisor for nine months for the supervision of the construction of building for Board High School, Kamuthy since the above is a major work.

Subsidy - Building - Board High School Kamuthy -
Rannad - Construction of a building

From the S.O. St Bd Rannad Rec. no. 2-11-15698/88-9
2-11-48

Memo No. 81885-6/48-Edn dated 12-11-48

The cost of construction of a building for the Board High School, Kamuthy, according to the estimate approved by the Consulting Architect in 1944 was Rs 18,494. It is reported that the estimate as now revised by the Divisional Engineer (Highways) works out to Rs 90,500. As the cost has increased considerably the question of financing the scheme should be settled and the sanction of govt should be obtained to the payment of subsidy on the basis of the revised estimate before the work is executed. The S.O. St Bd Rannad is therefore requested to submit ^{forward} immediately the plans & revised estimate for the work to the D.P.D for his approval. The special

Patner
12/11/48

3

Office is informed that the maximum subsidy that can be paid towards the cost of the work according to the existing procedure is only Rs 35,000 and ^{that} the D.Bd must find from its funds the balance of cost. He is requested to report whether the D.Bd is prepared to meet from its funds Rs 55,000 - being the balance of cost over the subsidy of Rs 35,000 as per revised estimate. and if so how it proposes to find the amount - whether from the balance under the General Account or by raising a loan. The D.Bd should also consider whether the work cannot be deferred until the ^{cost} of building materials + labour comes down to normal. ^(The S.O. D.Bd Ramnad) He is requested to state the stage up to which the work has previously been executed.

2. The D.P.D. is requested to report whether any provision should be made for this work in Part I of the Estimates for 1949-50 treating it as a work in progress, part paid scheme, as the D.Bd wants to take up the scheme for execution, ~~in the next year~~.

construction of a building -
Ref: Government Memo No. 81885 B1/48 Education dated 12-11-48

Since the revised estimate and plan have not yet been received from the Special Officer, I do not think that at this stage any provision should be made in regard to this scheme in part I of the Budget estimate for 1949-50. If, after getting the revised estimate approved by the Director, the District Board were to ~~execute~~ execute the work and claim subsidy during 1949-50, Government may meet the claim if necessary by reappropriation of Funds during that year. Copy of the letter RC No. E-11-15698/48 dated 2-11-48 of the Special Officer District Board Ramnad referred to in the Government Memo has not been received in this office.

has been sent to the SD.

18.12.48

1. The proposal to construct a building for the Board High school at Kamuthy was mooted as early as in 1941. Yet beyond estimate stage no work has been done. The existing temporary sheds are very unsuitable and inadequate. Further they are also dilapidated. The inspecting authorities insist on the early execution of the building. Therefore the construction of the school building is necessary and urgent. The prospects of prices scaling down to any appreciable extent is rather remote; temporary sheds if constructed now will cost at least Rs. 20,000. Under the circumstances stated above the construction of the building may be taken up now without any further delay.

2. As regards financing the scheme, the District Board can easily allot funds from its general funds required over and above the subsidy of Rs. 35,000, in two instalments for the above work which will take two years to complete.

3. As required in para 1 of Government Memo I am calling for revised estimates from the Divisional Engineer (Highways) Ramnad for obtaining approval of the Director of Public Instruction, Madras.

In continuation of this office letter Roc.A.4.15698/48 dated 26-7-1949 I have to state that the Director of Public Instruction, Madras in his proceedings Rc. 7038 G.2.46 dated 28-9-49(copy enclosed) has accorded approval on the revised estimates and plans for Rs.97,850-0-0 for the above work and the Divisional Engineer (Highways) Ramnad has been requested to take up the work for execution immediately. Now the Director of Public Instruction, Madras has requested to inform him whether orders have been obtained from Government to proceed with the work. A copy of his letter Roc.7038 G.2.46 dated 9-11-1949 is enclosed. I request that Government may be pleased to issue necessary orders as required by the Director of Public Instruction, Madras.

S. O. Odayappa
PRESIDENT
RAMNAD DISTRICT BOARD.

Subj: Buildings-District Board-Ramnad-Board high school, Mamuthy-construction of a building-plan and estimate for Rs.97,850/- approved-
Ref:- From the Special Dt. Board, Ramnad Rc.A.4.No.15698/48 dated 26-7-49.
ii. From the Joint consulting Architect to Government U.O.remarks dated 9-9-1949

The revised plans and estimates for Rs.97,850/- relating to the above work are herewith returned duly approved subject to the remarks of the Joint consulting Architect to Government-copy enclosed.

Copy of U.O.remarks dated 9-9-49 of Joint consulting Architect.

Subj:-Board high school, Kamuthi (Ramnad District) Construction of a building-revised estimate Rs.97,850/-

The plan and estimates for the above work have been scrutinised and the following are the remarks.

1.The directions of the prevailing winds should have been marked in the site plan with a view to check the location of the latrines, and urinals.

2.A report, explaining the necessity for the work, the strength for which the building is designed to accommodate, nature of the items for which lump sums are provided and any special features, etc should have accompanied the estimate.

3.In the absence of information about the total strength of the schools, it is not possible to check the area of the class rooms and the sanitary arrangements provided.

4.The design could not be checked as calculations for intensity of pressure on soil concrete, masonry, structural calculations for the sizes of the members of the truss and roof adopted and for verandah posts, lintels etc. are not furnished. However, the designs may be passed on the responsibility of the Divisional Engineer.

5.In item No.20 of the estimate, the cement plastering provided for the walls are of proportion of 1:3 and 1:4 This has been altered to 1:5 in this office and necessary correction has been carried out in the estimate.

5.(1) It is suggested for item 23, viz. wood oiling, painting is preferable. It is not known how the roof quantity will hold good for this also.

(2) Item No.29 viz. construction of temporary shed, is very vague, The necessity for this should have been explained in the report accompanying the estimate.

(3) The following discrepancies are noted between the plan and estimate.

Description.	As shown in plan.	As provided in the Estimate.
Pillars in front verandah	6 Nos.	8 Nos.
Tye type of the truss for 21'0"	Composite.	King post.
span	6x11x11.	8x11x11
Sizes of the door 'A'	5' x 8'6"	5' x 8'0"
-do- Ventilator 'L'	4' x 2'6"	3' x 4 1/2" x 1'9"

5(4) Vertical joints may be provided at either side of the entrance hall for front block and in the centre for the rear block.

5(5) A damp proof course with cement mortar 1:3, 3/4" thick may be provided below the flooring concrete.

5(6) It is presumed that the sanitary arrangements provided are as per scales laid down in Grant-in-aid code.

6. 5(7) Detailed data could have been worked out for item 14 viz. trellis gate instead of providing a lump sum amount.

6(1) A sum of Rs.83-6-0 per 100 c.ft. is allowed in the data, for cartage of wood from Mathurai. It is presumed that this amount is for the railway freight, loading and unloading charges etc.

6(2) A certificate attesting to the correctness of the leads and rates adopted in the estimate should have been furnished.

As it is seen that the scheme is pending since 1941 and has to be taken up for execution urgently, the estimate may be generally be approved for Rs.97,850/- subject to the above remarks.

Copy of Rc.No.7038 G2/46 dated 9th Nov'49 of the Director of Public Instruction, Madras to the Special Officer, District Board, Ramnad at Madurai.

Sub:-Subsidy-buildings- board high school, Kamuthy- Ramnad District- construction of a building-
Your letter No. A.4.No.15698/48 dated 31-8-1949

I invite your attention to Government Memorandum No.81885-B1/48 Edn. dated 12-11-1948 and request you to let me know whether orders of Government have been obtained to proceed with the work after the revised plans and estimates were approved by Director in his proceedings Rc.No. 7038 G2/46 dated 28-9-1949. If so please furnish me with a copy of Govt. orders to that effect and let me know as early as possible and in any case before 31-12-49 the probable amount of subsidy that will be claimed by you before 15th March 1950 in respect of the work. This information is required in connection with the final revised estimate for the current year. Please also forward from time to time partial completion certificates to enable me to recommend to Government the payment of the subsidy due.

Subsidy - Buildings- Board High school, Kamuthy - Ramnad Dt
Construction of a building - Maximum - Fixed.

Read G.O. No 356 Education dated 6-3-44

From the S.O, Dt Bd, Ramnad R.O.C.No E.11-15698 dated 4-12-48

From the President District Board Ramnad R.O. No 15698/48
dated 18-11-1949

Order No 3877 Education dated 19-12-49
MS

In G.O. No 356 Education dated 6-3-1944, the maximum subsidy payable to the District Board, Ramnad, towards the cost of construction of a building for the Board High school, Kamuthi, was fixed at Rs 9247 (Rupees ninethousand two hundred and forty sevenOnly) equal to onehalf of the then estimated cost of Rs 18,494. Except the construction of a well, the work was not proceeded with owing to war conditions. As the existing premises have become very dilapidated and inadequate, the District Board has proposed to take up the work for execution immediately. The cost as per revised plans and estimates approved by the Director of Public Instruction is Rs 97,850. The maximum subsidy payable to the District Board towards the cost of construction of the building will be raised from Rs 9247 to Rs 35,000 . The subsidy of Rs 314 already disbursed towards one half of the value of the work ^{done previously} ~~and~~ will be deducted and the balance of Rs ³⁴⁶⁸⁶ ~~29886~~ (Rupees ^{thirty four} ~~twenty nine~~ thousand six hundred and eightysix only) will be paid to the District Board - ~~the balance~~ ^{in the limit of the amount required in excess of this amount} should be met entirely from the funds of the District Board.

2. The District Board, Ramnad, is permitted to proceed with the work immediately.
