Sir,

Sub : TYPEWRITER--Supplied to Health Officer, Anti-malarial Scheme--New Settlers Colony--Use of by unqualified person--Sanction requested.
Ref : G.O. Ms. No. 2293--Education dated 15th July, 1949.

In the above order Government have sanctioned the supply of a typewriter for use in the New Settlers Colony and ordered that the machine be placed in charge of a qualified person. The Health Officer now states that the post of a clerk knowing typewriting has been sanctioned for the scheme and that the present clerk states that he knows typewriting but not qualified.

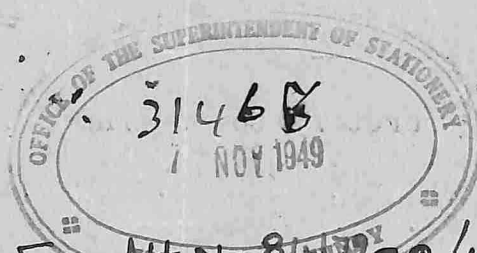

As fully qualified typists are not easily available, I request that Government may be pleased to allow the present clerk of the New Settlers Colony to be incharge of the machine.

Yours faithfully,

R. Subramaniam

2. New typewriters are getting into repairs by careless handling by inexperienced, though qualified typists. It is not, therefore, safe to allow the machine to be handled by an unqualified typist.
