R.C. No.3152 L4/49 dated 25th Novr. 1949.

S i r, Sub: CONFERENCE - Permission to convene a conference of District Edl. Officers for three days during the Exhibition Week - Requested.

I have the honour to request that Government may kindly permit me to convene a conference of District Educational Officers for three days during the ensuing Exhibition Week in December 1949.

2. A camp and conference of District Educational Officers was held last year in September 1948 for about a week to discuss educational matters. It is desirable to hold a similar conference this year also for a shorter period, and the most appropriate time to convene it would be in December 1949 during the Exhibition Week when the District Officers have usually no Inspection work and when the educational section of the Exhibition, which would be of great professional interest and value to them, could also be visited by them while at Madras. The conference is mainly intended to discuss several administrative and educational matters.

3. I request that Government may kindly accord the necessary permission and pass early orders in the matter.

I don't think
it is intended
to discuss matters
of policy at the
proposed Conference

In view of the great need for economy
and the fact that these Conferences are ^{merely expensive} not
generally productive of any tangible results. His
departments have been advising against such
proposals. ~~as~~ Matters regarding the policy to be
followed in Education are for Govt to decide &
in this regard they are guided by the D.P.S. and other
expert Committees set up from time to time. In
this view, it does not appear that any purpose
will be served in incurring heavy expenditure
on t.a. etc involved in proposals of this sort.
It is for consideration whether Finance may
advise against the proposal.

If Edmt press their proposal, they may
be requested to obtain orders in circulation,
including from (Fin). In that event they may
consider ^{in the interest of economy} whether it will ~~be~~ not be sufficient
to restrict the Conference to a few selected
officers of the Dept whom ^{meeting} ~~present~~ will really be
useful for the cause of Education.
