Copy of letter dated 6-9-49, from the Correspondent, the Sarah Tucker College, Palamcottah:--

Ref:-Your proceedings Rc.386 D2/48 dated 12.3.48

Sub:- Grant -building -Sarah Tucker College, Palamcottah -construction of science block.

I have the honour to inform you that in the above proceedings, these words appeared:--

"The Correspondent is informed that an advance grant of Rs.50,000/- in respect of this scheme has been proposed in the B.E. of 1949-50"

We have now completed ~~the~~ constructing part of the Science block at a cost of about Rs.1,50,000/-. We have absolutely no money on hand to build the rest of the Science block which has yet to be constructed.

I sincerely trust that Govt. has sanctioned the advance grant of Rs.50,000/- proposed in the Budget Estimate for 1949-50.

If for any reason Govt. has not yet sanctioned this advance grant, I shall be extremely grateful if you can please advance this amount, as we are extremely hard up for money to complete the building.

The request for the disbursement of the grant in the current year itself seems to be based on the intimation given by the D.P.I. to the Correspondent that an advance grant of Rs.50,000/- in respect of the scheme has been proposed in the Budget for 1949-50. In G.O.No.2993 Edn.d./- 29.11.1948, admitting the scheme to aid, it has been specifically stated that the admission does not carry with it any guarantee of grant. The Govt. are not therefore committed to sanction the grant unless their finances permit. In view of the present stringent financial position, of the finances, the proposal to give a grant in the current year may be negatived. The D.P.I. may give priority to this grant, if he is satisfied that such a treatment is called for, in disbursing the lump sum grant to be made in the Budget for 1950-51.

Sd. A.S.(Fin)

If the D.P.I. sends out intimations of the sort C on p.1 c.f., he should if all his proposals are not approved, send revised intimation that the proposals have not been approved to the parties affected thereby. He should see that such intimations do not give occasion to managements to treat them as basis for claims for special treatment. This point may be brought home to the D.P.I.

As however the D.P.I. seems to have left matters in this case at a stage when the management may reasonably have expected a grant during the current year, it merely amounts to leaving the question open, which may
