within the Municipality-Orders requested.

The District Board, South Arcot, Cuddalore runs 9 elementary schools within the municipal limits and all of them are proposed to be taken over by the Municipality as, after the conversion of Tindivanam into a Municipality, the District Board, South Arcot, would not run the institutions within the Municipal area. The cost of running the schools is worked out and given in the statement appended. As the Municipal council proposes to levy Education tax with effect from 1-4-49 and as the council expects the transfer of a portion of the Education grant in respect of the management of the above schools, I request that the Government may kindly be pleased to order the transfer of the management of these institutions to the control of the Municipality on the following conditions.

1. District Board agrees to hand over ~~the~~ free of charge over the two elementary school buildings at Gidengal and Kaveripakkam to the Municipality.

P.T.O.

-2-

2. District Board further agrees to transfer free of charge the tools and plants as existed on the date of transfer to the control of the Municipality.

3. All the teachers now under employ in these schools will be transferred to the service of the Municipality with their provident fund and leave accounts.

Government were pleased to order the President, District Board, South Arcot, to transfer with immediate effect all the Board schools in the Municipal area with buildings, staff and equipment. The President, District Board, South Arcot, was requested in this office letter No.757/49-dated 13-10-49 to handover charge of the schools and he was reminded also by D.O. on 28-10-49. The President has neither replied on the handing over charge of the schools nor has he advised me when he proposes to transfer the District Board schools. I submit that in the above circumstances the preparation and submission of the budget, ordered to be prepared is delayed. I request that the Government may kindly be pleased to advise the President, District Board, South Arcot, Cuddalore for early transfer of the schools.

The President, District Board, South Arcot, has replied
that the District Board has resolved to transfer the management
of the Board Elementary schools within the municipal area without
furnitures and without the three District Board schools buildings
owned by it. The Board has however stated that it would rent out
the department buildings to the municipality. The President has
asked for the consent of the municipality before handing over
the management of the schools. 18-19 wpa

pages 11-12 only
The Board's resolution is against the specific terms of the
Government Memo.No.59963/49-3-C1-EDU-d/-6-10-49 read with clause
5 of section 4 of District Municipalities Act. The Municipality
will not be in a position to take charge of the schools without
the articles of furniture nor will it be in a position to incur
any capital expenditure on this account even at the initial stage.
The Board's term to claim rent for its buildings would also put
the council to further expenditure in its infant's stage. The
Board has apparently not weighed the financial relief that the
early transfer of schools would bring on its economy. If the
Board is not prepared to abide by the terms given in the Govern-
ment order, the council would only welcome ~~the~~ its continuance
of the management of the schools within the municipal area at

P.T.O.

Board's cost and request the Government to permit the council to postpone the levy of education tax, now ordered to take effect from 1-4-49, to such future time as the District Board decide to agree to the terms of the Government order. I request that the Government may kindly be pleased to pass early orders on the transfer of the management of the schools as the bills on all assessments of lands and buildings are to be issued immediately and as the budget required in para 2 of the Government memo ~~xxx~~ referred to above will have to be prepared and submitted early. Copy of President's letter is enclosed.
